

## Mudahnya Menjemput Rezeki By Fathuri Salehuddin

"Dulu, dia seorang model dan pemilik agensi modeling. Sangkanya, bahagia ada dalam kecantikan dan kemewahan yang dimiliki. Namun entah mengapa, hatinya tak pernah tenang. Ada saja yang tidak kena. Satu demi satu ujian datang sehingga nafasnya hilang. Dan Allah membuka 'nyawa' kedua kepadanya bersama hidayah yang selama ini dicari. Kali ini dia nekad, tak akan sekali-kali berpaling daripada hijrahnya, walau apa jua cabaran yang ditempuh." \*\*\* \*\* Kisah BENAR ini adalah nukilan pengalaman dan inspirasi Puan Felinna Nadea Ed Fattah pemilik rangkaian perniagaan Felinna Boutiqe.

Islamic jurisprudence is a much misunderstood system. The misunderstanding is due to lack of information and to centuries of prejudice. This book seeks to present information, not at present available in a single work, on the pioneering efforts of Islamic jurists to develop a comprehensive body of human rights, principles and practice, as well as a corpus of international law principles. The attempt to develop such international law principles long anticipated any similar work in other legal or cultural systems. Human rights doctrine based upon the Qu'ran and the Sunna of the Prophet was expressed in terms which will strike the reader as surprisingly modern. In international law, Islamic treatises anticipated the work of Grotius by eight centuries. It is hoped that this systematic exposition, not attempted before in such detail, will help considerably in reducing misunderstanding and the resulting tensions, as well as being of considerable value to the Islamic world. The work will be of interest not only to lawyers, but also to philosophers, historians, sociologists, political scientists and students of international affairs.

The only end-to-end guide to securing Apache Web servers and Web applications Apache can be hacked. As companies have improved perimeter security, hackers have increasingly focused on attacking Apache Web servers and Web applications. Firewalls and SSL won't protect you: you must systematically harden your Web application environment. Preventing Web Attacks with Apache brings together all the information you'll need to do that: step-by-step guidance, hands-on examples, and tested configuration files. Building on his groundbreaking SANS presentations on Apache security, Ryan C. Barnett reveals why your Web servers represent such a compelling target, how significant exploits are performed, and how they can be defended against. Exploits discussed include: buffer overflows, denial of service, attacks on vulnerable scripts and programs, credential sniffing and spoofing, client parameter manipulation, brute force attacks, web defacements, and more. Barnett introduces the Center for Internet Security Apache Benchmarks, a set of best-practice Apache security configuration actions and settings he helped to create. He addresses issues related to IT processes and your underlying OS; Apache downloading, installation, and configuration; application hardening; monitoring, and more. He also presents a chapter-length case study using actual Web attack logs and data captured "in the wild." For every sysadmin, Web professional, and security specialist responsible for Apache or Web application security.

A guide to the study of how and why you really make financial decisions While classical economics is based on the notion that people act with rational self-interest, many key money decisions—like splurging on an expensive watch—can seem far from rational. The field of behavioral economics sheds light on the many subtle and not-so-subtle factors that contribute to our financial and purchasing choices. And in Behavioral Economics For Dummies, readers will learn how social and psychological factors, such as instinctual behavior patterns, social pressure, and mental framing, can dramatically affect our day-to-day decision-making and financial choices. Based on psychology and rooted in real-world

examples, Behavioral Economics For Dummies offers the sort of insights designed to help investors avoid impulsive mistakes, companies understand the mechanisms behind individual choices, and governments and nonprofits make public decisions. A friendly introduction to the study of how and why people really make financial decisions The author is a professor of behavioral and institutional economics at Victoria University An essential component to improving your financial decision-making (and even to understanding current events), Behavioral Economics For Dummies is important for just about anyone who has a bank account and is interested in why—and when—they spend money. Collection of species of spider in Malaysia.

New York Times bestselling author RaeAnne Thayne brings you back to Haven Point—a place made for second chances... McKenzie Shaw would do anything for her hometown of Haven Point. It may be small, but it's never let her down...unlike gorgeous, infuriating Ben Kilpatrick. He was her childhood hero until he closed his family's factory, leaving the town's economy in shambles. Now his tech firm is considering opening a local facility. For Haven Point's sake, McKenzie has to grit her teeth and play nice. What could a town filled with painful memories ever offer Ben? Yet seeing the town through the eyes of McKenzie—its fiery young mayor—he suddenly has his answer. If only he can resolve the animosity crackling between them, Ben may have found the place where he can build ties and find healing...a place where love arrives when it's least expected. Don't miss Thayne's next release, The Path to Sunshine Cove: three love stories in one with the emotional pull of Debbie Macomber, Barbara Delinsky and Susan Wiggs!

Text, "exploded view" photographs, and labels reveal everyday objects and their parts.

Padanya Ada Kasih - Cinta itu Memberi Bukan Memiliki adalah nasihat yang disampaikan dalam bentuk kisah-kisah orang yang terdahulu dan masa kini bagi mendidik jiwa anak-anak melalui pengajaran daripada setiap kisah yang dikongsikan. Dimulakan dengan kisah para sahabat agung Rasulullah s.a.w. sebagai nasihat buat pendidik muda dan ibu ayah yang bergelut dengan pelbagai cabaran dalam usaha mendidik anak amanah Allah. Kisah-kisah dalam buku ini dapat digunakan sebagai bahan berfaedah pada waktu santai bersama keluarga di rumah ataupun di mana sahaja. Antaranya kisah kehebatan infak Abdul Rahman bin Auf dan Abu Bakar As-Siddiq, kisah Mush'ab bin Umair yang meninggalkan kemewahan, kisah Salman al-Farisi, Bilal bin Rabah, serta kisah-kisah yang terjadi pada masyarakat masa kini yang dapat dijadikan pedoman hidup. Nasihat yang dikumpulkan daripada pelbagai sumber ini mampu memotivasi jiwa-jiwa yang berjuang mencari hala tuju dan hala bicara bagi mengambil pengajaran daripada setiap kisah yang dikongsikan di dalam buku ini.

This unique book provides a comprehensive picture of the vivid kaleidoscope of traditional medicine in Asia presented by 34 eminent authors from 15 countries belonging to the different systems like Ayurveda and Chinese Traditional Medicine. Important emerging areas such as harmonization of the traditional systems with modern medicine and the growing role of these systems in the health care structure of countries are also dealt with. Legislation and regulation of these systems and practitioners, an area of growing concern, the need for good preclinical toxicology studies and scientific clinical evaluation of the products and medicinal plants used for therapy are exhaustingly dealt with. The vital issue of protection

of traditional systems of medicine and patenting of medicinal plants is discussed in detail. The book is replete with suggestions, and ideas aimed at making traditional systems more effectively, and more widely used for health care. The book also covers the prevailing situation regarding the use and other aspects of traditional medicine in the 10 Member countries of the South-East Asia Region of the World Health Organization.

A sexy fan-favorite from USA TODAY bestselling author Victoria Dahl, previously published in 2013. Tough to tame, but not too tough to love... Charlie Allington is supposed to be on the fast track to the top—a small-town girl who was making it big in her career. Instead, she's reeling from a scandal that's pretty much burned all her bridges. Now, out of options, she needs a place to lick her wounds and figure out her future. True, working at a ski resort in rugged Jackson Hole, Wyoming, isn't her dream job. But if there's one perk to coming back, it's a certain sexy hometown boy who knows how to make a girl feel welcome. Cowboy Walker Pearce never expected a grown-up Charlie to be temptation in tight jeans. She's smart and successful—way out of league for a man like him. But he's not about to let that, or his secrets, get in the way of their blazing-hot attraction. Yet when passion turns to something more, will the truth—about both of them—send her out of his life for good...or into his arms forever?

All recent developments of nitrides and of their technology are gathered here in a single book, with chapters written by world leaders in the field.

What do you know about the Ondel-ondel? How much do you know about Betawi culture? If you have no idea about Betawi culture, it's completely fine. I, myself, didn't think much about it until I was caught in Jakarta's traffic, when I saw a pair of exhausted Ondel-ondel in worn-out costumes roaming on the street, asking people for money. This embarrassing scene made me wonder and curious to know more about the Ondel-ondel story. What happened? Ondel-ondel Galau is about a young girl, Vina, who has been living a typical middle school life: going to school in the morning and heading back home in the afternoon. Worn out by the same cycle every day, Vina took on a new challenge and joined her school's traditional Betawi music club, where she plays the violin. With this new activity, she makes new friends, faces new challenges and exposing herself to her own native culture that she has never known before. Join Vina to know more about the Betawi Culture!

Kemunculan Ratna Sang Ratu Sulaman menjadi penghalangnya kerana ada sekelumit rasa cemburu membajai

jiwanya.

The bestselling author of "It's All Too Much" and "Does This Clutter Make My Butt Look Fat?" returns with this new work that helps readers work through physical, mental, and emotional clutter in order to regain their balance and to live their lives to the fullest.

When her nephew Oliver, the earl of Maberley, turns twelve and faces disturbing changes, Lily Rutledge turns to Oliver's neglectful guardian, the duke of Blackmoor, a werewolf who must keep his secret while controlling his passion for her.

Buku ini merupakan catatan pengalaman seorang ayah dalam membesarkan seorang anak istimewa bernama Atiq Wazif. Penulisnya, Hasan Suyut, seorang jurutera dan ahli korporat, merakam ketabahan anak kecilnya menanggung kesakitan dan kesengsaraan, ketekunan dan keberanian mengharungi rawatan yang menyakitkan sejak usia si anak masih bayi hingga sekarang, 8 tahun. Walaupun pakar perubatan telah mengatakan, "Jangan mengharap sangat dari anak ini, dia tidak akan membesar secara normal," penulis sebagai ayah, tidak pernah patah semangat. Berkejar dengan masa dalam ikhtiar memulihkan anaknya, penulis membawa keluarganya merentas benua – ke Beijing di Negeri China, ke Timur Tengah, dan seterusnya ke Amerika Syarikat. Hasan bersama isteri dan lima anak mereka kini bermastautin di Florida, AS, meninggalkan sanak-saudara dan kerjaya dalam syarikat yang sedang meningkat naik. Isterinya Dora yang merupakan seorang pendidik cemerlang, sanggup mengambil cuti demi anak yang dikasihi. Penulis menyulam penulisannya dengan kisah suka-duka yang mewarnai hubungan kekeluargaan dan cerita cinta suami isteri. Dari seorang bapa dan suami yang terlalu sibuk dengan kerjaya hingga kurang memberi perhatian kepada keluarga, kehadiran Wazif benar-benar memberi sinar baru dalam kehidupan penulis sekeluarga. Kelahiran Wazif memang dirasakan sebagai satu anugerah daripada Allah. "Abang ingat tak masa Wa mengandungkan Wazif dulu, banyak benda-benda pelik berlaku. Mungkin Allah nak beri isyarat pada kita supaya kita bersedia untuk menerima anugerah ini," kata si isteri pada satu ketika. Kata-kata ini cukup memberi bekas di hati penulis dan menjadi 'turning point' yang merubah kehidupan mereka sekeluarga. Penceritaannya sangat terperinci, mirip gaya novel. Latar masa, latar tempat, perlukisan watak dan setiap patah dialog, begitu segar. Kisah alam mistik perubatan Melayu turut melatari anekdot tangisan dalam tawa, suka dalam duka, susah dan senang yang diharungi oleh penulis sekeluarga... Konflik mempunyai anak istimewa, konflik rumah tangga dan babak-babak mencemaskan yang diceritakan semula dengan begitu baik, menjadikan buku ini penuh elemen dramatik. Tidak hairanlah seorang pengarah program pendidikan khas di Florida, AS memberitahu penulis, "You can make a movie out of this!"

If you were a mouse trapped in a maze and someone kept moving the cheese, what would you do? Over a decade ago the bestselling business fable *Who Moved My Cheese?* offered its answer to this question: accept that change is inevitable and beyond your control, don't waste your time wondering why things are the way they are, keep your head down and start looking for the cheese. But success in the areas of innovation, entrepreneurship, creativity, leadership, and business growth—as well as personal growth—depends on the ability to push the boundaries, reshape the environment, and play by a different set of rules: our own. With that in mind, Harvard Business School professor Deepak Malhotra offers a radically different answer to this question. Malhotra tells an inspiring story about three unique and adventurous mice—Max, Big, and Zed—who refuse to accept their reality as given. As we watch their lives unfold and intersect, we discover that instead of just blindly chasing after the cheese, each of us has the ability to escape the maze or even reconfigure it to our liking. In the face of established practices, traditional ideas, scarce resources, and the powerful demands or expectations of others, we often underestimate our ability to control our own destiny and overcome the constraints we face—or think we face. *I Moved Your Cheese* reminds us that we can create the new circumstances and realities we want, but first we must discard the often deeply ingrained notion that we are nothing more than

mice in someone else's maze. As Zed explains, "You see, Max, the problem is not that the mouse is in the maze, but that the maze is in the mouse."

The owner of a fitness center, Blair Mallory is stunned when a troubled member of the club becomes obsessed with her and sets out to imitate her style and dress, a situation that is further complicated by the woman's murder.

Arbain Nawawi or Al-Arba'in An-Nawawiyah is a book containing forty-two hadith of choice compiled by Imam Nawawi [1]. Arba'in means forty but actually there are forty-two traditions contained in this book. This book along with the book of Riyadhush Shalihin is regarded as the most famous and accepted work of Imam Nawawi accepted by Muslims throughout the world. This book became a favorite among student to start memorizing the Prophetic traditions before turning to the larger books.

Digital Reference Services in Academic Libraries presents the background of DRS, evolution of DRS, the concept of DRS, emerging models of DRS, benefits and limitation of DRS, personalized services, trends and challenges, technological developments, evaluation and guidelines, effectiveness and DRS in academic libraries. The case study examined the existing status of digital reference services (DRS) in four selected public academic libraries in Malaysia. Focused is given on the awareness, usage, users' perception, users' satisfaction, library's performance, and looked at the perceived needs, issues and problems faced by librarians and students. The study is important to determine how academic librarians are exploiting the latest information and communication technologies to improve reference service operations.

Recommendations are made on the need for the implementation of synchronous DRS, enhancing the role of DRS, marketing and promotion, staff training, user education programmes and cooperation. The main contribution of this book is the assessment of effectiveness of DRS in academic libraries in Malaysia, the identification of perceived needs, issues and problems and suggestions on the areas of improvement in the use of DRS. In the process, a conceptual model for the effectiveness of the implementation of DRS in academic libraries in Malaysia is presented. The author also proposes directions for future research in the area of DRS.

Jake Stevens—star reporter and celebrated literary genius—is a snake. How else to explain the way he turns Poppy Birmingham's hero worship into loathing with a single conversation? So what if she's got a lot to learn about journalism? Aren't they coworkers now? On the same team? Jake can take his attitude and... Then during a job-related road trip, their relationship goes from antagonistic to hedonistic in no time flat. And suddenly Poppy can't think of anything more delicious than having a secret fling with Jake. But with all this intensity, can she really keep it no-strings-attached?

"God, how did I get in this mess!?" Is that the cry of your heart? You may be in the midst of an emotional hurricane right now and wondering Can anything good come out of this situation? Or you may be stumbling through the aftermath of a physical or financial crisis, fearful that you'll never get back on your feet. In How to Let God Solve Your Problems, Dr. Charles Stanley demonstrates how God allows times of trial for a number of reasons: To turn your attention back toward Him. To adjust your priorities. To purify and prepare you for greater service. To better form you into His image. To grant you the experience of His comfort. Whether your hardship is the result of sin, unwise choices, or simply the consequence of living in a fallen world, God still has a plan for your life. He is aware of your circumstances, He has not forgotten His promises, and He will guide you through your difficulty to victory!

Burma has lived under military rule for nearly half a century. The results of its 1990 elections were never recognized by the ruling junta and Aung San Suu Kyi, leader of Burma's pro-democracy movement, was denied her victory. She has been under house-arrest ever since. Now an economic satellite and political dependent of the People's Republic of China, Burma is at a crossroads. Will it become another North

Korea, will it succumb to China's political embrace or will the people prevail? Michael Charney's book- the first general history of modern Burma in over five decades - traces the highs and lows of Burma's history from its colonial past to the devastation of Cyclone Nargis in 2008. By exploring key themes such as the political division between lowland and highland Burma and monastic opposition to state control, the author explains the forces that have made the country what it is today.

The inspirational story of a former Microsoft executive's quest to build libraries around the world and share the love of books What's happened since John Wood left Microsoft to change the world? Just ask six million kids in the poorest regions of Asia and Africa. In 1999, at the age of thirty-five, Wood quit a lucrative career to found the nonprofit Room to Read. Described by the San Francisco Chronicle as "the Andrew Carnegie of the developing world," he strived to bring the lessons of the corporate world to the nonprofit sector—and succeeded spectacularly. In his acclaimed first book, *Leaving Microsoft to Change the World*, Wood explained his vision and the story of his start-up. Now, he tackles the organization's next steps and its latest challenges—from managing expansion to raising money in a collapsing economy to publishing books for children who literally have no books in their native language. At its heart, *Creating Room to Read* shares moving stories of the people Room to Read works to help: impoverished children whose schools and villages have been swept away by war or natural disaster and girls whose educations would otherwise be ignored. People at the highest levels of finance, government, and philanthropy will embrace the opportunity to learn Wood's inspiring business model and blueprint for doing good. And general readers will love *Creating Room to Read* for its spellbinding story of one man's mission to put books within every child's reach.

This world atlas includes the most up-to-date digital mapping techniques and features hundreds of place names, cities and geographical features. Every country's flag is shown, and locator maps place each region, country or continent in its global position. Also included are pages on mapping skills, population, the environment, the natural world and climate. With digital maps, stunning photographs and up-to-date facts and figures, this book takes a fascinating look at the people, places, industry and wildlife of the world.

Ever since the Alibaba Group went public on September 19, 2014—with an initial public offering of a record-breaking \$25 billion—Jack Ma, the founder and charismatic "spiritual leader" of the e-commerce behemoth, has been making headlines around the world. In 2014, the company's online transactions totaled \$248 billion—more than those of Amazon and eBay combined. The first Chinese entrepreneur to appear on the cover of *Forbes*, Ma is the now the second-richest man in China, with a net worth that is estimated to be north of \$29 billion. Despite Ma's massive influence in China and in the global tech world, his inspirational rags-to-riches story is relatively unknown to the general American public. *Never Give Up: Jack Ma In His Own Words* is a comprehensive guide to the inner workings of arguably the most prominent figure in the global tech world in the past 20 years—comprised entirely of Ma's own thought-provoking and candid quotes. When Ma decided to start his first Internet company in 1999, few Chinese people knew what the Internet was. Ma, a former English teacher, knew nothing about coding, and his \$20,000 in startup funds were not made up of investments from venture capitalists but loans from his family. He channeled his startup experience into Alibaba, a group of websites that

allows businesses and people to connect in order to buy and sell products (similar to eBay and Amazon) while also collecting advertising revenue (similar to Google). By some measures, Alibaba is now the largest e-commerce site in the world. In this book, more than 200 quotes on business values, innovation, entrepreneurship, competition, management, teamwork, life, and more provide an intimate and direct look into the mind of this modern business icon and philanthropist. Many of these quotes are translated directly from the Chinese press and interviews. For readers who do not read Chinese and have no other access to these materials, this book provides invaluable insight into the mind of one of the world's most successful business magnates.

A rash of strange deaths in the Tahoe National Forest bring Sam, Dean and Bobby to the Sierra Nevada mountains to hunt a monster with a taste for human flesh. Soon walking corpses, bodies with missing organs, and attacks by a mysterious flying creature lead the trio to a cunning and deadly foe which can assume a human form and will do anything to survive. When a blizzard strikes the area, and not knowing who they can trust, they must battle not only the monster, but also the elements to survive. A Supernatural novel that reveals a previously unseen adventure for the Winchester brothers, from the hit TV series!

“Elena has left behind a story of resilience, hope and most of all, love. We can’t help but take her into our hearts, and carry the best of her into our own lives.” —Jeffrey Zaslow, coauthor of *The Last Lecture Notes Left Behind* by Brooke and Keith Desserich began as a journal they kept after their five-year-old daughter Elena was diagnosed with brain cancer and given just 165 days to live. As poignant and inspiring as Randy Pausch’s *The Last Lecture*, it is the story of the courage of a truly remarkable little girl who accomplished so much in so little time—and of her parents’ love and dedication to their child and their family. New York Times bestselling author James Patterson was profoundly moved by Elena’s beautiful life and *Notes Left Behind*, calling it, “a stunning story that teaches us how precious children, family, and life are, and that the sacrifices we make are worth it. I won’t forget the Desserich family, and neither will you.” This vivid and detailed biography strips away centuries of distortion and myth and presents a balanced view of the man whose religion continues to dramatically affect the course of history.

Billionaire boss’s festive seduction! Shy Chloe Russo is dreading her first Christmas running the family business. Working with Nico Di Fiore is the last straw! Once, Nico’s kisses promised Chloe every sensual delight, until he coldly rejected her. Now he’s her very commanding, very arrogant boss! Control is paramount to Nico—after his father’s bankruptcy lost him everything, nothing will distract him from succeeding. He’s always kept a tight rein on his craving for Chloe, well aware she alone has the power to disarm him. But now, unable to deny their connection, Nico is determined to reclaim control and take Chloe as his own!
