Glossy cover and 120 pages.

Before You Pledge: Essential Information You Should Know About the Divine Nine is an important read for all those considering joining a Black Greek Letter Organization or for anyone wanting to simply learn about the origin of this august body of black men and women. The dawn of the twentieth century brought many challenges to young African American students seeking enrollment at all-white college campuses. Intense racial prejudice forced many black students to leave predominantly white universities. And at the same time, on Historically Black College campuses, the desire for fellowship through shared social experiences led to the

rise of Black Greek life, starting with Cornell University in New York. Alpha Phi Alpha, the first black fraternity formed at a predominantly white university in 1906, would point the way for similar organizations to develop. Between 1906 and 1922, eight Black Greek Letter Organizations were formed, with a ninth in 1963. Known collectively as the “Divine Nine,” these five fraternities and four sororities would go on to shape the course of Black America. Together, these young black men and women would face down racial prejudice, take the lead in the fight for social justice, in the end, reshape the American cultural landscape. Finally, no other group of people can claim to have the sheer degree of accomplishments in all areas of human activity in the United States and in many other parts of the world compared to the Divine Nine.

Although Bertha Pitts Campbell devoted her life to many causes that improved the lives of people and strengthened her community, none meant more to her than Delta Sigma Theta Sorority, which she and twenty-one other women founded in 1913 while attending Howard University. Through memories of Founder Campbell's sorors and family, four sister-friends share the achievements of an extraordinary woman who always lived life to the fullest and exceeded her goals. As a visionary member of the sorority, Founder Campbell marched in the 1913 Suffrage Parade for women's voting rights, orchestrated the sorority's international public service efforts, and helped transform the history of women and people of color. Her journey through life makes clear the fact that she was a brilliant thinker,

passionate change agent, and empathetic leader who continuously strived for excellence. This biography tells the compelling history of the ideal Delta Girl who continues to inspire her sorors to live, live, live!

This history of the largest black women's organization in the United States is not only the story of Delta Sigma Theta Sorority (DST), but also tells of the increasing involvement of black women in the political, social, and economic affairs of America. Founded at a time when liberal arts education was widely seen as either futile, dangerous, or impractical for blacks, especially women, DST is, in Giddings's words, a "compelling reflection of black women's aspirations for themselves and for society." Giddings notes that unlike other organizations with racial goals, Delta Sigma Theta was created to change and benefit individuals rather than society. As a sorority, it was formed to bring women together as sisters, but at the same time to address the divisive, often class-related issues confronting black women in our society. There is, in Giddings's eyes, a tension between these goals that makes Delta Sigma Theta a fascinating microcosm of the struggles of black women and their organizations. DST members have included Mary McLeod Bethune, Mary Church Terrell, Margaret Murray Washington, Shirley Chisholm, Barbara Jordan, and, on the cultural side, Leontyne Price, Lena Horne, Ruby Dee, Judith Jamison, and Roberta Flack. *In Search of Sisterhood* is full of compelling, fascinating anecdotes told by the Deltas themselves, and illustrated with rare early photographs of the Delta women.

Do business schools actually make good on their promises of "innovative," "outside-the-box" thinking to train business leaders who will put society ahead of money-making? Do they help society by making better business leaders? No, they

Get Free How To Join Delta Sigma Theta Graduate Chapter

don't, Steven Conn asserts, and what's more they never have. In throwing down a gauntlet on the business of business schools, Conn's *Nothing Succeeds Like Failure* examines the frictions, conflicts, and contradictions at the heart of these enterprises and details the way business schools have failed to resolve them. Beginning with founding of the Wharton School in 1881, Conn measures these schools' aspirations against their actual accomplishments and tells the full and disappointing history of missed opportunities, unmet aspirations, and educational mistakes. Conn then poses a set of crucial questions about the role and function of American business schools. The results aren't pretty. Posing a set of crucial questions about the function of American business schools, *Nothing Succeeds Like Failure* is pugnacious and controversial. Deeply researched and fun to read, *Nothing Succeeds Like Failure* argues that the impressive façades of business school buildings resemble nothing so much as collegiate versions of Oz. Conn pulls back the curtain to reveal a story of failure to meet the expectations of the public, their missions, their graduates, and their own lofty aspirations of producing moral and ethical business leaders.

articles available from Wikipedia or other free sources online. Pages: 51. Chapters: Adrienne-Joi Johnson, Fortitude (King), List of Delta Sigma Theta chapters, List of Delta Sigma Theta sisters, Melissa Harris-Perry. Excerpt: Below is a list of Delta Sigma Theta members (commonly referred to as Deltas). Delta Sigma Theta Sorority, Incorporated () was founded on January 13, 1913, at Howard University. Delta Sigma Theta Sorority, Incorporated was first incorporated in Washington, D.C. on February 9, 1913. On January 20, 1930, the organization was incorporated as a perpetual body. The nomenclature of graduate chapters are named according to geographic location and "Alumnae" annexed to the service area's name. The poem "Delta Girl" was written by honorary member Mary McLeod Bethune. The poem embodies the ideals of a Delta Sigma Theta woman. Listed below are notable members of Delta Sigma Theta, and includes the Founders, Presidents, and members who excel in various fields including arts and entertainment, business, civil rights, education, health, law, politics, science, and sports. Alice Dunbar-Nelson Nikki Giovanni Crystle Stewart Natalie Cole Leontyne Price Nancy Wilson Philippa Duke Schuyler Soledad O'Brien Delta Sigma Theta Sorority, Inc. was founded on January 13, 1913 at Howard University, and began to expand its membership early on when it chartered Beta Chapter at Wilberforce University in 1914, and Gamma Chapter at the University of Pennsylvania in 1918. Delta Sigma Theta continues to Charter new chapters at both the Collegiate and Alumnae level. Delta Sigma Theta has more than 950 chapters located in the United States, England, Japan (Tokyo and Okinawa), Germany, the Virgin Islands, Bermuda, Jamaica, The Bahamas, and the Republic of Korea. Chapters of Delta Sigma Theta are organized into seven regions and further sub-divided by state. While initially Alumnae / Graduate Chapters were...
