Viper has always been a bastard, a nightmare, death for hire. He's known for his swift kills, so he isn't surprised when he's offered seven figures for a new hit. It's supposed to be a quick find and eliminate. When his mark turns out to be an innocent twenty-year old with big blue eyes, he shouldn't care one way or another, but he does. Viper wants to keep her for himself.

The world is infected and humanity is reduced to creatures of vicious insanity. Doctor Thorn's rescue by a group of young survivors is just the beginning of their nightmarish journey to survive. In this apocalyptic landscape, humankind has one final hope that rests on the strength and determination of 10 young men and women.

When he is assigned to protect and deliver Bella MacDuff to the king's coronation, Lachlan "Viper" MacRuairi, a warrior who is only loyal to his purse, agrees to help the countess reclaim her daughter and her freedom--for a price.

A small town is haunted by a crime from 15 years ago. Not one suspect was ever brought to justice. But now, 15 years later, when likely suspects seem to be disappearing from tragic events, the town's down-and-out fire chief may know more than he's letting on. David, the alcoholic fire chief, has had too many things go wrong in his life and has nothing left to live for. Brian Grace lost his daughter 15 years ago and has looked for her ever since. His bodyguard, Jason, is a tough character that likes to control his surroundings and protect his employer. Kelly, the detective, is an attractive woman and finds herself getting more involved with the case than anyone could have predicted. And, there is Chad and his three friends; a tough and nasty group of old school mates that cause trouble wherever they turn up. What could possibly be happening in this small town, and is it even connected to a girl's disappearance 15 long years ago?

"The buzz...is real. I've read it and was blown away. It's a true nerve-shredder that keeps its mind-blowing secrets to the very end." —Stephen King  
Catriona Ward's *The Last House on Needless Street* is a shocking and immersive read perfect for fans of *Gone Girl* and *The Haunting of Hill House*. "The new face of literary dark fiction." —Sarah Pinborough, *New York Times* bestselling author of *Behind Her Eyes* An Indie Next Pick!  
In a boarded-up house on a dead-end street at the edge of the wild Washington woods lives a family of three. A teenage girl who isn't allowed outside, not after last time. A man who drinks alone in front of his TV, trying to ignore the gaps in his memory. And a house cat who loves napping and reading the Bible. An unspeakable secret binds them together, but when a new neighbor moves in next door, what is buried out among the birch trees may come back to haunt them all. "I loved you yesterday, I love you today, and I'll love you tomorrow whether you're here with me or waiting for me among the stars." Known to the Hell's Handlers Motorcycle Club as Mama V, Cassie is living a full life she could never have dreamed of growing up in a wealthy, loveless, and miserable household. With her family and beloved husband Viper at her back, she's survived loss, club rivalries, injuries, and illness. Now, she's coping with the challenge of a lifetime, one she can never defeat but must learn to accept and survive no matter how difficult. Faced with life-changing tragedy and decisions on how to move forward, Cassie can't help but reminisce on the events of the past that led her to her Hell's Handlers family, starting with the fateful day she met Viper. Had it not been for him, Cassie's life would have taken a drastically different and possibly deadly course.

"He had come for her. In the darkness, and pain, and confusion, Jon had come for her, a defiant shadow dancing with death-The Viper in the Night." Hanna Bradley's new neighbor turned out to be more than she expected. More than she could have dreamed of. And when her old nightmare came to life, Jon was there to stop it. She knows now that she wants him to be part of her life. But can she learn to be part of his? Jonantathinel of House Kanistelan Ehr, Commander of the Nine Winds, Subduer of Worlds, Legend of the Talessanin People, known across the intergalactic empire as The Viper, thought he could retire. He was wrong. Instead of the quiet descent into domestic obscurity he seeks, Jon finds himself hunted by an old enemy with a grudge, hounded by members of the imperial court wanting input on "the human question," and haunted by the mistakes of his past. Still, he is determined to break free of political entanglements, defy the disapproval of his family, and above all, to protect the woman he loves. But Dalathek is still out there. And there's no such thing as safe.

Determined to find his brother's killer, Loker James kept his identity as President of The Last Riders a secret from Winter, the woman he has been dating. When the truth comes out, he is set on making her see the real man who can control not only a group of dangerous bikers, but a woman whose life is a rulebook as well.

"The family elements in the story - the real struggles with marriage, raising a family, making a living, and just trying to enjoy life - have broadened the book's appeal to a wider audience, primarily women who are not into technology." DARK END OF SPECTRUM will make you think twice before turning on your cell phone or PDA! DARK END OF THE SPECTRUM is a frighteningly plausible and headline ripping tale of the real threats that loom in cyberspace and beyond with a Michael Crichton realism. Based on the author's years of research into the hacker culture. DARK END OF THE SPECTRUM is a thriller that will connect with everyone with a cell phone, PDA or wireless device. When a group of digital terrorists known as ICER take over the US power grid and the cell phone network, they give the government an

ultimatum - bomb the borders of Afghanistan and Pakistan with nuclear weapons to put an end to Al-Quada or they will start downing commercial airliners. When the government refuses, ICER destroys most of the downed aircraft in airports all over the country. When ICER sends a pulse that will kill millions on the East Coast, only security expert Dan Riker can stop them, but ICER has kidnapped Dan's family. Will Dan save his family or will millions die?

The author of "The Whispers" presents readers with this first novel in a new series of thrilling, original time-travel adventures based on the hit film starring Jean-Claude Van Damme. The year is 2007, and the Time Enforcement Commission's (TEC) every move is being scrutinized by someone in another timefield, someone who's messing with the future by planting time bombs in the past. It's TEC's top cop Jack Logan's job to identify the enemy and stop them.

"A farmer and entrepreneur, Chase is a man of many abilities. Now he is being asked to use those abilities, and his own particular skills with a sword and bow, to assist an alien planet. This means trading a valuable resource that the planet harbours to convince the Inter-galactic Federation to repair its failing sun" -- Back cover.

Can a woman who only knows how to play it safe give her heart to a man who lives hard and loves harder? Can she survive The Viper?

Hollywood was built on beautiful and complicated matinee idols: James Dean and Marlon Brando are classic examples, but in the 1990s, the actor who embodied that archetype was River Phoenix. As the brightly colored 1980s wound down, a new crew of leading men began to appear on movie screens. Hailed for their acting prowess and admired for choosing meaty roles, actors such as Johnny Depp, Nicolas Cage, Keanu Reeves, and Brad Pitt were soon rocketing toward stardom while an unknown Leonardo DiCaprio prepared to make his acting debut. River Phoenix, however, stood in front of the pack. Blessed with natural talent and fueled by integrity, Phoenix was admired by his peers and

adored by his fans. More than just a pinup on teenage girls' walls, Phoenix was also a fervent defender of the environment and a vocal proponent of a vegan lifestyle—well on his way to becoming a symbol of his generation. At age eighteen, he received his first Oscar nomination. But behind his beautiful public face, there was a young man who had been raised in a cult by nonconformist parents, who was burdened with supporting his family from a young age, and who eventually succumbed to addiction, escaping into a maelstrom of drink and drugs. And then he was gone. After a dozen films, including *Stand by Me* and *My Own Private Idaho*, and with a seemingly limitless future, River Phoenix died of a drug overdose. He was twenty-three years old. In *Last Night at the Viper Room*, bestselling author and journalist Gavin Edwards toggles between the tragic events at the Viper Room in West Hollywood on Halloween 1993 and the story of an extraordinary life. *Last Night at the Viper Room* is part biography, part cultural history of the 1990s, and part celebration of River Phoenix, a Hollywood icon gone too soon. Full of interviews from his fellow actors, directors, friends, and family, *Last Night at the Viper Room* shows the role he played in creating the place of the actor in our modern culture and the impact his work still makes today.

A pop culture celebration of Fred Rogers and the enduring legacy of his beloved, award-winning PBS show *Mister Rogers' Neighborhood* that offers essential wisdom to help us in our troubled times. *Won't you be my neighbor?* For more than thirty years, Fred Rogers was a beloved fixture in American homes. Warm and welcoming, he spoke directly to children—and their parents—about the marvels of the world, the things that worried them, and above all, the importance of being themselves. Dressed in his cardigan and sneakers, Fred Rogers offered a wholesome message of generosity and love that changed the landscape of television and shaped a generation of children. *Kindness and Wonder* pays tribute to this cultural icon: the unique, gentle man who embodied the best of what we could be. Looking back at the history of the show and the creative visionary behind it, pop culture aficionado Gavin Edwards reminds us of the indelible lessons and insights that Mister Rogers conveyed—what it means to be a good person, to be open-hearted, to be thoughtful, to be curious, to be compassionate—and why they matter. Beautifully crafted, infused with Mister Rogers' gentle spirit, and featuring dozens of interviews with people whose lives were touched by Fred Rogers—ranging from Rita Moreno to NFL Hall of Famer Lynn Swann—*Kindness and Wonder* is a love letter to this unforgettable cultural hero and role model, and the beautiful neighborhood he created.

In this easy-to-read retelling of an old campfire tale, young readers will find a suspenseful story with a silly twist ending. Full-color illustrations. An assassin with a fear of blood. A mouthy street girl. They can't seriously be the city's only hope?

During Operation Desert Storm, Captain Keith Rosenkranz piloted his F-16 "Viper" in 30 combat missions. Here he recounts these experiences in searing, "you-are-there" detail, giving readers one of the most riveting depictions ever written of man and machine at war. It's not easy being the bad guy. Yeah, that's a lie. It's pretty damn simple. You act and you own it. You sell your soul to protect those you love and screw the rest. It's the restraint that's hard. The demons that poke at your trigger, burn in your gut—just waiting for a second of freedom to unleash the fire in your soul. Call me a villain. Call me whatever helps you sleep at night and feel good about the black and white of love. But watch your back because I don't care. Until I do. And then I implode. Note: *VIPER* directly follows the action in *Tracing Holland (NSB #2)*, but can also be read as a standalone. This novel is a work of fiction and intended for mature readers. Events and persons depicted are of a fictional nature and use language, make choices, and face situations inappropriate for younger readers.

Nobody likes a smart aleck! Beryl and Nigel get together again six years after their college graduation and resume their word-slinging ways. One is a country pastor and the other is president of a small Christian college. Beryl is suffering the boredom of not having enough to do in his small village church. Nigel is challenged by colorful faculty members with questionable doctrinal positions, a micromanaging board, and a property developer who wants to buy the campus out from under the school. Beryl is persuaded to take classes in Nigel's seminary as a way to isolate some of the problems. They also enlist Beryl's father Daryl, a wealthy real estate developer and businessman, to track down some of the irregularities in the management of the school. Beryl's life is complicated by the need to manage both his class work and his pastorate. After being smitten by Nigel's blonde secretary, the resulting tumultuous relationship distracts everyone. Even after Daryl, Nigel and Beryl remove the board chairman, the tension rapidly builds to a series of events which threaten the lives of the three main characters.

Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny's struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father.

Celebrity Rehab star and Thelonious Monster frontman Bob Forrest's memoir about his drug-fueled life in the L.A. indie rock scene of the '80s and '90s and his life-changing decision to become a drug counselor who specializes in reaching the unreachable. Life has been one strange trip for Bob Forrest. He started out as a suburban teenage drunkard from the Southern California suburbs and went on to become a member of a hip Hollywood crowd that included the Red Hot Chili Peppers, Johnny Depp, and River Phoenix. Los Angeles was their playground, and they hung out in such infamous haunts as the Viper Room and the Whisky a Go Go. Always one to push things to their limit, Bob partied the hardest and could usually be found at the center of the drama. Drugs weren't Bob's only passion. He was also a talented musician who commanded the stage as the wild and unpredictable lead singer of Thelonious Monster. They traveled the world, and their future seemed bright and wide open. But Bob's demons grew stronger as he achieved more success and he sank deeper into his chemical dependency, which included alcohol, crack, and heroin habits. No matter how many times he went to rehab, sobriety just wouldn't stick for him. Soon he saw his once-promising music career slip away entirely. Eventually Bob found a way to defeat his addiction, and once he did, he saw the opportunity to help other hopeless cases by becoming a certified drug counselor. He's helped addicts from all walks of life, often employing methods that are very much at odds with the traditional rehab approach. *Running with Monsters* is an electrifying chronicle of the LA rock scene of the 1980s and '90s, the story of a man who survived and triumphed over his demons, and a controversial perspective on the rehab industry and what it really takes to beat addiction. Bob tells his story with unflinching honesty and hard-won perspective, making this a reading experience that shocks, entertains, and ultimately inspires.

Botis, demon lord and ruler of sixty legions is having a rough day. Lucifer set him on a quest to find the potion given to Gilgamesh thousands of years before, which should be easy enough. But being told a visit to the Angel Raziel was a necessary part of the mission wasn't so easy

to understand. Everyone knew that demons and angels didn't mix, and angels were strictly off limits for his kind. Which was a shame because the moment Botis set eyes on the sexy Raziel his imagination ran into overdrive. Raziel has a cruisy life. As the Angel of Secrets there aren't many who darken his door with requests for finding strange artifacts any more, but he's content. He has his shop, his taxi and his good friends, Anael and Uriel. Having Lucifer in his cab was the first sign things were about to change, but when Botis walks into his shop, Raziel starts to seriously reconsider his angelic abilities. No demon should be able to tempt him, so why was he affected by Botis's sheer presence? Soon enough, Raziel and Botis learn their meeting was no accident. With forces at work beyond their control, they have to learn to rely on each other if they are going to beat the odds stacked against them. But how is that possible when Raziel's untouchable, and Botis doesn't have a heart?

She can't forgive him...Georgie Davis is a work of art. An exquisitely rendered portrait of the modern heiress, she's as much an asset to the Davis brand as anything in the family gallery. People don't touch masterpieces, of course, but that's fine by her. She's cried enough for one lifetime. Her engagement wasn't supposed to be a grand romance but then Peter Zinc came along and made her feel things. Messy things. Confusing things. Things that should've disappeared the moment he betrayed the family she adores. But they didn't, and neither did he. He's still right there down the road, making farming look hot, damn him. He can't forget her...Poverty is nothing new to Peter Zinc. But sharing that poverty with a few dozen sheep and an insubordinate dog? That's a fresh wrinkle. That's what you get when you cross Georgie Davis, though -- a thorough, systematic and well-earned destruction. So why does he want her back so badly? Because she's not the vapid trust-fund beauty he almost married. There's a whip-smart woman hiding inside that pretty shell who intrigues the hell out of him. And he means to have her. Can two wary hearts learn to love...Then a long-buried scandal rolls back into Devil's Kettle, ripping apart old lies and threatening to reveal dangerous truths. It's the kind of upheaval that could destroy Peter's fragile fresh start and force Georgie to start feeling all the messy, confusing things she's been avoiding. But with her family's safety at stake, she'll have to trust the most dangerous man she knows. He'll have to become somebody better than the man he's always been. Somebody who'll protect the woman he loves...or die trying....before it's too late?

Casper Quinn has a secret. Brant Mitchell has two. Hickory Ditch, Arkansas – July 2012 Popular fried chicken chain Wings of Glory is under attack from homosexual activists, and Harvest Mission Pentecostal Church is ready to fight back. Caught in the crossfire of a culture war in which they never enlisted, Casper and Brant will each have to find his own answer to the age-old question: Am I really what I eat? Because if they could find the courage to tell each other their truths, they might discover there really is life after the Ditch. CHICKEN is a Southern Gothic YA novel with an infusion of magical realism. It's a raw, honest, sometimes funny, sometimes poignant look at falling in love in a place where angels and demons are believed in without question, but the human heart is always subject to suspicion.

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

At the dawn of the 1990s, a new crew of leading men—Johnny Depp, Nicolas Cage, Keanu Reeves, and Brad Pitt—was rocketing toward stardom. River Phoenix, however, stood in front of the pack. But behind Phoenix's talent and beautiful public face was a young man who had been raised in a cult by nonconformist parents, who was burdened with supporting his family from a young age, and who eventually succumbed to addiction, dying of an overdose in front of the Viper Room, West Hollywood's storied club, at twenty-three. The world ended and with it so did the rules. I was stolen from my family and raised in the Wastelands to the North. I did what I had to ensure my survival. I became The Champion, with my history carved into my skin for all to see. Now I spend my days drinking and hiding from my past until four newcomers offer me a job I can't refuse. When my past and future mix I must once again rise and fight. This time it's not for my freedom, it's for my happiness. Contains mature themes.

"Using an alchemy all of her own, Eyre's postmodern take on the 17th century renders it dazzlingly fresh and contemporary."  
—Guardian (UK) Venetia Stanley was the great beauty of her day, so dazzling she inspired Ben Jonson to poetry and Van Dyck to

painting. But now she is married, the adoration to which she has become accustomed has curdled to scrutiny, and she fears her powers are waning. Her devoted husband, Sir Kenelm Digby—explorer, diplomat, philosopher, alchemist—refuses to prepare a beauty tonic for her, insisting on her continued perfection. Venetia, growing desperate, secretly engages an apothecary to sell her “viper wine”—a strange potion said to bolster the blood and invigorate the skin. The results are instant, glorious, and addictive, and soon the ladies of the court of Charles I are looking unnaturally youthful. But there is a terrible price to be paid, as science clashes with magic, puritans rebel against the decadent monarchy, and England slides into civil war. Based on real events and written with anachronistic verve, *Viper Wine* is an intoxicating brew of love, longing and vanity, where the 17th and 21st centuries mix and mingle in the most enchanting and mind-bending ways.

A collection of poems exploring the theme of death, the inevitable storm that comes to the soul

Travis Maurice Walker or otherwise known as Travis Grizzly is an American ex-Green Beret sniper who fought in the Afghanistan war. The six-foot-five, three-hundred-pound soldier was trained exceptionally well in hand-to-hand combat. In all his years he has never experienced defeat, even in the most extreme circumstances. In short, Travis Walker was born to be the perfect soldier-the perfect killing machine. On his final tour to Afghanistan, a week before coming home, Travis was struck in the head by an enemy's sniper bullet; it left him clinging to life. By miracle he survived, but would never be the same. Afterwards he moved to Lake City, Colorado along with his beautiful wife to not only continue the healing process, but to start a new life. With less than four hundred living souls in this historically rich city, it made for a perfect secluded area to keep a man that was programmed to kill safely within his isolated cage. No one knew they had a walking time bomb living next door until the day the cage was left open. A record-breaking winter storm takes the city hostage, isolating the residents from the rest of the world in a blizzard-like prison. A perfect mixture of adultery, mistrust, and murder will unleash a terrible evil upon the city, hell-bent on wiping out an entire family, along with anyone who dares get in the way. But another force, a seemingly darker one, will simply be-hell-bent.
