

The Monster Collection

When Nyssa is kidnapped, the Doctor and Tegan must stop the plans of Sadan Rassul in order to save her and the future of England.

The Daleks are advancing, their empire constantly expanding. The battles rage on across countless solar systems – and the Doctor finds himself stranded on board a starship near the frontline with a group of ruthless bounty hunters. Earth Command will pay these hunters for every Dalek they kill, every eyestalk they bring back as proof. With the Doctor's help, the bounty hunters achieve the ultimate prize: a Dalek prisoner – intact, powerless, and ready for interrogation. But with the Daleks, nothing is what it seems, and no one is safe. Before long the tables will be turned, and how will the Doctor survive when he becomes a prisoner of the Daleks? An adventure featuring the Tenth Doctor, as played by David Tennant

Footsteps in the attic. Scratching behind closet doors. Rattling under the bed. Monsters are always waiting around the corner, and although we shrug it off as childhood paranoia, deep down we know they're there. Scare Street brings together 8 best-selling monster themed novels by supernatural horror authors Ron Ripley, Sara Clancy, David Longhorn and A. I. Nasser. If you were scared of the monsters under your bed, then you have no idea what's coming for you... Wrath and Vengeance Series Book 1 - Pound of Flesh: Summoned by years of pain and rage, three demonic sisters have descended upon an isolated ghost town, ripping their victims to shreds before offering a merciful death. Aleksandr, the son of serial killers, must battle these hellish creatures or suffer a torturous painful death. Book 2 - Devil's Playground: Two years after his narrow escape, Aleksandr soon realizes that wrath is never truly satisfied. The Furies are hungrier than ever before. Death lurks around every corner, and he must decide how much he is willing to sacrifice to survive, before it's too late... Book 3 - Scorched Earth: Four years have passed and the Furies have changed the rules of the game. Not only is Aleksandr fighting for his own life, but even his loved ones are being hunted. Determined to secure their freedom, he ventures out to find whoever started the curse and end it by any means necessary. Ouroboros Series Book 4 - The Sign of Ouroboros: Brad Steiger's dreams are filled with snake worshippers, the end of the world and his missing daughter, Kelly. Each night the nightmares get more intense and the sinister air of the dreams convinces Brad that Kelly is in even more danger. And time is running out. Book 5 - Fortress of Ghosts: Brad Steiger's search for Kelly leads him to ghost soldiers and flesh-eating zombies defending the fields leading to a castle. And beyond these monsters, he'll soon find out that there are worse things he needs to fear... Book 6 - Day of the Serpent: A monster quietly lurks in the darkened waters of Loch Ness hunting mercilessly for its next prey. As the mists thicken and the beginning of the end nears, no one can withstand the pull of the Great Old One, summoning the weak to come closer...and closer... Standalone Novels Book 7 -

Blood Carousel: The carnival is back in town, and for Jack Heldon, it brings nightmares of burning walls, raspy chuckles, and fiery red eyes in the dark. As residents are drawn into the lights and music of Ebenezer's Carnival, Jack and his friends are forced to come face to face with the horrors of their past, and the evil that tore them apart. They'll soon find out that there's no escaping the clutches of Ebenezer's Carnival and the screams within. Book 8 - Blood Contract: Signed over two hundred years ago, a contract was made to ensure the sanctity of the Blood Lands. In return, the Blood family dedicated their lives to the protection of the town. But now the town has decided to break the Contract, and the Bloods are not pleased. Not at all. What reviewers are saying: A compelling cast of characters; even the ghosts have interesting personalities, and the tension starts on a high note and climbs into the stratosphere.' Murderous ghosts are not the worst thing waiting. Well paced with strong characters, living and dead, it was a new twist that was well worth reading!' This book has everything. The characters are terrifying, violent and yet likable; psychopathic, murderous and yet relatable; and the monsters are both human and fantastical and equally frightening. There is love, humor and lots of dead bodies. Anyone who enjoys horror stories should really read this! More than 3,000 copies sold and 100s of five star reviews. Monsters have been spotted everywhere, not just hiding under a child's bed, lurking in the closet, or springing forth from folkloric tales. Exploring the history, mythology, pop culture, and the world of the supernatural, The Monster Book: Creatures, Beasts, and Fiends of Nature is a comprehensive resource of the monster menagerie from around the world. Examining the lore and legends, as well as the first-person accounts of bizarre freaks of nature and spine-tingling paranormal entities, it details each beast with thorough research, while recounting the facts in an engaging narrative. This fascinating look at monsters investigates nearly 200 beings,

beasts, freaks, and fiends, ranging from the renowned and celebrated to the little-known and inglorious, including Werewolves, Bigfoot, the Loch Ness monster, the chupacabra, Mothman, the Abominable Snowman, the Mongolian Death Worm, Living Pterosaurs, Alien Big Cats, Lizard Man, Lake Worth Monster, the Monstrous Monitor, South American Sasquatch, the Jersey Devil, Sea Serpents, Phantom Black Dogs, and much, much more.

The Doctor and Leela arrive on the planet Kaldor, where they find a society dependent on benign and obedient robots. But they have faced these robots before, on a huge Sandminer in the Kaldor desert, and know they are not always harmless servants... The only other people who know the truth are the three survivors from that Sandminer – and now they are being picked off one by one. The twisted genius behind that massacre is dead, but someone is developing a new, deadlier breed of robots. This time, unless the Doctor and Leela can stop them, they really will destroy the world... An adventure featuring the Fourth Doctor, as played by Tom Baker, and his companion Leela

"As someone who grew up on Universal's monsters, I was blown away by Terry West's modern interpretation of not only Dracula and Frankenstein, but the Mummy, zombies, werewolves and more! West's entertaining blend of classic horror and dark fantasy and see your favorite monsters in a remarkable new light.

Meet the monsters in this who's who of the baddest of the bad! Like those supernatural beasts everyone knows and fears—the bloodsucking vampire, Count Dracula, and that eight-foot-tall mash-up of corpses, Frankenstein's Monster. Or that scariest of mummies, Cheops, who scientists revived after 4,700 years—big mistake! Or more horrifying yet, the Horla, an invisible, havoc-wreaking creature that herds humans like cattle and feeds of their souls. Drawn from the pages of classic books and tales as old as time, this frightfully exciting collection features 25 of the creepiest creatures ever imagined, from witches and werewolves to dragons and ghosts. Every monster is brought to life in a full-size full-color portrait that captures the essence of the beast, and in lively text that recounts the monster's spine-tingling story. With sidebars that explore the history and the genre of each sourcebook, The Big Book of Monsters is an exciting introduction to literature and language arts.

How To Tame My Anxiety Monster is about a child with a monster that no one else can see but him. He doesn't like when his monster comes around because it makes his stomach hurt, or makes it hard to concentrate or sleep. It makes him feel lots of other upsetting and uncomfortable things as well. He decided to talk to his parents about it and his mom told him that she had one too. He learned that his monster's name was Anxiety. Throughout the book the child talks about the ways that he can tame his anxiety monster. He can play sports, do yoga, art, or talk to a therapist to help calm him among other things. He then discovers the

good ways that his anxiety monster can help him; during a test, a report, or riding a big scary-fun rollercoaster! He may not be able to make his monster go away, but he can learn to tame him! In the back of this book are some parent helps that can be great conversation starters for children that deal with anxiety.

UNIT is called in to investigate security at a secret research centre buried under Wenley Moor. Unknown to the Doctor and his colleagues, the work at the centre has woken a group of Silurians - intelligent reptiles that used to be the dominant life form on Earth in prehistoric times. Now they have woken, the Silurians are appalled to find 'their' planet populated by upstart apes. The Doctor hopes to negotiate a peace deal, but there are those on both sides who cannot bear the thought of humans and Silurians living together. As UNIT soldiers enter the cave systems, and the Silurians unleash a deadly plague that could wipe out the human race, the battle for planet Earth begins. This novel is based on 'The Silurians', a Doctor Who story which was originally broadcast from 31 January-14 March 1970. Featuring the Third Doctor as played by Jon Pertwee, his companion Liz Shaw and the UNIT organisation commanded by Brigadier Lethbridge-Stewart.

The TARDIS lands the Doctor and Martha in the Lake District in 1909, where a small village has been terrorised by a giant, scaly monster. The search is on for the elusive 'Beast of Westmorland', and explorers, naturalists and hunters from across the country are descending on the fells. King Edward VII himself is on his way to join the search, with a knighthood for whoever finds the Beast. But there is a more sinister presence at work in the Lakes than a mere monster on the rampage, and the Doctor is soon embroiled in the plans of an old and terrifying enemy. And as the hunters become the hunted, a desperate battle of wits begins – with the future of the entire world at stake... An adventure featuring the Tenth Doctor, as played by David Tennant, and his companion Martha

The mind-blowing conclusion to the Monster trilogy and the final installment in the Gone series from science fiction and fantasy master Michael Grant is perfect for superhero and Stephen King fans alike. After the fall of Perdido Beach dome, a new set of humans developed mutant powers from the rock infected with alien virus. They are the Rockborn Gang: Dekka, Shade,

Cruz, Malik, Armo, and Francis. With their superpowers, they have defended the earth from other rockborn who used their powers for evil, like Dillon Poe. When another rock carrying the virus strikes New York, a new foe, Bob Markovic, rises with a horrifying and nearly unstoppable ability. Markovic's unending ambition and lack of a moral compass made him unbearable before the virus. And that was before he was a swarm of plague-ridden insects, with the power and means to take over the city—and maybe the world. As the Rockborn Gang try to defeat their latest villain, they will find themselves on morally gray grounds and have to make tough decisions if they want to save the world. In this pulse-pounding finale to the saga more than ten years in the making, Michael Grant delivers an unforgettable conclusion while asking: What does it take to be a hero?

SCIENCE FICTION. In 2003, Rebecca Whitaker died in a road accident. Her husband Mark is still grieving. He receives a battered envelope, posted eight years ago, containing a set of instructions with a simple message: "You can save her." As Mark is given the chance to save Rebecca, it's up to the Doctor, Amy and Rory to save the whole world.

The Doctor, the Brigadier, and Liz Shaw all get caught up in a conspiracy that goes all the way to the heart of the British government.
