Although many Civil War reference books exist, Civil War researchers have until now had no single compendium to consult on important details about the combatant states (and territories). This crucial reference work, the sixth in the States at War series, provides vital information on the organization, activities, economies, demographics, and laws of Civil War South Carolina. This volume also includes the Confederate States Chronology. Miller enlists multiple sources, including the statutes, Journals of Congress, departmental reports, general orders from Richmond and state legislatures, and others, to illustrate the rise and fall of the Confederacy. In chronological order, he presents the national laws intended to harness its manpower and resources for war, the harsh realities of foreign diplomacy, the blockade, and the costs of states' rights governance, along with mounting dissent; the effects of massive debt financing, inflation, and loss of credit; and a growing raggedness within the ranks of its army. The chronology provides a factual framework for one of history's greatest ironies: in the end, the war to preserve slavery could not be won while 35 percent of the population was enslaved.

The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government.

The IRS looseleaf regulation system is a compilation of all regulations issued by the Service, except those relating to alcohol, tobacco, firearms and tax conventions.

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1897 edition. Excerpt: ...L. Dobson, Secretary of State. CHAPTER 24. AN ACT to legalize the act of the board of supervisors and county auditor and the vote of the people of Polk county in relation to levying a tax to raise funds to build an asylum in said county for the care of the insane. Whereas, The board of supervisors of Polk county, Iowa, submitted a proposition to the electors of said county at the general election of November 3, 1896, touching the erection of a county asylum for the insane, and the levying of a tax to make payment therefor; and Whereas, Doubts have arisen as to the validity of the election resulting in favor of the erection of said asylum and the levying of said tax, because of the failure to give notice of said election and the result thereof, and otherwise, as by law required; therefore, Be it enacted by the General Assembly of the State of Iowa: Section 1. That said election and the result thereof, and all acts of the said board of supervisors and said county auditor in connection therewith, or based thereupon, be, and the same hereby are, legalized and made valid, and shall have the same force and effect in all respects as if no error, irregularity, or omission had occurred in connection therewith. Sec. 2. This act being deemed of immediate importance, the same shall be in full force and effect from and after its publication in the Iowa State Register and the Des Moines Leader, newspapers published at Des Moines, Iowa, without expere se to the state. Approved May 5, 1897. I hereby certify that the foregoing act was published in the Iowa State Register and Des Moines Leader May 7, 1897. G. L. Dobson, Secretary of State. CHAPTER 25. H. P. 100. AN ACT to legalize the action of the Board of Supervisors of Dallas County, Iowa, relating to...

Special edition of the Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries.

The Code of Federal Regulations Title 26 contains the codified Federal laws and regulations that are in effect as of the date of the publication pertaining to Federal taxes and the Internal Revenue Service.

The express purpose of this book is to provide concrete evidence that the Bible is not just a religious book; it is a scientific book that teaches us how the universe was created; it is a social book that teaches us how to live peaceably with our neighbors; it is a prophetic and historical book that reveals how God has worked in the past to fulfill His promises and purposes; and it is a spiritual book that teaches how God has revealed his will and purpose for humanity. The book is divided into five volumes which deal with questions that we might ask about the Bible and the origin of the universe. The first four volumes of the book deal with the four dimensions of the Bible. Volume 1 deals with the Physical (Scientific) Dimension of the Bible. It seeks to answer the questions: How did we get here? How old is the universe? And who are our Ancestors? Volume 2 deals with the Spiritual Dimension of the Bible and seeks to find Universal Principles from God's Word that teach us how to live according to God's will. Volume 3 deals with the Prophetic Dimension of the Bible. It provides a historical record of how God has worked through the Nation of Israel to pre-determine the events and conditions of life and judged the nation's responses to the events and conditions of life. Volume 4 deals with the Social Dimension of the Bible. It defines the four social institutions created by God: the family, human government, the Nation of Israel, and the Church, and describes how the Universal Principles discovered in Volume 2 may be or have been applied in those four social institutions. Volume 5 summarizes the bottom-line conclusions and recommendations from the scientific analysis of the four dimensions of the Bible, and it defines the meaning of the symbols that are used to represent the Universal Principles.
