Adrenaline Junkie is more than a renowned, multi-award-winning author entertaining with his life history. Les Edgerton understands that backstory matters. It influences the present. So he journeyed through his past seeking answers for why he was the way he was. Seeking answers for his thrill-seeking, devil-may-care, often self-destructive, behaviors. Seeking a sense of personal peace. Why was he compelled to be the best he could be in all his endeavors—legal or otherwise. What drove him to excel, then flee success, only to strive for supremacy in another field? Adrenaline Junkie holds the answers. With nothing held back. With his life-saving humor, an indomitable spirit, and a fierce courage to expose the ugly and painful. Like the tough, raw, vulnerable characters Les writes about in his short stories and novels, he exposes us to a man fighting against family, society, and his own sense of injustice. Fighting for a moment—regardless of how fleeting—to feel in control of his life. And, as uncomfortable at times as Les's life adventure may be for us to witness, we come away grateful he took us with him. So settle back. Meet a real-life, twenty-first-century Renaissance man. A real-life adrenaline junkie. Praise for ADRENALINE JUNKIE: "Adrenaline Junkie is a raw and harrowing memoir that brilliantly combines great sensitivity with brutal honesty. Les Edgerton is never afraid to reveal his vulnerability—and culpability—as he takes us on a head-spinning ride through the bizarre and terrifying experiences in a life that was often defined by violence. The result is a breathtaking page-turner that will keep readers hooked from page one and will never let them go." —Lisa Lieberman Doctor, former Warner Bros. prodco president, president of Robin Williams prodco, Blue Wolf Productions "Filled with stories of knifings, armed robberies, brutal prison fights, and Charles Manson (yes, that Charles Manson!), Edgerton proves that life can be stranger (and certainly more violent) than fiction. But Edgerton isn't just a guy with a tough story to tell. He's a poet who startles you with sentences both stark and darkly beautiful. An astonishing accomplishment." —Jon Bassoff, author of Corrosion "Adrenaline Junkie is the compelling, beautifully written story of an extraordinary man who has lived on both sides of the tracks. Les Edgerton achieves a sort of sainthood among sinners, an apotheosis of rebellion and force, much like Harcamone at Fontevault, or a hero in a Johnny Cash song, a huge, Promethean work of major significance and scale." —Richard Godwin, critically acclaimed author "Edgerton's prose hits with the force of a hammer—as does his recollection of an America, both deeply flawed and wonderful, that is now more important than ever to keep in our sights. Adrenaline Junkie makes sense of one man's life while showing us all new aspects of our own." —Jenny Milchman, USA Today bestselling and Mary Higgins Clark Award-winning author of Cover of Snow and Wicked River "No one can accuse Les of being a 'crime tourist'. He's lived the life, done the bird, and now he's written the book. Adrenaline Junkie should be on any prospective (or established) crime writer's list. An entertaining, darkly-rendered tale of one man's adventures in the very belly of the beast." —Tony Black, author of Her Cold Eyes "Sometimes shocking, often poignant, occasionally distasteful, frequently funny, and always brutally honest, Adrenaline Junkie tells the story of one man's harrowing yet ultimately successful quest for redemption. Written with razor-sharp clarity, Edgerton's memoir is a triumph." —Robert Rotstein, author of We, the Jury

How wealthy American women--as consumers and as influencers--helped shape French couture of the late nineteenth century; lavishly illustrated. French fashion of the late nineteenth century is known for its allure, its ineffable chic--think of John Singer Sargent's Madame X and her scandalously slipping strap. For Parisian couturiers and their American customers, it was also serious business. In Dressing Up, Elizabeth Block examines the couturiers' influential clientele--wealthy American women who bolstered the French fashion industry with a steady stream of orders from the United States. Countering the usual narrative of the designer as solo creative genius, Block shows that these women--as high-volume customers and as pre-Internet influencers--were active participants in the era's transnational fashion system. Block describes the arrival of nouveau riche Americans on the French

fashion scene, joining European royalty, French socialites, and famous actresses on the client rosters of the best fashion houses--Charles Frederick Worth, Doucet, and Félix, among others. She considers the mutual dependence of couture and coiffure; the participation of couturiers in international expositions (with mixed financial results); the distinctive shopping practices of American women, which ranged from extensive transatlantic travel to quick trips downtown to the department store; the performance of conspicuous consumption at balls and soirées; the impact of American tariffs on the French fashion industry; and the emergence of smuggling, theft, and illicit copying of French fashions in the American market as the middle class emulated the preferences of the rich. Lavishly illustrated, with vibrant images of dresses, portraits, and fashion plates, *Dressing Up* reveals the power of American women in French couture. Winner of the Aileen Ribeiro Grant of the Association of Dress Historians; an Association for Art History grant; and a Pasold Research Fund grant.
