From the founder and superstar CEO of DailyWorth.com, the go-to financial site for women with more than one million subscribers, comes a fresh book that shows women how to view money as a source of personal power and freedom—and live life on their own terms. Millions of women want to create financial stability and abundance in their lives, but they don't know how. They are stuck in overwhelming confusion and guilt, driven by internalized "money stories" that have nothing to do with what is really possible. As the founder of DailyWorth.com, a financial media and education platform, Amanda Steinberg encounters these smart, ambitious women every day. With this book, she helps them face their financial situations head on and wake up to the prosperity that awaits them. Worth It outlines the essential financial information women need—and everything the institutions and advisors don't spell out. Steinberg gets to the bottom of why women are stressed and anxious when it comes to their finances and teaches them to stay away from strict budgeting and other harsh austerity practices. Instead, she makes money relatable, while sharing strategies she uses herself to build confidence and ease in her own financial life. Through her first-hand experiences and the stories from other women who've woken up, Steinberg's powerful and encouraging advice can help women of any age and income view money as a source of freedom and independence—and create bright financial futures.

Dave Ramsey explains those scriptural guidelines for handling money.

Work isn't supposed to be a four-letter word! Does the work you do matter to you? Are you unsure what you want to do for a living? Are you in the right place but looking to advance? No matter where you are in your career, you were born to do work you love. National bestselling author and career expert Ken Coleman was stuck in an unfulfilling career until he realized he didn't have to be. In his latest book, he draws on what he learned from his own ten-year journey as well as from coaching thousands of others to walk you through the seven stages to discovering and doing meaningful work. Relevant to any job or industry, you'll learn step-by-step how to: Get Clear on the work you were uniquely made to do and why. Get Qualified to do the work you were created for. Get Connected with the right people who can open the doors to your dream. Get Started by overcoming the emotions and mistakes that often hold people back. Get Promoted by developing winning habits and traits. Get Your Dream Job by doing work you love and accomplishing results that matter to you. Give Yourself Away by expanding the dream to leave a legacy. This is your moment. You are needed, and you were made to contribute. It's time to exit the daily grind and use your talents to start living your dream once and for all.

Wall Street Journal best-selling author Jon Acuff reveals the steps to getting unstuck and back onto the path of being awesome. Over the last 100 years, the road to success for most everyone has been divided into five stages that mirror the decades of working life: Your 20s are a period of Learning. This is the decade of trying a thousand things, exploring a multitude of interests, and discovering what really motivates you. Your 30s are a period of Editing. This is the decade of sorting out interests, where you discover what

you really care about and who you really are. Your 40s are a period of Mastering. This is the decade of narrowing focus, honing skill sets, and becoming an expert in your field. Your 50s are a period of Harvesting. This is the decade of reaping the benefits of good decisions and enjoying the highest income-earning period in a career. Your 60s are a period of Guiding. This is the decade of mentoring, training, and encouraging others on their own road to success. Every successful person has followed these steps regardless of their occupation. But three things have changed the path to success and erased the decades associated with them: Finish lines are dead – Boomers are realizing that a lot of the things they were promised aren't going to materialize, and they have started second and third careers. Anyone can play – Technology has given access to an unprecedented number of people who are building online empires and changing their lives in ways that would have been impossible years ago. Hope is boss – The days of “success first, significance later,” have ended. A new generation doesn't want to change the world eventually; they want to change it now through the wells they kickstart in Africa and the TOMS they wear on their feet. The value system has been flipped upside down. The result is that you've got an entire generation pushing down to start over, another generation pushing up to start for the first time, and in the middle of this collision, the tools to actually change the world. Experience years now trump chronological age. And while none of the five stages can be skipped, they can be shortened and accelerated. There are only two paths in life: average and awesome. The average path is easy because all you have to do is nothing. The awesome path is more challenging, because things like fear only bother you when you do work that matters. The good news is Start gives readers practical, honest, actionable insights to be more awesome, more often. It's time to punch fear in the face, escape average, and do work that matters. It's time to Start.

Money. The thought of it can be overwhelming, and the pursuit of it can be addicting. Our society constantly promises us that money will provide what we want—success, comfort, peace, and happiness—leading our fickle hearts to trust money for things it was never intended to give us. Even if we think we know what the Bible says about money, there seems to be a gap between our theology and our everyday money struggles. In this practical and hopeful book, best-selling author Paul David Tripp shows us how to view and interact with money in a God-honoring way. Through chapters that expose the depths of our heart struggles and our need for grace, this book offers a roadmap to find peace, generosity, and joy in the world that God created.

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children?

How much is “enough”? There’s a lot of bad information in our culture today about wealth and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

This book will teach you how to: save money and build wealth; negotiate great deals; establish a budget that works; identify and understand different types of investments; set and achieve financial and career goals; describe the many dangers of debt; recognize the advantages of renting and owning a home; become an aware consumer; understand different types of insurance and what's best for you--P. Every parent wants the best for their child. That’s why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That’s why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn’t open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-Free Degree*, Anthony O’Neal teaches parents how to get their child through school without debt, even if they haven’t saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. *Debt-Free Degree* shows parents how to pay cash for college and set their child up to succeed for life. In an age of mounting credit debt, get-rich-quick schemes, and high unemployment, many people are left wondering, "Why am I always struggling with finances? Why can't I seem to get ahead?" While the market is flooded with short-term help, few resources address the root spiritual problems behind money. In a warm, conversational style, CFO and CPA firm owner Stephen K. DeSilva offers a unique, prophetic/supernatural approach to handling money. This respected charismatic leader combines financial philosophy, biblical truth, supernatural deliverance, and prophetic teaching, and also offers related practical and prophetic exercises throughout each chapter. *Money and the Prosperous Soul* will help every believer struggling with lack to overcome wrong thinking and destructive cycles and learn the biblical and supernatural principles of success. Free online resources make this a perfect resource for small group classes and self-study. With the help of a #1 New York Times bestselling author and finance expert, set your finances right with these updated tactics and practices Dave Ramsey knows what it's like to have it all. In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of *HerMoney* with Jean Chatzky Podcast Debt is the most aggressively marketed product in history. And it isn't just sold by banks and credit card companies anymore. Many national retail chains make more money on the sale of credit applications than they do on the actual merchandise they sell. In *Dumping Debt*, Dave blows the lid off the credit game, debunking the leading myths about debt that have become ingrained in our natural way of thinking. Then he walks you right out of debt with his simple, clear and effective debt snowball technique.

"What's the best thing you can do with your money? How can your wealth make the biggest impact? In this eye-opening lesson, Dave Ramsey reveals the mystery of *The Great Misunderstanding*, the mistaken belief that the way to have more money is to hold on more tightly. You'll discover how to be a good manager of your money as you learn to hold you wealth with an open hand. This new perspective will revolutionize every area of your life, as you learn what it means to be a radical giver."--Container.

Now available for Pre-Order! A common resolution set at the beginning of a new year is to "get my financial house in order." But how can you build a house, let alone pour any kind of foundation, without a blueprint? There are dozens of books and gurus trying to push their advice and tell you how to spend and invest your money. And then, there are three suburban dads just trying to make the world a little bit better. Meet Brad Barrett and Jonathan Mendonsa of the award-winning *ChooseFI* podcast and Chris Mamula of the popular blog "Can I Retire Yet?". They have walked the talk and now want to share their knowledge with you. Together, these three regular guys will show you how they did something extraordinary. They are all financially independent and doing meaningful work that fulfills them. All three left their corporate 9 to 5 jobs and are reaping the benefits of extra time with their families. Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a

millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction
