MODERN BUSINESS STATISTICS, 5E allows students to gain a strong conceptual understanding of statistics with a balance of real-world applications and a focus on the integrated strengths of Microsoft Excel 2013. To ensure student understanding, this best-selling, comprehensive text carefully discusses and clearly develops each statistical technique in a solid application setting. Microsoft Excel 2013 instruction, which is integrated in each chapter, plays an integral part in strengthening this edition's applications orientation. Immediately after each easy-to-follow presentation of a statistical procedure, a subsection discusses how to use Excel to perform the procedure. This integrated approach emphasizes the applications of Excel while focusing on the statistical methodology. Step-by-step instructions and screen captures further clarify student learning. A wealth of timely business examples, proven methods, and additional exercises throughout this edition demonstrate how statistical results provide insights into business decisions and present solutions to contemporary business problems. High-quality problems noted for their unwavering accuracy and the authors' signature problem-scenario approach clearly show how to apply statistical methods to practical business situations. New case problems and self-tests allow students to challenge their personal understanding. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The overall success of an organization is dependent on how marketing is able to inform strategy and maintain an operational focus on market needs. With an array of examples and case studies from around the world, Lancaster and Massingham offer an alternative to the traditional American focused teaching materials currently available. Topics covered include: consumer and organizational buyer behaviour product and innovation strategies direct marketing e-marketing Designed and written for undergraduate, MBA and masters students in marketing management classes, The Essentials of Marketing Management builds on successful earlier editions to provide a solid foundation to understanding this core topic. An extensive companion website, featuring a vast and rich array of supporting materials, including extended cases and multiple choice questions is available at:

Packed with current research and examples, bestselling COMMUNICATION

BETWEEN CULTURES, 9E equips readers with a deep understanding and appreciation of different cultures while helping them develop practical communication skills. Part I introduces the study of communication and culture; Part II focuses on the ability of culture to shape and modify our view of reality; Part III puts the theory of intercultural communication into practice; and Part IV converts knowledge into action. This is the only text to consistently emphasize religion and history as key variables in intercultural communication. Compelling examples help readers examine their own assumptions, perceptions, and cultural biases--so they can understand the subtle and profound ways culture affects communication. The ninth edition offers expanded discussions of the impact of globalization, a new chapter on intercultural communication competence, and more coverage of new technology. "Not a morning person? Not a problem! I want you to wake up on your terms and no one else's." Morning routines. We hear about them all the time. We see them on social media feeds and in online videos. We read about them in memoirs and self-improvement books. So, what's the big deal? What's so important about what we do every morning? In *Good Morning, Good Life*, Amy Schmittauer Landino- the world's #1 productive lifestyle coach-reveals the truth about mornings and how to create daily rituals that are truly right for you. Discover how to: decide on a 'why' that will make you want to jump out of bed everyday, defy the morning missteps that keep you from starting the day on the right foot, rise for a new day well-rested and prepared for what the day has in store for you, shine each morning doing what makes you feel like your best version of you (rather than what the rest of the world says to do), and thrive throughout your journey with some bonus productive lifestyle tips for the rest of your day! Landino is best known for her work as the award-winning host of AmyTV on YouTube, and as the host of the self-improvement podcast Detail Therapy. Her practical and uplifting coaching approach carries over in *Good Morning, Good Life* with a lot of customizable tips (and even more personality!) This is a can't-miss read for anyone who is ready to go after the life they want!

"Marketing: The Encyclopedic Dictionary offers an incomparable reference source in the subject of marketing. The emphasis is on practical understanding of the topics, so that they may be easily understood by managers in general, but the theory is also examined in sufficient depth to justify the book's position as the most authoritative marketing reference book available."--Jacket.

Structured around the idea that innovation is at the core of successful entrepreneurship, New Venture Creation: An Innovator's Guide to Startups and Corporate Ventures, Second Edition by Marc H. Meyer and Frederick G. Crane is an insightful, applied-methods guide that establishes innovation as a necessary first step before writing a business plan or developing a financial model. With a focus on pragmatic methods, this guide helps students develop the innovative concepts and business plans they need to raise start-up capital.

Created through a "student-tested, faculty-approved" review process with feedback from students and faculty, MKTG 2010, Student Edition, is an engaging and accessible solution to accommodate the diverse lifestyles of today's learners.

Offering concise coverage of essential job-hunting and career strategies, this flexible, how-to book can supplement any business course or serve as the foundation of a career development class. The Fourth Edition features increased technology coverage and strategies for long-term career success. Exercises develop students skills in goal setting, interviewing, assessing values, and writing both resumes and cover letters.

This commemorative volume honors the contributions of Prof. Joseph F. Hair, Jr., who through his writings, leadership and mentoring has had a profound influence on marketing and other fields of business research. He is widely known for sidestepping mathematically complex ways of teaching statistical approaches with an eye toward making the tools accessible to the average behavioral researcher. Joe is also a bona fide researcher whose work has had a massive impact on marketing and business research in general. The book provides revealing insights on his works and acknowledges his role as an outstanding teacher and mentor who has shaped generations of researchers.

suits their learning preferences. This option is perfect for those students who focus on the textbook as their main course resource. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward. Help your students achieve marketing success by delivering the best up-to-the-minute coverage of key marketing topics available in this complete, yet brief, latest edition of *MARKETING ESSENTIALS, 7e, International Edition* by award-winning instructors and leading authors McDaniel/Lamb/Hair. *MARKETING ESSENTIALS, 7E, International Edition* uses a fresh, streamlined design to focus on captivating examples and innovative applications that ensure students not only understand marketing concepts, but also know how to effectively apply them to real-world practice. Marketing Research provides comprehensive information on both the quantitative methods used in marketing research and the many considerations a manager faces when interpreting and using market research findings. Marketing research

hot topics are featured, including competitive intelligence, published secondary data and the Internet, and marketing research suppliers and users. Each chapter helps you explore ethical dilemmas related to the topics discussed, the uses and needs for marketing research across business functions, and how to use the Internet to gather marketing research data in an efficient, cost-effective manner. By focusing on the managerial aspects of marketing research, this book provides you with both the tools to conduct marketing research, as well as those to interpret the results and use them effectively as a manager.

"A textbook for first-year Introduction to Marketing courses that is comprehensive and engaging in a magazine-style layout and design with an efficient presentation of concepts, including marketing metrics, research, strategy, channels, segmentation, as well as advertising, and social media."--

MARKETING STRATEGY, 6e, International Edition edition emphasizes teaching students to think and act like marketers. It presents strategy from a perspective that guides strategic marketing management in the social, economic, and technological arenas in which businesses function today--helping students develop a customer-oriented market strategy and market plan. Its practical approach to analyzing, planning, and implementing marketing strategies is based on the creative process involved in applying marketing concepts to the development and implementation of marketing strategy. An emphasis on critical thinking enables students to understand the essence of how marketing decisions fit together to create a coherent strategy. Well-grounded in developing and executing a marketing plan, the text offers a complete planning framework, thorough marketing plan worksheets, and a comprehensive marketing plan example for students to follow.

Focus on the financial concepts, skills, and technological applications that are critical for you in today's workplace with Ehrhardt/Brigham's CORPORATE FINANCE: A FOCUSED APPROACH 6E. With its relevant and engaging presentation and numerous examples, you will learn the latest financial developments as you also learn how to maximize a firm's value in today's changing business environment. You will master the features and functions of spreadsheets by using chapter Excel Tool Kits, Build a Model problems, and Mini Cases that encourage "what-if" analysis on a real-time basis.
