OLD SCORES SETTLED The expedition to test out the Vertical Maneuvering Equipment and keep the Survey Corps alive is plagued by rain and poor conditions- nerves are tense when emergency flares are shot off, and supply wagons turn up destroyed. On top of that, one of the nearby Titans is none other than Ogre, the one who killed Kuklo's mother on the fateful day of his birth! Can he avenge her memory, save the Survey Corps, and convince Xavi that the Titans can be overcome? **FINAL VOLUME!** In this post-apocalyptic sci-fi story, humanity has been devastated by the bizarre, giant humanoids known as The Titans. Little is known about where they came from or why they are bent on consuming mankind. Seemingly unintelligent, they have roamed the world for years, killing everyone they see. For the past century, what's left of the human race has hidden in a giant, three-walled city.

WHAT NO ONE KNEW... That day, Annie Leonhart woke up in the barracks. It was the morning of her day off. The feeling of freedom doesn't last long, for tomorrow holds her biggest mission yet: During the 57th Expedition Outside the Walls, seize Eren Yeager.

THE THIEF AND THE SOLDIER The young Erwin Smith is a rising star in the Survey Corps, humanity's only hope of defeating the man-eating monsters known as Titans. Ruthless and dispassionate, Erwin's mind is devoted to strategies and intrigue. But beneath Erwin's feet is another world, the Underground, where humans are born and die surrounded by the garbage the Capital throws away. Here, the criminal Levi survives on his wits and agility. But when these two ambitious men cross paths, who will prove himself stronger? The long-awaited origin story of Levi and Erwin, two of Attack on Titan's most beloved characters!

A prequel to the blockbuster Attack on Titan series, *Before the Fall* is a three volume young adult fiction fantasy novel series set years before the events that transpire with Eren and Mikasa. Together, the second and third volumes of *Before the Fall* are yet another prequel story and they are for the most part separate from the story of Angel and Wall Maria. In this collection we are introduced to a new character, Kuklo, who was found as a baby crying in a mass of Titan vomit, amidst the dead titan corpses. He is called "a child of titan" and is essentially hated by the people inside the walls. Kuklo, despite his horrible beginnings and a single-functioning eye, also seems to grow unnaturally fast. He parts himself from

his past and gambles on the fate of humanity by enlisting in the Survey Corps. This group functions primarily outside of the safety of the walls. And here with his strength and determination Kuklo survives and thrives. But to accomplish this he gets his hands on the Vertical Maneuvering Equipment. Although the gear is still imperfect and causes a troublesome incident for Kuklo, he fights the titans. Whether it is because it is his fate to fight them, or it is because of his past, he fights against them.

WITHIN THE HOLLOW CROWN As a Marleyan invasion dangles like a guillotine blade over the island of Paradis, allies have become enemies, and former friends are at each other's throats. The Yeagerists are in all-out revolt, fighting to dismantle military rule before the potential for world war explodes into certain doom. Meanwhile, deep in the forest, the sides' most ruthless, fanatical killers are locked in single combat, but triumph is elusive where Titans are involved...

DOWN IN THE MUD At last, the fateful day of the expedition arrives. If the Survey Corps doesn't use its newfangled maneuvering equipment to bring back evidence of a dead Titan, then humanity's best (and only) option for fighting back will be dismantled forever! The team of untested young recruits only has one shot, and they have to make it count—but the conditions are poor, and there are dark clouds on the horizon...
