The most painful scars are the ones you never see. In her DJ booth at a Cleveland dance club, Casey feels a sense of connection that's the closest she ever gets to normal. On her college campus, she's reserved, practical--all too aware of the disaster that can result when you trust the wrong person. But inexplicably, Daniel refuses to pay attention to the walls she's put up. Like Casey, he's a senior. In every other way, he's her opposite. Sexy, open, effortlessly charming, Daniel is willing to take chances and show his feelings. For some reason Casey can't fathom, he's intent on drawing her out of her bubble and back into a world that's messy and unpredictable. He doesn't know about the deep scars that pucker her stomach--or the deeper secret behind them. Since the violent night when everything changed, Casey has never let anyone get close enough to hurt her again. Now, she might be tempted to try. "A refreshingly strong-willed and flawed heroine makes this layered page-turner memorable, and the soundtrack brings Casey and Daniel's absorbing courtship to life." – Publishers Weekly **STARRED REVIEW** "NA fans will love this book about a physically and emotionally scarred Casey, whose story speaks louder than words. Her struggle to open up and step out from behind the DJ booth. . . is necessary in order to fully experience Helms' touching tale. This one's for readers everywhere, both on and off campus. An added bonus is the included
