The DK Eyewitness Travel Guide: Las Vegas shows you what others only tell you.

It was as if American television audiences discovered the musical in the early 21st century. In 2009 Glee took the Fox Network and American television by storm with the unexpected unification of primetime programming, awkward teens, and powerful voices spontaneously bursting into song. After raking in the highest rating for a new show in the 2009-2010 season, Glee would continue to cultivate rabid fans, tie-in soundtracks and merchandising, and a spinoff reality competition show until its conclusion in 2015. Alongside Glee, NBC and Fox would crank up musical visibility with the nighttime drama Smash and a string of live musical productions. Then came ABC's comedic fantasy musical series Galavant and the CW's surprise Golden Globe darling Crazy Ex-Girlfriend. Television and the musical appeared to be a perfect match. But, as author Kelly Kessler illustrates, television had at that point been carrying on a sixty-year, symbiotic love affair with the musical. From Rodgers and Hammerstein's appearance on the first Toast of the Town telecast and Mary Martin's iconic Peter Pan airings to Barbra Streisand's 1960s CBS specials, The Carol Burnett Show, Cop Rock, Great Performances, and a string of one-off musical episodes of sitcoms, nighttime soaps, fantasy shows, and soap operas, television has always embraced the musical. Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American culture and changing television, film, and theatrical landscapes. She recounts and explores this rich, decades-long history by traversing musicals, stars, and sounds from film, Broadway, and Las Vegas to the small screen. Argues that the nineteen-sixties were not the years of sexual, social, and political revolution as they have been widely depicted, but were far more conservative as the majority of America remained a mainstream culture.

The Gunsmoke Chronicles: A New History of Television's Greatest Western by David R. Greenland is a detailed account of the long-running classic containing information not found in previous books about the series, including an excerpt from Dennis Weaver's Gunsmoke-era resume contributed by the late Mr. Weaver. In addition to a season-by-season chronology, there are nearly 100 photographs, updated biographies, an extensive episode guide (airdates, cast listings, writers, directors, notes of interest), three indexes and interviews with guest stars Morgan Woodward, Jeremy Slate and Peggy Rea. About the Author: David R. Greenland has been writing professionally for over 40 years and is the author of Bonanza: A Viewer's Guide to the TV Legend (foreword by creator/executive producer David Dortort) and Rawhide: A History of Television's Longest Cattle Drive (foreword by series regular Charles Gray), both published by BearManor Media.

Celebrate the championship glory, Hall of Fame personalities, and passionate fans that make the Boston Celtics one of the most revered teams in basketball Sports Illustrated™ celebrates basketball greatness with The Boston Celtics at 75, an extraordinary collection of classic stories and photographs from the pages of SI. This commemorative book salutes hall of famers like Bill Russell, Larry Bird, Bob Cousy, Paul Pierce, and coach Red Auerbach. Fans will unearth countless gems from the Celtics' past on each page of this diamond celebration.

Will Friedwald's illuminating, opinionated essays—provocative, funny, and personal—on the lives and careers of more than three hundred singers anatomize the work of the most important jazz and popular performers of the twentieth century. From giants like Ella Fitzgerald, Louis Armstrong, Frank Sinatra, and Judy Garland to lesser-known artists like Jeri Southern and Joe Mooney, they have created a body of work that continues to please and inspire. Here is the most extensive biographical and critical survey of these singers ever written, as well as an essential guide to the Great American Songbook and those who shaped the way it has been sung. The music crosses from jazz to pop and back again, from the songs of Irving Berlin and W. C. Handy through Stephen Sondheim and beyond, bringing together straightforward jazz and pop singers (Billie Holiday, Perry Como); hybrid artists who moved among genres and combined them (Peggy Lee, Mel Tormé); the leading men and women of Broadway and Hollywood (Ethel Merman, Al Jolson); yesterday's vaudeville and radio stars (Sophie Tucker, Eddie Cantor); and today's cabaret artists and hit-makers (Diana Krall, Michael Bublé). Friedwald has also written extended pieces on the most representative artists of five significant genres that lie outside the songbook: Bessie Smith (blues), Mahalia Jackson (gospel), Hank Williams (country and western), Elvis Presley (rock 'n' roll), and Bob Dylan (folk-rock). Friedwald reconsiders the personal stories and professional successes and failures of all these artists, their songs, and their performances, appraising both the singers and their music by balancing his opinions with those of fellow musicians, listeners, and critics. This magisterial reference book—ten years in the making—will delight and inform anyone with a passion for the iconic music of America, which continues to resonate throughout our popular culture.

Food and beverage is the largest portion of a meeting budget, but most meeting and event planners have no formal background in purchasing and managing this expense. This guide helps event, meeting, and convention planners save money, negotiate contracts, deal with catering managers, and successfully manage the food and beverage aspect of their event. Covering everything from styles of service to on-premise and off-premise considerations to food and beverage contract negotiation, this book is a comprehensive and

accessible reference for event planners and students.

"Thompson-Hernández's portrayal of Compton's black cowboys broadens our perception of Compton's young black residents, and connects the Compton Cowboys to the historical legacy of African Americans in the west. An eye-opening, moving book."—Margot Lee Shetterly, New York Times bestselling author of Hidden Figures A rising New York Times reporter tells the compelling story of The Compton Cowboys, a group of African-American men and women who defy stereotypes and continue the proud, centuries-old tradition of black cowboys in the heart of one of America's most notorious cities. In Compton, California, ten black riders on horseback cut an unusual profile, their cowboy hats tilted against the hot Los Angeles sun. They are the Compton Cowboys, their small ranch one of the very last in a formerly semirural area of the city that has been home to African-American horse riders for decades. To most people, Compton is known only as the home of rap greats NWA and Kendrick Lamar, hyped in the media for its seemingly intractable gang violence. But in 1988 Mayisha Akbar founded The Compton Jr. Posse to provide local youth with a safe alternative to the streets, one that connected them with the rich legacy of black cowboys in American culture. From Mayisha's youth organization came the Cowboys of today: black men and women from Compton for whom the ranch and the horses provide camaraderie, respite from violence, healing from trauma, and recovery from incarceration. The Cowboys include Randy, Mayisha's nephew, faced with the daunting task of remaking the Cowboys for a new generation; Anthony, former drug dealer and inmate, now a family man and mentor, Keiara, a single mother pursuing her dream of winning a national rodeo championship, and a tight clan of twentysomethings--Kenneth, Keenan, Charles, and Tre--for whom horses bring the freedom, protection, and status that often elude the young black men of Compton. The Compton Cowboys is a story about trauma and transformation, race and identity, compassion, and ultimately, belonging. Walter Thompson-Hernández paints a unique and unexpected portrait of this city, pushing back against stereotypes to reveal an urban community in all its complexity, tragedy, and triumph. The Compton Cowboys is illustrated with 10-15 photographs.

This new edition of The Bottle bible is loaded with listings, current market values and trademark data for 50 years of bottles produced during the 19th and 20th centuries. With this book in hand, the tools to positively identify and accurately assess bottles in your collection are at your fingertips. Review tips for spotting reproductions, determining rarity and identifying factors that affect values and for 50 plus categories of bottles (with 20 new areas) including bottles from Avon, Ballantine, Jim Beam, Lionstone, Miniatures, and Violin and Banjo among others.

Bonanza aired on NBC from September 12, 1959, to January 16, 1973, playing to 480,000,000 viewers in over 97 countries. It was the second longest running western series, surpassed only by Gunsmoke, and continues to provide wholesome entertainment to old and new fans via syndication. This book provides an in-depth chronicle of the series and its stars. A history of the show from its inception to the current made-for-television movies is provided, and an episode guide includes a synopsis of each show and lists such details as the main characters of each episode and the actors who portrayed them, the dates they stayed with the show, date and time of original broadcast, writer, director, producer, executive producer, and supporting cast. Also provided are character sketches for each of the major recurring characters, career biographies of Lorne Green, Pernell Roberts, Dan Blocker, and Michael Landon, brief biographical sketches of the supporting cast, a discography of recordings of the Bonanza theme and recordings of the four major stars, and information on Bonanza television movies.

This volume explores various kinds of love and the way music reflects them. It is about romantic love, ethnic pride and love, love and the media, and various other loves we have, especially love for popular culture. Throughout, special focus is given to the role jazz plays, as well as other forms of African and African American music, including hip hop, and, especially, the blues.

Hollywood's West examines popular perceptions of the frontier as a defining feature of American identity and history. Seventeen essays by prominent film scholars illuminate the allure of life on the edge of civilization and analyze how this region has been represented on big and small screens. Differing characterizations of the frontier in modern popular culture reveal numerous truths about American consciousness and provide insights into many classic Western films and television programs, from RKO's 1931 classic Cimarron to Turner Network Television's recent made-for-TV movies. Covering topics such as the portrayal of race, women, myth, and nostalgia, Hollywood's West makes a significant contribution to the understanding of how Westerns have shaped our nation's opinions and beliefs—often using the frontier as metaphor for contemporary issues.

Who has time nowadays to put in the graft to succeed? And why bother, when the truly important things in life only take a quarter of an hour to master? Here, Tom Cutler proves that following the path to becoming disgustingly rich, stylish, intelligent, thin, happy, classy, successful and a legend in the bedroom need take no longer than it does to cut your toenails, or listen to The Archers. Learn how to become as popular as your dog. Which sports car suits your personality? How to work out the date of your death. Are you a genius? With Tom Cutler's help you will soon find inner perfection and hugely impress your family, friends and work colleagues. From the author of the brilliant A Gentleman's Bedside Book, this is a hilariously funny but deeply practical guide to self-improvement.

"To understand the history and spirit of America, one must know its wars, its laws, and its presidents. To really understand it, however, one must also know its cheeseburgers, its love songs, and its lawn ornaments. The long-awaited Guide to the United States Popular Culture provides a single-volume guide to the landscape of everyday life in the United States. Scholars, students, and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history. All American readers will find in it, one entry at a time, the story of their lives."--Robert Thompson, President, Popular Culture Association.

"At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture. With its nearly 1600 entries, it promises to be the most comprehensive single-volume source of information about popular culture. The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike."--Timothy E. Scheurer, President, American Culture Association "The popular culture of the United States is as free-wheeling and complex as the society it animates. To understand it, one needs assistance. Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations."--Marshall W. Fishwick, Past President, Popular Culture Association Features of The Guide to United States Popular Culture: 1,010 pages 1,600 entries 500 contributors Alphabetic entries Entries range from general topics (golf, film) to specific individuals, items, and events Articles are supplemented by bibliographies and cross references Comprehensive index

Between 1959 and 1973 the Cartwrights of the Ponderosa rode into the lives of nearly 400 million viewers around the world. Perhaps you saw many of the 428 episodes and waited eagerly for the famous blazing map to reveal the Cartwrights riding into your living room. You can relive those days and get the inside story on the TV series that became a legend. Renew old acquaintances with Ben Cartwright and his sons, Adam, Hoss and Little Joe.

In From Small Screen to Vinyl: A Guide to TV Stars Who Made Records 1950-2000, author Bob Leszczak offers a look at hundreds of stars who performed double duty: as a television performer as well as a recording artist. He looks not only at the show and the performer but the behind-the-scenes dramas that unfolded as each attempted to tackle the two different mediums. Through his interviews with many of these multitaskers, the author has uncovered new, and mostly never before known facts about those who sought to conquer the world of vinyl.

It's time to "go with the flow" once again with the second smash Bathroom Reader. This new compendium of stories, anecdotes, rumors, proverbs, and other bathroom reading is divided into Short, Medium and Long, enabling each reader to choose the amount of time he wishes to remain on the throne.

Between 1959 and 1973 the Cartwrights of the Ponderosa rode into the lives of nearly 400 million viewers around the world. Perhaps you saw many of the 428 episodes and waited eagerly for the famous blazing map to reveal the Cartwrights riding into your living room, and maybe you now miss the warmth and familiarity that watching an episode could bring. In 'Bonanza: A Viewer's Guide to the TV Legend' you can relive those days and get the inside story on the series that became a legend. Renew old acquaintances with Ben Cartwright and his sons, Adam, Hoss and Little Joe, and read a Foreword by non-other than David Dortort, Creator and Producer of 'Bonanza.'

A Booklist Editors' Choice and a Society of School Librarians International (SSLI) Honor Book Street gangs have exploded worldwide. Tattoos, baggy pants, tagging, gangsta style, the unspoken threat -- it's all just around the corner in most of the world's major cities. From the streets of Los Angeles to the shantytowns of Cape Town, hundreds of thousands of "at risk" youth are deciding whether they should join their local gang. Violence, guns, the drug trade, racism, poverty, families under pressure and ever-widening slums all provide a witch's brew in which the youth gang tempts young males and females with a sense of identity and belonging that their world has denied them. Gangs exposes the roots of the problem as it moves from the banlieues of France to the favelas of Brazil. It offers a startling analysis of the complicity of the official adult world and some controversial ideas for reforms that might just undermine the appeal of gang life. For many of the world's young -- especially those who are poor -- joining a gang is a real career choice. It is a choice that can be as deadly for young gangsters as for their victims. Richard Swift shows us that we fail to understand gangs at our peril.
