In 2009, New York observed the 400-year anniversary of Henry Hudson's September 1609 discovery of Manhattan Island. This book chronicles the event from the perspective of the people who met Hudson's boat—which they at first thought was surely a great waterfowl—floating. Using all available sources, including oral history passed down to today's Algonquins, Evan Pritchard tells the story from various perspectives: that of Hudson's body guard, scribe, and personal Judas, Robert Juet; that of Hudson himself; and that of the Eastern Algonquins who greeted Hudson as the fulfillment of ancient prophecies.

Prophecy remains one of the ambiguities that need to be unlocked by critical philosophical thinking. The historicity of prophecy has suffered massive debates by different learned personages with some seeking to discredit the authenticity of the prophetic phenomena. Of central import is the African form of prophecy which, scholars tend to disagree over its roots, authenticity and historicity with much research being

given to prove or disprove prophetic authority. This author seeks to prove the authentic standing of prophecy, with specific reference being attributed to the prophetic typology evident in the African prophetic circles. However, constant reference will be made to Israelite prophetic typology, origins and standing so that plausible comparison can be made and the exact classification of prophecy in Africa can be determined.

Asgard is a subterranean kingdom populated by the descendants of Viking colonists whose vessels are blown off course and who are eventually stranded in the Canadian arctic. The subterranean kingdom also includes various aboriginal peoples from North America (Anasazi, Haida, Siksika, Inuit), Central America (Maya), and South America (Inca), and intelligent bears. There is an ancient prophecy that on the millennium anniversary of the arrival of the original Vikings, a blonde surface woman of Icelandic heritage will wed the current prince and usher in an age of untold prosperity. The blonde woman was foretold to appear at a hot spring (one of the natural entrances to the subterranean world) during a full moon when the lights were dancing in the northern sky. Princess Malicious, daughter of the King, covets the throne of Asgard. Her treacherous plans threaten the peace and survival of the kingdom. Viking, Mayan, Inca, Haida, Anasazi, Siksika, and other aboriginal myths and history are woven into the story. Descriptions of the cavern world (stalactites, stalagmites, crystals) are realistic. Seeing is an important theme--seeing in dreams, seeing in wakeful visions, vision quests, drug-induced visions. Faith and conservation are other important themes

When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely

comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

Those of us who are waiting and watching for the imminent coming of the Lord JESUS CHRIST are constantly saying that the world will be on fire at His coming. We forget the fact that in many ways the world is on fire already. I believe we have in some way missed this point. This world of ours is on fire right now nationally. There is no great nation on earth that is fully at peace, not even our own United States of America. Think of the strikes, of the race problems, of the awful and many difficulties that beset us in our land. Multiply them by the tremendous burdens that are weighing down every other nation and you will see that I am justified in saying that the world is on fire. Think of England. Think of France. Think of Spain. Think of Germany and Japan. Think of the internal conflicts waging in Asia.
