

Fox Hunt A Lachlan Fox Thriller

Perhaps the most anticipated publication in American history, this is the full text, Volumes 1 and 2, of special counsel Robert Mueller's investigation. It is THE REPORT AND NOTHING BUT THE REPORT, in a beautifully typeset edition, with full searchability in ebook formats. It is, word for word, presented exactly as released by the Attorney General of the United States, with no positioning -- such as a celebrity introduction -- that would give it bias or impede its clarity. One of the most-talked-about investigations in American history, the subject of constant media discussion and speculation, non-stop and controversial attacks from the president, and the eager anticipation of a public wondering what the truth is, this long-awaited publication is an historic event. The Mueller Report continues Melville House's "tradition of publishing pivotal public documents."—The New York Times

What is the price of a human life? Lachlan Fox is about to pay it. Oil prices are rocketing. Terror attacks have destabilized the global economy. The White House believes the Nigerian oil fields are the key to safeguarding America's future, but someone else sees them as an opportunity to consolidate power. Travelling from New York to Nigeria, investigative journalist and ex-navy operative Lachlan Fox is hunting the story. He's seen action in Afghanistan, East Timor and Iraq, but this time it's personal. Wrestling with demons that push him right to the edge and leave him exposed like never before, will Fox uncover the truth in time? Or will his quest for revenge see him go too far?

An action thriller where the line between the good guys and the bad can be hard to see. It's 2005 and Jed Walker has just joined the CIA. As a ten-year veteran of Air Force Special Operations, Walker is used to being at the pointy end of things. But normally the front line is much further from home. Sent to New Orleans on the trail of Russians wanting to claim back what was stolen from them in Afghanistan, it doesn't take long for Walker to realise that in the murky world of espionage, the rules of war do not apply. Teaming up with a feisty M16 operative, to do what is right for the nation Walker must take steps that will betray The Agency. As Hurricane Katrina hits, to forever change a city, it's clear to Walker that that this is a high-stakes game where the winner takes all, and he must succeed. From Langley to Louisiana, Washington to Moscow, THE AGENCY moves like a tempest through a treacherous landscape of doublecrosses, false identities, and enemies old and new. Jed Walker is going to be pushed to the limit - of what he can do, what he can take, and what he knows is right. 'A terse, tense brand of hard-boiled action suspense . . . addictive.' THE AGE

Coming on the threshold of what promises to be the most acrimonious presidential election in American history, Diamond and Silk's book will be a rallying cry for tens of millions of Americans who are tired of being told what to think and whom to vote for. Diamond and Silk's story is one of overcoming poverty and shame and choosing victory over victimhood.

Theirs is a story that defies the left's narrative and that the mainstream media refuses to acknowledge, accept, and respect.

When knowledge is power, every bit of information can be a lethal weapon. September 11th changed everything. The US Patriot Act has given the UK/USA treaty countries free reign to use their echelon surveillance program to monitor every spoken or written word transmitted throughout the world. In the wrong hands it could bring down governments and threaten the safety of millions. Ex-navy operative and investigative journalist Lachlan Fox has information hinting at the true reach of echelon, and he is starting to suspect someone is ruthlessly trying to access its power. Can he uncover the answers before the course of history is altered forever?

If there is a person, there is a problem. If there is no person, there is no problem. Time to make these problems disappear... When investigative journalist Lachlan Fox blows open the story of the decade, simmering tensions between India and Pakistan hit boiling point. A continent's water – liquid gold – is at stake and one man thinks nothing of a potential all-out war when there is money to be made. Before helpless millions die, Fox is determined to expose the corrupt Umbra corporation, and the man behind it, to the world. With hefty prices on their heads, Fox and his trusted man-at-arms, Al Gammaldi, are pitted against time and a ruthless web of terrorist cells, rogue secret agents, and dirty money. Fox and Gammaldi are going to give as good as they get, but nothing can prepare them for the ferocity of this fight. Fox knows that the truth alone triumphs...and it's going to hurt.

"The White House is only starting to suspect the worst. While most of the world's Intel resources have been tied up in Afghanistan and Iraq, the President of Chechnya has been making plans - and the clock is ticking. A world away, off Christmas Island, ex-navy operative Lachlan Fox is on a diving trip with his best friend. From the moment they lift a mysterious metallic object off the sea floor, the two men set in motion a chain of events that will drag them into the corrupt world of international politics and arms races."--Publisher description.

'Jed Walker is right there in Reacher's rear-view mirror' - Lee Child, international bestselling author of the Jack Reacher series. When the hunters become the hunted, ex-CIA agent Jed Walker is the man you need. In 2011, Seal Team Six killed Osama Bin Laden. Now, four years later, someone is eliminating Team Six - one by one they are turning up dead. Jed Walker, ex-CIA, is an outsider back in the game. He's been chasing down a sinister group code-named Zodiac that the big guns - MI5, CIA, the Pentagon - have failed to eradicate. But as Walker follows the trail of bodies, uncovering secrets and making connections he's not supposed to make, he finds the answers are closer to home than he ever imagined. Revenge is the obvious motive, but nothing is ever that simple in love or in war. Can Walker find who's responsible before the body count grows higher? Can he stop another terror attack before more innocent bystanders

suffer? When the line between the good and the bad become blurred, when the hunters become the hunted, only one man can save us all. The Hunted is the second Jed Walker novel - a white-knuckled rollercoaster of action suspense. When the world faces a deadly threat from a lost weapon, Lachlan Fox, disillusioned ex-Navy operative, is forced back into action. Lachlan Fox has made a career out of being in the wrong place at the wrong time. As a shore assault specialist in an Australian Navy Clearance Diver Team, he came up against bad guys and even worse odds. Having been discharged from the Navy, Fox tries to enjoy the quiet life, but during a visit from his best friend Alister Gammaldi, Fox's life is thrown out of balance. On a diving trip off Christmas Island the pair recover an obviously military but unidentifiable pod from the sea floor of the Indian Ocean - setting in motion a chain of events that will drag them both into the corrupt world of international politics and arms races. From East Timor and Christmas Island to Grozny, Washington to New York, Venice to Iran, Lachlan Fox is forced back into action to save the world from a deadly threat.

In post-apocalyptic New York City, Jessie, Dave, Anna and Mini discover the lengths they will go to survive in a world where horrifying predators roam the streets, searching for human flesh. Original.

Ryder and his crew have a job. Capture a wild polar bear shifter and get a cool two million dollars that they desperately need to save the family ranch. But when a rival bounty hunter comes crashing into his life, he realizes the job is going to be anything but easy. Tempest is about to catch her first target as a bounty hunter, that is until a frustrating man named Ryder tries to steal him from her. During their argument, Ryder handcuffs his wrist to hers, and the bad guy gets away. Unfortunately for them both, Tempest does

According to the Convention on the Rights of the Child, the goal of a social justice approach for children is to ensure that children “are better served and protected by justice systems, including the security and social welfare sectors.” Despite this worthy goal, the UN documents how children are rarely viewed as stakeholders in justice rules of law; child justice issues are often dealt with separate from larger justice and security issues; and when justice issues for children are addressed, it is often through a siloed, rather than a comprehensive approach. This volume actively challenges the current youth social justice paradigm through terminology and new approaches that place children and young people front and center in the social justice conversation. Through international consideration, children and young people worldwide are incorporated into the social justice conversation.

A sinister group - code-named Zodiac - has launched devastating global attacks. Twelve targets across the world, twelve code-named missions. Operating distinct sleeper cells, they are the ultimate terrorist organisation, watching and waiting for a precise attack to activate the next group. It is a frightening and deadly efficient way to stay one step ahead. And cause the most chaos. For ex-CIA operative Jed Walker, chaos is his profession. On the outer, burned by his former agency, he is determined to clear his name. Stopping Zodiac is the only way. Desperate to catch the killers and find the mastermind, he can't afford to lose the next lead, but that means that sometimes the terrorists have to win. Ultimately, it all comes down to Walker: he's the only one who can break the chain and put the group to sleep . . . permanently. It's exactly eighty-one hours until deadline.

In one terrible moment, paramedic Sophie Phillips' life is torn apart - her police officer husband, Chris, is shot on their doorstep and their ten-month-old son, Lachlan, is stolen from his bed. The police suspect Chris is involved with a number of armed hold-ups and that the attack is revenge for his desire to distance himself from the robberies, but Sophie believes the attack is much more personal - and the perpetrator far more dangerous... While Chris is in hospital and the police, led by Detective Ella Marconi, are moving heaven and earth to find their colleague's child, Sophie's desperation to make amends compels her to search for Lachlan herself. She enlists her husband's partner, Angus Arendson, in her hunt for her son, but will the history they share prove harmful to Sophie's ability to complete her mission? And could one dangerous decision cause Sophie to ultimately lose everything important in her life?

won. Won in a landslide. This was a landslide.' President Donald J. Trump, 6 January 2021 Politics has given us some shocking and confounding moments but none have come close to the careening final days of Donald Trump's presidency: the surreal stage management of his re-election campaign, his audacious election challenge, the harrowing mayhem of the storming of the Capitol and the buffoonery of the second impeachment trial. But what was really going on in the inner sanctum of the White House during these calamitous events? What did the president and his dwindling cadre of loyalists actually believe? And what were they planning? Drawing on an exclusive and wide range of sources who took part in or witnessed Trump's closing moments, Michael Wolff finds the Oval Office more chaotic and bizarre than ever before, a kind of Star Wars bar scene. At all times of the day, Trump, hunched behind the Resolute desk, is surrounded by schemers and unqualified sycophants who spoon-feed him the 'alternative facts' he hungers to hear - about COVID-19, Black Lives Matter protests, and, most of all, his chance of winning re-election. In this extraordinary telling of a unique moment in history, Wolff gives us front row seats as Trump's circle of plotters whittles down to the most enabling and the least qualified - and the president overreaches the bounds of democracy, entertaining the idea of martial law and balking at calling off the insurrectionist mob that threatens the hallowed seat of democracy itself. Michael Wolff pulled back the curtain on the Trump presidency with his globally bestselling blockbuster *Fire and Fury*. Now, in *Landslide*, he closes the door on the presidency with a final, astonishingly candid tale.

Recommended by the New York Times Holiday Books Guide A quest to rediscover America's other border—the fascinating but little-known northern one. America's northern border is the world's longest international boundary, yet it remains obscure even to Americans. The northern border was America's primary border for centuries—much of the early history of the United States took place there—and to the tens of millions who live and work near the line, the region even has its own name: the northland. Travel writer Porter Fox spent three years exploring 4,000 miles of the border between Maine and Washington, traveling by canoe, freighter, car, and foot. In *Northland*, he blends a deeply reported and beautifully written story of the region's history with a riveting account of his travels. Setting out from the easternmost point in the mainland United States, Fox follows explorer Samuel de Champlain's adventures across the Northeast; recounts the rise and fall of the timber, iron, and rail industries; crosses the Great Lakes on a freighter; tracks America's fur traders through the Boundary Waters; and traces the forty-ninth parallel from Minnesota to the Pacific Ocean. Fox, who grew up the son of a boat-builder in Maine's northland, packs his narrative with colorful characters (Captain Meriwether Lewis, railroad tycoon James J. Hill, Chief Red Cloud of the Lakota Sioux) and extraordinary landscapes (Glacier National Park, the Northwest Angle, Washington's North Cascades). He weaves in his encounters with residents, border guards, Indian activists, and militia leaders to give a dynamic portrait of the northland today, wracked by climate change, water wars, oil booms, and border security.

If he's going to save lives, starting with his own, Lachlan Fox has very little time to kill. Investigative journalist and ex-navy operative, Lachlan Fox, is holidaying with friends in the French countryside, but when the extradition of an infamous criminal goes horribly wrong, and is somehow tied to the assassination of a Russian diplomat in Paris, Fox is forced back into action. Over one

relentless day, Fox travels from Paris to Shanghai to unravel a 100-year mystery. With a price on his head, navigating between the FBI, the CIA, and the French police, who can he trust? Racing against time, Fox is the one man who can stand in the way of a global catastrophe.

The instant New York Times bestseller that reveals the collusion between Fox News and Donald Trump—with explosive new reporting covering the election and the January 6 riot. As the nation recovers from the Trump presidency, many questions remain: Why was the COVID-19 pandemic so grossly mishandled? How did we get so politically polarized? What caused white nationalist groups to come out of the shadows, and are they here to stay? The answers lie the twisted story of the relationship between Donald Trump and Fox News. Through firsthand accounts from over 250 current and former Fox insiders, CNN anchor and chief media correspondent Brian Stelter unlocks the inner workings of Rupert Murdoch's multibillion-dollar media empire. The confessions are shocking: "We don't really believe all this stuff," a producer says. "We just tell other people to believe it." Stelter completes the story of the Trump years and looks toward the future of the network that made him. Hoax is a book for anyone who reads the news and wonders how we got here, and what happens next.

Cat thought the Hydra epidemic was over, but when new cases pop up, she must team up with an enemy to fix the vaccine before the virus spirals out of control in this thrilling sequel to This Mortal Coil, which New York Times bestselling author Amie Kaufman says "redefines 'unputdownable.'" The nightmare of the outbreak is finally over, but Cat's fight has only just begun. Exhausted, wounded, and reeling from revelations that have shaken her to her core, Cat is at a breaking point. Camped in the woods with Cole and Leoben, she's working day and night, desperate to find a way to stop Lachlan's plan to reprogram humanity. But she's failing—Cat can't even control her newly regrown panel, and try as she might to ignore them, she keeps seeing glitching visions from her past everywhere she turns. When news arrives that the Hydra virus might not be as dead as they'd thought, the group is pushed into an uneasy alliance with Cartaxus to hunt down Lachlan and fix the vaccine. Their search takes them to Entropia, a city of gene-hackers hidden deep in the desert that could also hold the answers about Cat's past that she's been searching for. But when confronted with lies and betrayals, Cat is forced to question everything she knows and everyone she trusts. And while Lachlan is always two steps ahead, the biggest threat to Cat may be the secrets buried in her own mind. New York Times bestseller Lisa Kleypas returns with an enthralling and steaming romance between a Scot with a mysterious past and strong-willed lady looking for adventure—and love. "The devil never tries to make people do the wrong thing by scaring them. He does it by tempting

them.” Lady Merritt Sterling, a strong-willed young widow who’s running her late husband’s shipping company, knows London society is dying to catch her in a scandal. So far, she’s been too smart to provide them with one. But then she meets Keir MacRae, a rough-and-rugged Scottish whisky distiller, and all her sensible plans vanish like smoke. They couldn’t be more different, but their attraction is powerful, raw and irresistible. From the moment Keir MacRae arrives in London, he has two goals. One: don’t fall in love with the dazzling Lady Merritt Sterling. Two: avoid being killed. So far, neither of those is going well. Keir doesn’t know why someone wants him dead until fate reveals the secret of his mysterious past. His world is thrown into upheaval, and the only one he trusts is Merritt. Their passion blazes with an intensity Merritt has never known before, making her long for the one thing she can’t have from Keir MacRae: forever. As danger draws closer, she’ll do whatever it takes to save the man she loves . . . even knowing he might be the devil in disguise.

The countdown has begun ... The world is under cyber attack. The secretive terror outfit of linked lone-wolf operatives, known as Zodiac, has activated another terrorist cell. Chaos will be unleashed at six-hour intervals, with each event more catastrophic than the last, culminating in a devastating global catastrophe within 48 hours. The options for the hackers are endless: bring down California's telecom system; remote detonate explosives at an army base in Virginia; cause Amtrak's signals to fail; collapse air traffic control in US airspace. Consequences are unthinkable. The US President has the power to enact the Internet Freedom Act - the 'Kill Switch'. Turning off the Net will stop the attacks, and give the CIA and the Pentagon time to track down those responsible. But it's not that simple. Fourteen people with the key to restart the Internet are missing. The US will plummet into pandemonium if electronic communications cease. The rest of the world will follow. Jed Walker, ex CIA-operative, has thwarted Zodiac twice before. But, this time, nothing will prepare him for what he uncovers. Walker has 48 hours, and the countdown has begun ...

Sam is the first of the last 13 Dreamers to be revealed. Caught in a covert battle to preserve life as we know it, he must follow the clues to find twelve more Dreamers. The last 13 Dreamers are always in danger. The group must avoid capture by trained Agents and unscrupulous treasure hunters, as well as thwart security officials as they gain access to museums, libraries, government facilities and archaeological sites, in order to locate the lost pieces of the artifact that will lead them to their ultimate destination. The last 13 must continue on their desperate mission against the odds and face the inevitable final battle. Will they be strong enough to fulfill the prophecy, or is the world doomed?

An eyewitness account of Donald Trump's clown car of lieutenants and lackeys who have polluted the corridors of power with their

unprecedented awfulness. Two of Washington's most meddlesome reporters take readers on a deep dive into the murky underworld of President Trump's Washington, dishing the hilarious and frightening dirt on the charlatans, conspiracy theorists, ideologues, and run-of-the-mill con artists who have infected the highest echelons of American political power. For the past three years, reporting from the White House, the Trump hotel, and other dens of intrigue and influence, Lachlan Markay and Asawin Suebsaeng have revealed the sordid shenanigans of a rogue's gallery of Trumpworld incompetents and improbable A-listers -- earning them angry denunciations (or at least some vexed side-eye) from Trumpists such as the actor Jon Voight and Trump's former campaign czar and renowned obfuscator Corey Lewandowski as well as requisite threats of physical violence and ruin. Sinking in the Swamp will similarly pull no punches. Everyone from assorted Trump family members to Stephen Miller, Sean Hannity, and Diamond & Silk to Trumpworld's even more obscure accomplices will be plumbed, prodded, and exposed for their roles in the most shambolic moment in modern American political history. When they go low, Swin and Lachlan are right there with them, recorders running and notebooks at the ready. Sinking in the Swamp is an uncompromising account of the financial and moral degradation of our capital, told with righteous indignation and through the lens of key power players and foot soldiers whose own antics have often escaped the notice of the overworked press corps. As the 2020 election approaches, this page-turning, letting-it-all-hang-out narrative shows how the nation got to this nadir, tracing the story back to years before Trump's improbable run for the White House and cataloguing the stomach-turning moments that followed.

Content analysis is one of the most important but complex research methodologies in the social sciences. An instant #1 New York Times bestseller. The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of A Very Stable Genius. "Chilling." – Anderson Cooper "Jaw-dropping." – John Berman "Shocking." – John Heilemann "Explosive." – Hallie Jackson "Blockbuster new reporting." – Nicolle Wallace "Bracing new revelations." – Brian Williams "Bombshell reporting." – David Muir The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who

foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

Kidnapped from school and finding out his parents aren't who he thinks they are, Sam is suddenly running from danger at every turn. Nothing will ever be the same again. With his life and identity shattered, Sam's salvation is tied to an ancient prophecy. He is in the final battle to save the world, up against an enemy plotting to destroy us all. He alone can find the last 13. 13 books. 13 nightmares. 1 destiny.
