"This is a gem of a book. It should be read by all who care about the role of the United States in the world." - Graham Wilson, University of Wisconsin-Madison  
This collection of Japanese fairy tales is the outcome of a suggestion made to me indirectly through a friend by Mr. Andrew Lang. They have been translated from the modern version written by Sadanami Sanjin. These stories are not literal translations, and though the Japanese story and all quaint Japanese expressions have been faithfully preserved, they have been told more with the view to interest young readers of the West than the technical student of folk-lore.... In telling these stories in English I have followed my fancy in adding such touches of local color or description as they seemed to need or as pleased me, and in one or two instances I have gathered in an incident from another version. At all times, among my friends, both young and old, English or American, I have always found eager listeners to the beautiful legends and fairy tales of Japan, and in telling them I have also found that they were still unknown to the vast majority...  
Soon to be a Netflix Original Series! Welcome back to Virgin River with the book

that started it all... Wanted: Midwife/nurse practitioner in Virgin River, population six hundred. Make a difference against a backdrop of towering California redwoods and crystal clear rivers. Rent-free cabin included. When the recently widowed Melinda Monroe sees this ad, she quickly decides that the remote mountain town of Virgin River might be the perfect place to escape her heartache, and to reenergize the nursing career she loves. But her high hopes are dashed within an hour of arriving—the cabin is a dump, the roads are treacherous and the local doctor wants nothing to do with her. Realizing she's made a huge mistake, Mel decides to leave town the following morning. But a tiny baby abandoned on a front porch changes her plans...and former marine Jack Sheridan cements them into place.

Return to Virgin River with the books that started it all... The recipe for happiness: making it up as you go along Rising sous-chef Kelly Matlock's sudden collapse at work is a wake-up call. Disillusioned and burned out, she's retreated to her sister Jillian's house in Virgin River to rest and reevaluate. Puttering in Jill's garden and cooking with her heirloom vegetables is wonderful, but Virgin River is a far cry from San Francisco. Kelly's starting to feel a little too unmotivated...until she meets Lief Holbrook. The handsome widower looks more like a lumberjack than a sophisticated screenwriter—a combination Kelly finds irresistible. But less appealing is Lief's rebellious stepdaughter, Courtney. She's the reason they moved from LA, but Courtney's finding plenty of trouble even in Virgin River. Kelly's never fallen for a guy with such serious baggage, but some things are worth fighting for. Besides, a bratty teenager can't be any worse than a histrionic chef...right? Look for *What We Find* by Robyn Carr, a powerful story of healing, new beginnings and one woman's journey to finding the happiness she's long been missing. Order your copy today!

\*Finalist for the Pulitzer Prize and the National Book Critics Circle Award\* \*A New York Times Notable Book\* \*Winner of the Texas Book Award and the Oklahoma Book Award\* This New York Times bestseller and stunning historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West "is nothing short of a revelation...will leave dust and blood on your jeans" (The New York Times Book Review). Empire of the Summer Moon spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable narratives ever to come out of the Old West: the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches lasted four decades, in effect holding up the development of the new American nation. Gwynne's exhilarating account delivers a sweeping narrative

that encompasses Spanish colonialism, the Civil War, the destruction of the buffalo herds, and the arrival of the railroads, and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne's account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told. *Empire of the Summer Moon* announces him as a major new writer of American history.

If he can't have the life he's always dreamed, with the Grove pack, at least he can stop waiting. Ridge Paterson returned from college with nothing to his name but an old truck, a one-eyed barn cat, and a heap of debt. Fortunately, he's also got hope--hope all that schooling's prepared him to turn the family farm around. But no sooner has he set foot back on Paterson land than his parents decide to sell it out from under him. Listless and lost, he lets Alexis slip through his fingers. Left with cut roots and a heap of desperation, the man he left behind tempts him to find a new place to call home. There's more on the line than student debts and insecurities for the young werewolves. The mysterious Condition is affecting Alexis's cousin, threatening her pregnancy and everything Alexis holds dear, and the man with the skills to solve it all might just be an alpha willing to follow his one-true love halfway across Virginia for a chance to put down roots of his own. Harvest Moon is a 90k word novel about one sad man of the land, his podcasting childhood sweetheart, and an illness that threatens all werewolfkind, in a non-mpreg ABO universe.

Love takes time, patience, and work. A true mate doesn't mean true love. From the time she was a little girl, Mary loved Jason. He was her knight in shining armor. Her first crush. Her first kiss. Her first everything, until he broke her heart and she vowed to hate him for a thousand lifetimes. Jason is the future Alpha of Westin Pack. When he returns home from college after years away, he finds her in a pup he had always been protective of and attracted to, despite their age differences. Now, Jason knows exactly what he wants and isn't afraid to go after it, but Mary carries years of resentment towards him and proves far more stubborn than expected. Can Jason find a path back to her heart and rekindle a flame he had fought to put out? If you've read Westin Pack, you may think you know how this story goes. "Life, it's a Beautiful Thing" is Laura Schaufel's technique of spreading the love of God. It is her method of expectantly accomplishing a desired aim. Touching lives spiritually is her intent and purpose, promoting faith, hope, and inspiration. Laura Schaufel is a witness to the power of prayer. She testifies to an extraordinary event manifesting divine intervention in human affairs that happened in 1990, in Folsom, California. This little book is an account of astonishing and noteworthy happenings of an ordinary woman who lives in the knowledge that God has a purpose, a destiny, and a plan for each of us. God has been showing her His plan all of her life through acts and actions that only now does she, to some extent, understand. As she stood in that cold mechanical hospital room listening to her son fight for just one more breath of air, she prayed to God to let him live. Please return him to me for whatever time I may have, here on earth, she asked. But the plans laid out in heaven for that day called for her son to return home to our Father. "Whereas you do not know what will happen tomorrow. For what is your life? It is even a vapor that appears for a little time and then vanishes away."

(James 4:14 NKJV) In the midst of death's storm is when your faith and the presence of the Lord are most needed to provide the strength to persevere. Look and listen to these true stories of God working in His way. Then see how you can reach the point in prayer where you are at ease with the world and can accept all of God's plans for you as your destiny unfolds.
