Catalog of reports, decisions and opinions, testimonies and speeches.

Employment Law has been developed primarily for students taking an elective module in employment law on the LPC and is suitable for courses with either a corporate or private client focus. The 2015 edition continues to provide a practical and comprehensive guide to the subject and has been fully updated to include recent UK and European case law and developments in employment law practice. Examples and sample documents are included throughout the book to help students understand the practical application of the law, preparing them for the situations they may encounter once qualified. Detailed information is presented clearly and concisely, with the use of flowcharts and diagrams to provide a visual overview of complex processes and areas of common difficulty. End of chapter summaries and self-test questions are also used throughout the book, to help students consolidate their learning and identify areas for further study. This book is also accompanied by a free Online Resource Centre ([www.oxfordtextbooks.co.uk/orc/employment2015/](http://www.oxfordtextbooks.co.uk/orc/employment2015/)) which includes updates to the law post-publication, self-test questions with instant feedback, outline answers to the questions in the book, and electronic versions of flowcharts and diagrams to assist with notes and revision.

Employment Law in Context combines extracts from leading cases and articles with insightful and sophisticated author commentary to provide the reader with a full, critical understanding of employment law. As well as providing a thorough grounding in individual labour law, and drawing attention to key and current areas of debate, this title offers the reader detailed analysis of the social, economic, political, and historical context in which employment law operates. An innovative running case study contextualizes employment law and demonstrates its practical applications by following the life-cycle of a company from incorporation, through expansion, to liquidation. Reflection points and examples encourage the development of critical thinking skills and students' ability to view the issues practically. The text is supported by an Online Resource Centre hosting: - four supplementary chapters on collective employment law to facilitate a broader understanding of the subject - additional reading lists to accompany topics signposted in each chapter and annotated web links to key online resources to direct further research - a flashcard glossary helps students test their understanding of terms highlighted and defined in the book - twice-yearly updates to the law are provided by the author to keep students abreast of the latest developments - PowerPoint slides and figures from the book are available to lecturers

Cases and Materials on Employment Law is the complete reference resource for students of employment law. The most current sourcebook on the market, the 10th edition offers a wealth of well-chosen case law and stimulating extracts and materials to explain employment law in a contextualized and thought-provoking manner. Discerning author notes and questions accompany each extract, providing valuable additional detail to further students' understanding and encourage them to engage critically with the material. Online Resource Centre This book is also accompanied by a free online resource centre ([www.oxfordtextbooks.co.uk/orc/painter\\_holmes10e/](http://www.oxfordtextbooks.co.uk/orc/painter_holmes10e/)) which includes an additional material on family rights, an extra chapter on health and safety at work as well as updates to the law and useful weblinks.

When we—the member-elected bargaining team—began to work to negotiate a fair contract—we sought input from you—the members we represent. Through more than 200 worksite meetings and town halls, we listened to your questions and concerns. A comprehensive survey, completed by more than 12,000 members, added important context to our bargaining strategy.

Featuring case study questions and exercises, this practical and accessible guide is particularly suitable for students taking employment law as part of their legal practice course.

Employment Law has been developed primarily for students taking an elective module in employment law on the LPC and is suitable for courses with either a corporate or private client focus.
