MARCUS FENIX. WAR HERO. LOYAL SON.

TRAITOR. Ten years after Emergence Day, as the Locust Horde advances on humanity's last defended area—Ephyra—in a bloody war that has seen billions die, Marcus Fenix does the unthinkable: he defies orders and abandons his post during a critical battle in a bid to rescue his father, weapons scientist Adam Fenix. But Adam is buried in the rubble during a ferocious assault on the Fenix mansion, and Ephyra falls to the enemy. Marcus, grieving for a father everyone believes is dead, is court-martialed for dereliction of duty and sentenced to forty years in the Coalition of Ordered Government's brutal maximum security prison, known simply as the Slab. But Adam is very much alive, snatched from the destruction by the elite Onyx Guard on Chairman Richard Prescott's orders. He's now a long way from home and in a prison of his own—a COG doomsday bunker on the tropical island of Azura, a place hidden from the rest of Sera since the Pendulum Wars. His own guilty secret has

been exposed: Adam knew the Locust existed deep below the surface of Sera long before Emergence Day, and were being driven from their tunnels by a lethal parasite known as the Lambent. Now he has to find a way to destroy the Lambent while the dwindling COG forces fight to hold back a growing Locust army that's threatening to overrun the city. As Adam struggles to find redemption in his comfortable island jail, Marcus seeks his own atonement in the squalid, closed world within the Slab's granite walls. While Dom Santiago and Anya Stroud fight to get him released, ready to make any sacrifice to free him, Marcus gradually finds unexpected kinship among Sera's most dangerous criminals—and a way to carry on his personal war against the Locust. “Adam, you knew this day would come.” It was a familiar voice: silky, imperial, polished, and utterly human. “Hello, Myrrah.” Adam Fenix found himself thinking of the terrible Locust food again. “You got my message, then.” “And how right you were. We do need you. And we shall take you. I hope you're not planning anything foolish. You have responsibilities, Adam.” It would be a living death. The Locust Queen would never release him, even if he developed a countermeasure. But he didn't deserve any better. “I also have my service pistol.” “And I can take your son at any time.” He had the measure of her, then, and she had his. “You leave Marcus out of this. It's a condition.” He

Alice First thing you should know about me-I'm on my honeymoon on Villroy Island without my groom, which was a no brainer given how my ex-fiancé decided to "accidentally" fall in love with my best friend. I don't want to talk about it. Second thing: I'm a romance author on a generously extended deadline, and I've sworn to use this time away productively. So far my editor has hated all of my ideas featuring the crushing of men. Romance is dead within my blackened heart. I'm about to admit defeat when a prince with an image problem falls into my lap. And for some crazy reason, it's decided that me posing as his fiancée would be a good idea. The last thing I want is to actually be committed to someone, but a fake engagement may make this next book write itself. Lucas I enjoy being the world's most eligible royal bachelor (the internet voted and I won), but that's not all I am. I want to contribute to the kingdom, be part of the legacy. I should be the CEO of our new business venture, but my oldest brother, Gabriel, the king, blocks me at every turn, convinced I'm too flighty. So when Gabriel's wife, Anna, the unconventional queen offers me a chance to prove myself with the bankers, and the only catch is

Yet here I am, hell bent on convincing a woman afraid to get involved that she belongs with me. Seventeen-year-old Twylla lives in the castle. But although she's engaged to the prince, Twylla isn't exactly a member of the court. She's the executioner. As the Goddess embodied, Twylla instantly kills anyone she touches. Each month, she's taken to the prison and forced to lay her hands on those accused of treason. No one will ever love a girl with murder in her veins. Even the prince, whose royal blood supposedly makes him immune to Twylla's fatal touch, avoids her company. But then a new guard arrives, a boy whose easy smile belies his deadly swordsmanship. And unlike the others, he's able to look past Twylla's executioner robes and see the girl, not the Goddess. Yet Twylla's been promised to the prince, and knows what happens to people who cross the queen. However, a treasonous secret is the least of Twylla's problems. The queen has a plan to destroy her enemies, a plan that requires a stomach-churning, unthinkable sacrifice. Will Twylla do what it takes to protect her kingdom? Or will she abandon her duty in favor of a doomed love?
