Killer cupcakes Seems improbable to Lina, but when a distractingly attractive detective snaps cuffs on her and accuses her of witchy crimes she's forced to reconsider. The murder weapon? A cupcake topper sold in Lina's shop, Sticky, Tricky Treats. The method? A killing curse. The curse's origin? Lina...sort of. Except Lina hadn't a clue that she was a witch, and certainly didn't know she'd accidentally cursed some of her confections. She's got to catch the killer who twisted her curse or face a conviction as an accessory. Now, if only the warlock detective assigned to the case weren't such a distraction. Cutthroat Cupcakes is a magical witch culinary cozy with a touch of romance, the first of three books in the Cursed Candy Mysteries series! #1: Cutthroat Cupcakes #2: Twisted Treats #3: Fatal Fudge

Kemah is the Karankawa Indian word for "wind in the face." In the early 1900s, it was a breezy coastal village where many residents made a living in the fishing or boating industries. From the 1920s to the 1950s, Kemah relied on illegal gambling and bootlegging to survive. After the devastation of Hurricane Carla in 1961, local restaurants rebuilt and became favorites of Houstonians, who enjoyed the seafood and relaxing atmosphere. Because subsidence caused much of Kemah to flood during high tide, a marina was built in 1988 to ease the problem in low-lying areas. Today, the Kemah area has the third largest fleet of recreational boats in America. When older homes were converted into quaint shops, the Kemah Lighthouse Shopping District

When a young woman seeking fame and fortune falls into a con artist's trap, she learns what Hollywood is really all about...and what really matters most. Skye Taylor is a naïve, attractive nineteen-year-old, who wants to get as far away from her small Kansas hometown as possible. She coerces a soldier from a nearby army base to marry her, but soon finds out that she's in a marriage from hell. With very little money, Skye leaves her husband and sets off for Los Angeles to pursue a career in acting. Things may be looking up for Skye when she has a chance meeting with well-dressed, well-manicured Rico Tillman, who is enthralled with her beauty and offers to manage her career. But what Skye doesn't know is that Rico, if that's his real name, is the head of a local car-theft ring. One day police stop Skye while she is dropping off one of Rico's cars. She uses her one phone call to contact Rico, who has already disappeared. Skye's life spirals out of control. She is black-listed before her acting career really takes off. And during this traumatic moment in her life, she realizes she misses her family. After everything she's been through, Skye considers returning home, but that spark—that desire to be a part of the entertainment business—is still there. Could one more bad decision cost Skye her life?
