

## Con O Senza Le Armi Controversistica Religiosa E Resistenza Armata Nellet Moderna

A new translation presents to the Italian public this very interesting history of military art in general and of the army, and in particular of the military equipment used by the Greeks.

This account of the capture and validation of Italian-Fascist state papers during World War II, some of which only recently have been declassified, is the stuff of high-level intelligence and counterespionage. In an account that reads like a detective story Howard Smyth reveals fully for the first time how the United States obtained the Fascist documents. As an OSS and State Department officer during the war, Smyth was intimately involved in the validation of the papers, and as a professional historian was uniquely qualified to evaluate their importance. Among the documents Smyth describes are the Lisbon Papers, documents which emanated from the office of Count Ciano as Italian Foreign Minister and which the Italian Government attempted to hide from the Allies; the Ciano Papers: Rose Garden, the German translations of Italian State Papers which Ciano himself set aside to accompany his diary and for which Edda, his wife and Mussolini's daughter, tried to barter her husband's life; and Mussolini's Private Papers, said once to have comprised over 100,000 files, some of which were found in his villa, others on his person during his final flight to avoid capture. Though Dr. Smyth focuses on the problems of the authenticity of the collections, his account of their acquisition weaves an exciting story of high adventure and human drama. Obviously of utmost importance to scholars, the work will be of special interest also to general readers and World War II history buffs.

SHELVED: 1st FLOOR REFERENCE--COUNTER HIGH SHELVING WEST SIDE.Missing v. 1, 17, and 38-40, (06-03).

Consists of separately numbered series of publications of the Parlamento as a whole, the Senato, and the Camera dei deputati. Each session is divided into Disegni di leggi; Documenti; and: Discussioni.

This collection of interdisciplinary essays introduce the history and culture of the lands ruled by the sovereign house of Savoy during the late medieval and early modern periods, territories now part of France, Italy, and Switzerland. Because the Sabaudian realms were geographically, linguistically, and culturally diverse and did not evolve into a single modern nation-state, their early history has been overlooked by historians whose perspectives were often informed by a narrow, national framework. An international team of scholars offers new research that de-provincializes many of the existing rich scholarly assessments of the historical significance of these lands, which were important for rulers and subjects throughout early modern Europe. The volume explores the concept of "Sabaudian studies" and identifies historiographic developments and current trends in the field. Beginning with the geography and the history of the area, the essays examine Sabaudian political culture (diplomatic practice, judicial institutions, and political thought), dynastic representation (court festivals and celebrations, and the projection of dynastic prestige abroad, with attention to the sacred

heritage of the house), and territorial domination (its fiscal, religious, feudal, and composite dimensions). Contributors include Eva Pibiri, Laurent Perrillat, Rebecca Boone, Alessandro Celi, Thalia Brero, Stéphane Gal and Preston Perluss, Michel Merle, Toby Osborne, Kristine Kolrud, Guido Alfani, Marco Battistoni, Matthew Vester, and Blythe Alice Raviola.

L'obiettivo del manuale ? rivolgersi a cittadini, avvocati, amministratori locali, appartenenti alle forze dell'Ordine, allievi della Scuola di Polizia, ma anche ad Associazioni, a professionisti e sportivi, che delle armi hanno fatto la loro attivita' principale. Da qui nasce la riflessione sull'importanza di illustrare in modo chiaro ed efficace alcuni complessi meccanismi che regolano la vigente normativa in modo da poter offrire a tutti una guida per fare chiarezza passando attraverso leggi, sentenze, decreti, direttive dell'Unione Europea fino alle note del Ministero dell'Interno. La trattazione degli argomenti ? suddivisa in distinti ambiti che spaziano dalle autorizzazioni di carattere amministrativo all'approfondimento sugli illeciti di carattere penale.
