IGCSE English second edition is designed for students following the University of Cambridge International Examinations 0500 First Language English syllabus. Simple guidelines, advice from experienced examiners and extensive use of examples taken from candidates' work make this a book that will genuinely help students raise their level of success and enjoyment in English. It includes a section entitled 'How writers achieve their effects', revised questions and

mark schemes, and an extended section on coursework. This practical approach, with straightforward explanations backed by clearly analysed examples make it invaluable for all students taking any first-level secondary English course. - Chapter 1 aims to improve and develop students' reading skills, to help them achieve the best possible grade in the Reading and Directed Writing paper. - Chapter 2 covers reading comprehension and other skills needed for the Directed Writing and Composition paper. - Chapter 3 aims to improve and develop students' writing skills, to help them achieve the best possible grade in the Directed Writing and Composition paper. - Chapter 4 helps students practise the specific skills needed for the writing aspects of the extended Directed Writing and Composition paper. - Chapter 5 looks at the particular skills needed when writing a summary - a task which features in both Component 1 and Component 2. - Chapter 6 advises on continuous writing and is divided into two sections: one on composition writing, for those taking Component 3, and one on coursework. - Chapter 7 outlines the requirements of the Speaking and Listening exam.

This book is designed for students who are pursuing oral presentation courses at institutions of higher learning. Spanning six units, this book covers the necessary communication skills and strategies for effective oral presentations. These fundamentals include understanding the principles of speech communication, understanding informative speeches and how they are outlined, acquiring and applying the principles of effective speeches, delivering effective speeches which use suitable visual aids and multimedia purposefully, as well as learning how to anticipate and handle questions and/or comments from an audience successfully. Besides acquiring the competency and fluency in delivering speeches, the book also aims to help students develop their confidence and flair as independent speakers. Detailed guidance is clearly and systematically outlined in the units to assist students from the preparatory stage of a speech to the final stage of delivery. Apart from emphasising the use of non-verbal communication skills in delivering the speech, the book also highlights the necessity of using visual aids and multimedia effectually to support speech presentation. Students are provided with ample and varied practices, as well as suggested answers, to help them reinforce their grasp and mastery of speech delivery. Additionally, they are also given independent learning activities and suggested video weblinks to further enhance their understanding of the skills learned.
