"You couldn't put down the original, now pick up the Jewish version....It is sure to leave you verklempt with passion!" -- Jewitup.com You've read the books and seen the movie. Or maybe you'd rather not. Try the Jewish parody! It's so erotic you'll plotz. From the moment senior Anatevka Stein meets chubby bagel tycoon Chaim Silver, she is drawn to him. A mench like no other, he's brilliant, lecherous and reeking of herring, a combination she cannot resist. So what if he still lives with his mother? Chaim wants her too, though he wants her to sign a Kinky Ketubah drafted by his attorneys. What sexual techniques will Ana learn in his Blue Room of Broadloom and which delicatessen foods will be involved? Why is the first night of Passover with Chaim truly different from all other nights? And why does he play such sorrowful music on his accordion? Could it be the wedgies he received at Jewish summer camp? Erotic, exotic and Ashkenazic, this passionate love story will stay with you forever, not unlike a homemade matzah ball. Fifty Shades of Oy Vey: A Parody includes excerpts from Volume II: Fifty Shades Meshuggener and Volume III: Fifty Shades Fried Latkes. The book is intended for mature and somewhat immature readers.

When Anastasia Steele, a young literature student, interviews wealthy young entrepreneur Christian Grey for her campus magazine, their initial meeting introduces Anastasia to an exciting new world that will change them both forever. Reissue. Movie tie-in.

Experience the Ultimate Fifty Shades of Grey Parody! Whether you loved Fifty Shades or hated it, Fifty Shades of Plaid has something for you! Fifty Shades of Plaid is a parody of E L James's famous erotic bestseller written in the style of an old choose your own adventure story. As you explore the world of Christian Plaid you will be presented with various choices in order to advance the plot. In the course of doing so you may uncover the secrets and mysteries that the original never explains. For example: Why is this billionaire playboy so interested in this seemingly plain young woman? How did Christian become so wealthy at such a young age? What is the real foundation of his success? What secrets is he really hiding? (Hint: It has nothing to do with BDSM) Is the legendary Sasquatch of the Pacific Northwest real? (The original didn't have that in it, did it?) And much more ... Erotic, amusing, at times bizarre, Fifty Shades of Plaid is a tale that will obsess you, possess you, and stay with you forever. (Actually, that might be a bit of a reach. We do think it's worth a belly laugh or two while you're reading it in the bathroom though.) This book is intended for mature audiences.

If you think a popular movie, song, or app came out of nowhere to become a word-of-mouth success in today's crowded media environment, you're missing the real story. Each blockbuster has a secret history—of power, influence, dark broadcasters, and passionate cults that turn some new products into cultural phenomena. Even the most brilliant ideas wither in obscurity if they fail to connect with the right network, and the consumers that matter most aren't the early adopters, but rather their friends, followers, and imitators -- the audience of your audience. In his groundbreaking investigation, Atlantic senior editor Derek Thompson uncovers the hidden psychology of why we like what we like and reveals the economics of cultural markets that invisibly shape our lives. Shattering the sentimental myths of hit-making that dominate pop culture and business, Thompson shows quality is insufficient for success, nobody has "good taste," and some of the most popular products in history were one bad break away from utter failure. It may be a new world, but there are some enduring truths to what audiences and consumers want. People love a familiar surprise: a product that is bold, yet sneakily recognizable. Every business, every artist, every person looking to promote themselves and their work wants to know what makes some works so successful while others disappear. *Hit Makers* is a magical mystery tour through the last century of pop culture blockbusters and the most valuable currency of the twenty-first century—people's attention. From the dawn of impressionist art to the future of Facebook, from small Etsy designers to the origin of Star Wars, Derek Thompson leaves no pet rock unturned to tell the fascinating story of how culture happens and why things become popular.
