

Edexcel A Level Geography Third Edition

A new series of full-coverage resources developed for the AQA 2016 A/AS Level Geography specification. This full-colour Student Book covers all core and optional units for the AQA AS and A Level Geography specification for first teaching from September 2016. Students are encouraged to develop links between physical and human topics, understand systems, processes, and acquire geographical skills. Helping to bridge the gap from GCSE to A Level, it also provides support for fieldwork skills and for the geographical investigation at A Level. A 'Maths for geographers' feature helps students develop and apply their mathematical and statistical skills, and a range of assessment-style questions support students in developing their exam skills.

Exam Board: Edexcel Level: AS/A-level Subject: Geography First Teaching: September 2016 First Exam: June 2017 Endorsed for Edexcel. Trust the leading A level Geography publisher to boost your students' geographical knowledge and skills with a fully updated edition of our bestselling Student's Book; designed to provide the in-depth subject coverage, developmental activities and exam support you need at a time of curriculum change. - Helps students acquire, apply and revise core knowledge using clear explanations of key geographical content and concepts - Progressively builds the geographical and data skills emphasised in the 2016 specification by offering plenty of opportunities to learn and practise relevant skills for each topic - Brings geographical theory to life with a bank of engaging, up-to-date case studies, examples and place contexts - Consolidates topic knowledge and enables students to track their learning with review questions at the end of each chapter - Prepares students for the demands of AS and A level examinations by including numerous exam-style questions, ideal for skills development and rolling revision throughout the course - Makes it easier for you to meet the increased fieldwork requirements, suggesting topic-focused enquiries for both physical and human geography

Written by senior examiners, Cameron Dunn and Sue Warn, this Edexcel A2 Geography Student Unit Guide is the essential study companion for Unit 3: Contested Planet. This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index, examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required and exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade.

Exam board: Pearson Edexcel Level: A-level Subject: Geography First teaching: September 2016 First exams: Summer 2017 (AS); Summer 2018 (A-level) Secure higher marks in Pearson Edexcel A-level Geography coursework, using this step-by-step guide to complete the project with confidence. Providing a clear structure to follow, this write-in workbook contains information and activities that help students to produce a manageable, relevant and interesting independent investigation. - Takes you through every stage of the process, from choosing a topic to conducting research, presenting data and writing up the report - Offers the support that students need to work independently without teacher involvement - Enables students to organise their thinking, record their progress and review their coursework against a self-assessment checklist and example paragraphs - Keeps students on track by breaking the

investigation down into chunks, with tasks to undertake at each stage - Increases students' chance of success as they benefit from the expert advice of David Holmes, who has worked closely with exam boards and delivers teacher training on the independent investigation

Help your students to develop the geographical skills and knowledge they need to succeed using this new Edition Student book, which includes new case studies and practice questions. Written by our expert author team, the new edition is structured to provide support for A-Level Geography learners of all abilities. The book includes: - Activities and regular review questions to reinforce geographical knowledge and build up core geographical skills - Clear explanations to help students to grapple with tricky geographical concepts and grasp links between topics - Case studies from around the world to vividly demonstrate geographical theory in action - Exciting fieldwork projects that meet the fieldwork and investigation requirements This student book is supported by digital resources on our new digital platform Boost, providing a seamless online and offline teaching experience.

Exam Board: Edexcel Level: GCSE Subject: Geography First Teaching: September 2016 First Exam: Summer 2018 Endorsed for Edexcel Target success in Edexcel GCSE (9-1) Geography B with this proven formula for effective, structured revision; key content coverage is combined with exam-style tasks and practical tips to create a revision guide that students can rely on to review, strengthen and test their knowledge. With My Revision Notes every student can: - Plan and manage a successful revision programme using the topic-by-topic planner - Enjoy an active approach to revision with clear topic coverage and related 'Now Test Yourself' tasks and practical revision activities - Improve exam technique through exam tips and formal exam-style questions - Monitor their knowledge and progress using the answers provided for each 'Now Test Yourself' activity and exam-style question - Develop geographical understanding and enhance exam responses with case study material and located place examples

Unlock your full potential with this revision guide which focuses on the key content and skills you need to know. With My Revision Notes for Edexcel A2 Geography you can: - Take control of your revision: plan and focus on the areas you need to revise with content summaries and commentary from authors Dan Cowling and Michael Witherick - Show you fully understand key topics by using specific examples to add depth to your knowledge of geographical issues and processes - Apply geographical terms accurately with the help of definitions and key words on all topics - Improve your skills to tackle specific exam questions with self-testing and exam-style questions and answers - Get exam-ready with last-minute quick quizzes at www.hodderplus.co.uk/myrevisionnotes Motivate pupils to develop their geographical skills, knowledge and understanding as they become engaged and accomplished geographers, ready for the demands of GCSE.

Specifically designed to provide a solid foundation for the 2016 GCSE specifications, this Student Book takes an enquiry-based approach to learning within each unit and lesson. - Easily and cost-effectively implement a new KS3 scheme of work: this coherent single-book course covers the latest National Curriculum content, providing 150 ready-made lessons that can be used flexibly for a two or three-year KS3 - Build and improve the geographical knowledge and skills that pupils need: every double-page spread represents a lesson, with rich geographical data and place contexts for pupils to interpret, analyse and evaluate - Lay firm foundations for GCSE: key vocabulary, command words and concepts are introduced gradually, preparing pupils for the content and question types they will encounter at GCSE,

with a particular focus on analysis and evaluation questions - Effectively assess, measure and demonstrate progress: formative assessments throughout each lesson and summative end-of-unit reviews include questions that show whether pupils are 'working towards', 'meeting' or 'exceeding' expectations - Encourage pupils to check and drive their own progress: learning objectives and end-of-unit learning outcomes help pupils reflect on their learning and make connections between key concepts and skills throughout the course

Aim for your best grade with this guide written specifically for the 2012 linear GCSE Geography for Edexcel A Specification. This guide will help you revise effectively in the way you want to, allowing you to plan and pace your revision according to your learning needs, and to adapt and personalise with your own notes. Written by an experienced author, teacher and examiner, you can be confident that this guide will cover the facts and ideas you will be expected to recall and be able to use in the exam. It accompanies the fourth edition of Tomorrow's Geography for Edexcel GCSE Specification A Student's Book. - Understand what is required in the exam with exam tips and guidance - Improve your examination skills with exam practice questions and model answers online - Check your understanding of the content and key terms with engaging activities and explanations of key concepts - Plan and pace your revision with My Revision Planner

This title has been endorsed for use with the CCEA GCSE Geography specification. Confidently navigate the new content and assessment requirements with a fully updated edition of the longest-standing Student Book for CCEA GCSE Geography, trusted for over a decade to help thousands of students succeed. - Provides complete coverage of the specification with clear, detailed explanations of each unit and theme, plus a dedicated chapter on fieldwork - Develops students' knowledge and skills through activities that involve interpreting, analysing and evaluating geographical information and activities that focus on practising key skills - Brings concepts to life through diagrams, maps, photographs and a rich bank of up-to-date case study material - Enables high achievers to extend their knowledge and fulfil their potential by including research activities that go beyond the core content - Prepares students for the non-tiered examinations with exam-style questions for each theme, tips and guidance from experienced examiners, plus answers and mark schemes available online in the free Teaching & Learning Resources

Endorsed for Edexcel. Trust the leading A level Geography publisher to boost your students' geographical knowledge and skills with a fully updated edition of our bestselling Student's Book; designed to provide the in-depth subject coverage, developmental activities and exam support you need at a time of curriculum change. - Helps students acquire, apply and revise core knowledge using clear explanations of key geographical content and concepts - Progressively builds the geographical and data skills emphasised in the 2016 specification by offering plenty of opportunities to learn and practise relevant skills for each topic - Brings geographical theory to life with a bank of engaging, up-to-date case studies, examples and place contexts - Consolidates topic knowledge and enables students to track their learning with review questions at the end of each chapter - Prepares students for the demands of AS and A level examinations by including numerous exam-style questions, ideal for skills development and rolling revision throughout the course - Makes it easier for you to meet the increased fieldwork requirements, suggesting topic-focused enquiries for both physical and human geography

Exam board: Pearson Edexcel Level: A-level Subject: Geography First teaching: September 2016 First exams: Summer 2017 (AS); Summer 2018 (A-level) Covering what you really need to know for Edexcel A-level Geography - in less than 140 pages - this revision guide makes revision easy - whether you're getting started early or you need to do some last-minute cramming. - Find key facts at your fingertips with quick summaries of the content, concepts and terms from the Edexcel A-level Geography specification - Get better grades in your exams

with tips on exam technique, mistakes to avoid and important things to remember - Revise and practise using end-of-topic questions and synoptic questions at the end of each section - Benefit from the knowledge of experienced teacher, author and former senior examiner David Redfern

These revision guides are the ideal complement to Heinemann 16-19 Geography. Separate books for AS and A2 provide the right level of support and exactly cover the information and skills students need to succeed.

Endorsed for Edexcel Trust the leading A level Geography publisher to boost your students' geographical knowledge and skills with a fully updated edition of our bestselling Student's Book; designed to provide the in-depth subject coverage, developmental activities and exam support you need at a time of curriculum change. - Helps students acquire, apply and revise core knowledge using clear explanations of key geographical content and concepts - Progressively builds the geographical and data skills emphasised in the 2016 specification by offering plenty of opportunities to learn and practise relevant skills for each topic - Brings geographical theory to life with a bank of engaging, up-to-date case studies, examples and place contexts - Consolidates topic knowledge and enables students to track their learning with review questions at the end of each chapter - Prepares students for the demands of AS and A level examinations by including numerous exam-style questions, ideal for skills development and rolling revision throughout the course - Makes it easier for you to meet the increased fieldwork requirements, suggesting topic-focused enquiries for both physical and human geography

A student-friendly and engaging textbook for Year 2 of the Edexcel GCE A Level specification. Written to match the demands of the new spec, this Student Book motivates your students with accessible, interesting content and up-to-date case studies, while retaining the required rigour.

Reinforce understanding throughout the course with clear topic summaries and sample questions and answers to help students target higher grades. Written by experienced subject experts Cameron Dunn and Michael Witherick, this Student Guide is divided into two key sections - content guidance, and sample questions and answers. Content guidance will: - Develop understanding of key concepts and terminology in key physical geography topics tectonic processes and hazards, landscape systems, processes and change (glaciated and coastal), the water cycle and water insecurity, and the carbon cycle and energy security. - Consolidate knowledge with 'knowledge check questions' at the end of each topic and answers in the back of the book. Sample questions and answers will: - Build understanding of the different question types, so that students can approach each question with confidence. - Enable students to target top grades in their exam paper with sample answers and commentary explaining exactly why marks have been awarded.

Exam board: Cambridge Assessment International Education Level: IGCSE
Subject: Geography First teaching: September 2018 First exams: Summer 2020

Please note this title is suitable for any student studying:
Exam Board: Edexcel
Level: A Level Year 1 and AS
Subject: Geography
First teaching: September 2016
First exams: June 2018
A student-friendly and engaging textbook for the Edexcel GCE A Level Year 1 and AS specifications. It has been specially written to match the demands of the 2016 specifications and has been endorsed for Edexcel. The coverage of key geographical concepts and processes is accessible and clear, and all students will be engaged by the interesting, up-to-date examples and case studies - while the rigour, detail, and depth required by the specifications is retained throughout. Clearly-written objectives open each section, setting out for students what they need to learn, and high-quality photos, maps, and diagrams aid explanations. Motivating activities, exam-style questions, and coverage of the required skills are strong features. The book is completed with a glossary for each chapter and a full index. Answer guidance for the activities is available on Kerboodle (school purchase only).

A student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification, this brand new course is written to match the demands of the specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress.
