#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

A new breakout fantasy epic filled with strong world building, engaging characters, and wondrous adventure. Kyri: a highborn young woman whose life is shattered by the murder of her kin. But even as Kyri flees her beloved land Evanwyl, she knows that she is her family's only hope for justice, and Evanwyl's only chance to escape a growing shadow of corruption and destruction. Now Kyri must venture across Zarathan, a world on the brink of a long foretold Chaos War. It is a struggle that may usher in a long age of darkness¾ that is, if Kyri and her companions do not succeed in holding back the tide of evil that is rising. Those companions include valiant swordsman Tobimar Silverun, Prince of Skysand, exiled on the turn of a card and a prophecy, who is now seeking his people's lost homeland; and Poplock Duckweed, an unlikely hero whose diminutive size is as much a weapon as it is a weakness. Kyri's quest is as simple as it is profound: find a legendary ancient weaponsmith, take up the sword and armor of a new order of warrior defenders, and bring the power of justice and vengeance to the evil and corruption that has darkened her native land. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Silliness takes center stage in this laugh-out-loud book from the creator of *The Very Hungry Caterpillar*?--now available as a board book. Yes, there's something strange, something funny and even downright preposterous on every page of this book. But it's not a mistake - it's nonsense. Nonsense lies at the heart of many beloved nursery rhymes. Children readily accept odd statements like "the cow jumped over the moon" and "the dish ran away with the spoon." This fanciful bending of reality is also basic to surrealism.

In this book, nonsense and surrealism combine to spark creativity and imagination. What's true? What's impossible? What's absolutely absurd? From Eric Carle, creator of the classic, *The Very Hungry Caterpillar*, comes a book to make children laugh and think, preparing them for a lifetime of loving both words and art. Praise for *The Nonsense Show* A TIME Magazine Top 10 Children's Book of 2015 \* "Carle creates fun and laughter in this homage to the surrealist artist Ren Magritte. P]erfect for storytimes and silly times all round. Carle hits it out of the nonsense park "-Booklist, starred review \* "A sure hit as a read-aloud and a definite purchase for picture book collections."-School Library Journal, starred review \* "A picture book made to incite pleasure and joy."-Kirkus Reviews, starred review \* " The Nonsense Show], with its cleanly designed white pages, makes the unexpected elements of the imagery stand out and prompts questions and wonder."-Horn Book, starred review
