The collected short fiction of America's leading dramatist of the 20th century in a Penguin Classics Deluxe Edition Though best known for creating some of the greatest dramas of the twentieth century, Arthur Miller was also a master of the short story. Initially published in prestigious venues like the New Yorker, the Atlantic, and Esquire, his fiction constitutes a fascinating and indispensable portion of his life's work. Presence: Collected Stories revives and reintroduces these masterly works, making available in one volume stories previously scattered across various collections. Here, as in his best plays, Miller pulls apart the threads of American life with tender humanism and unmatched psychological realism. These stories build on the landscape of Miller's drama, of Broadway dives and Brooklyn shipyards where businessmen, writers, bums, and blue-collar workers struggle for self-worth. This vital collection celebrates not just the Miller we know through his most often-performed plays, but the whole of his astounding depth as an artist. "Broken Glass is a brave, bighearted attempt by one of the pathfinders of postwar drama to look at the tangle of evasions and hostilities by which the soul contrives to hide its emptiness from itself.' John Lahr (The New Yorker) Brooklyn, 1938- Sylvia Gellburg is stricken by a mysterious paralysis in her legs for which the doctor can find no cause. He soon realizes that she is obsessed by the devastating news from Germany, where government thugs have begun smashing Jewish stores. But this experience is intermeshed with what he learns is her strange relationship with her husband Philip. When the two seemingly unrelated situations concatenate, a tragic flare of light opens on the age. 'His strongest play for many years, a gripping and at times powerfully affecting drama. As almost always in his work, it balances private lives with public morality...It is also an amazingly full-blooded piece, bursting with pain and passion.' (Charles Spencer Daily Telegraph)"

The forgotten classic that launched the career of one of America's greatest playwrights A Penguin Classic It took more than fifty years for *The Man Who Had All the Luck* to be appreciated for what it truly is: the first stirrings of a genius that would go on to blossom in such masterpieces as *Death of a Salesman* and *The Crucible*. Infused with the moral malaise of the Depression era, the parable-like drama centers on David Beeves, a man whose every obstacle to personal and professional success seems to crumble before him with ease. But his good fortune merely serves to reveal the tragedies of those around him in greater relief, offering what David believes to be evidence of a capricious god or, worse, a godless, arbitrary universe. David's journey toward fulfillment becomes a nightmare of existential doubts, a desperate grasp for reason in a cosmos seemingly devoid of any, and a struggle that will take him to the brink of madness. Collects some of Miller's last published fiction, revealing the playwright's insight, humanism, and empathy.

Collection of six plays by various writers.

In his long career, Arthur Miller has charted some of the most hidden aspects of the American character, and made us recognize ourselves. With *Homely Girl, A Life*, he turns his attention to a smaller, more intimate, canvas, but one that in its deceptive delicacy still encompasses a vast range of human fears, ambitions, and desires. Janice—the eponymous homely girl—has hated her face ever since she was a child and her mother held up Ivory Snow advertisements to her, saying, "Now that is beauty." Homely she is, but also fiercely herself. Still, it is not until she falls in love with a blind musician that she feels her full nature unfold in this exquisite portrait of a woman finding a language to describe herself. Flanked by two stories also set in Manhattan, "Fame" and "Fitter's Night," *Homely Girl, A Life* pays homage to a city constantly reinventing itself—and to the classic Miller

Publisher Description

A masterful mix of art, sex, and politics behind the Iron Curtain, by America's greatest dramatist In an unnamed Eastern European capital, four writers gather in what was once an archbishop's palace. There is Adrian, a successful American author struggling with questions about a novel he has set in the city, and Marcus, a once-imprisoned radical who has become a darling of the current regime. Finally, there is Sigmund, perhaps the country's greatest living writer, who refuses to compromise his artistic integrity to appease the regime. Between them all is Maya, a poet and actress who has been a mistress and muse to each man. The ornately decorated ceiling above them may or may not be bugged, and the group carefully watches their words as they discuss the play's central dilemma – should Sigmund stay and resist the oppressive state, or should he defect and pursue his art in freedom? Their conversation poses crucial questions

about mass surveillance, morality, and the authenticity of art, and remains as relevant today as it was during the height of the Cold War.

This second volume of Arthur Miller's collected plays opens with *After the Fall* (1964), his much-anticipated return to the theater after an eight-year hiatus. A tour-de-force exploration of guilt, responsibility, and history, the play opened a window on the playwright's marriage to the late Marilyn Monroe. *Incident at Vichy* (1964) dramatizes the round-up of Jews in Vichy France in a vivid single act. *The Price* (1968), a Broadway hit, follows two brothers, a successful surgeon and a struggling policeman, as they figure out how to dispose of their dead father's belongings. *The Creation of the World and Other Business* (1972) and *Up from Paradise* (1974) treat characteristically grand themes in uncharacteristically comedic and musical forms. *The American Clock* (1974) is a "vaudeville" about the Depression years, while *The Archbishop's Ceiling* (1977), set in a room in Soviet-era Prague that may or may not be bugged, is a meditation on trust and betrayal. The tele-play *Playing for Time* (1980) tells the story of the Women's Orchestra of Auschwitz. Here, too, are several shorter one-act plays and sketches-among them *The Reason Why* (1970), published for the first time-along with a selection of Miller's introductions and other writings about his plays.

This comprehensive volume brings together essays by one of the most influential literary, cultural and intellectual voices of our time: Arthur Miller. Arranged chronologically from 1944 to 2000, these writings take the reader on a whirlwind tour of modern history alongside offering a remarkable record of Miller's views on theater. They give eloquent expression to his belief in 'the theater as a serious business, one that makes or should make man more human, which is to say, less alone'. Published with the essays are articles that Miller had written and in-depth interviews he has given. This collection features material from two earlier publications: *Echoes Down the Corridor* and *The Theater Essays of Arthur Miller*. It is edited and features a new introduction by Matthew Roudan, Regents Professor of American Drama at Georgia State University. 'Arthur Miller understands that serious writing is a social act as well as an aesthetic one, that political involvement comes with the territory. A writer's work and his actions

should be of the same cloth, after all. His plays and his conscience are a cold burning force.' Edward Albee

Arthur Miller's penultimate play, *Resurrection Blues*, is a darkly comic satirical allegory that poses the question: What would happen if Christ were to appear in the world today? In an unidentified Latin American country, General Felix Barriaux has captured an elusive revolutionary leader. The rebel, known by various names, is rumored to have performed miracles throughout the countryside. The General plans to crucify the mysterious man, and the exclusive television rights to the twenty-four-hour reality-TV event have been sold to an American network for \$25 million. An allegory that asserts the interconnectedness of our actions and each person's culpability in world events, *Resurrection Blues* is a comedic and tragic satire of precarious morals in our media-saturated age.

The collected essays of the “moral voice of [the] American stage” (The New York Times) in a Penguin Classics Deluxe Edition Arthur Miller was not only one of America’s most important twentieth-century playwrights, but he was also one of its most influential literary, cultural, and intellectual voices. Throughout his career, he consistently remained one of the country’s leading public intellectuals, advocating tirelessly for social justice, global democracy, and the arts. Theater scholar Susan C. W. Abbotson introduces this volume as a selection of Miller’s finest essays, organized in three thematic parts: essays on the theater, essays on specific plays like *Death of a Salesman* and *The Crucible*, and sociopolitical essays on topics spanning from the Depression to the twenty-first century. Written with playful wit, clear-eyed intellect, and above all, human dignity, these essays offer unmatched insight into the work of Arthur Miller and the turbulent times through which he guided his country. The text remains gratifyingly accurate and prescient, and has helped to shape subsequent developments in food in Australia. Until recently, historians have tended to overlook eating, and yet, through meat pies and lamingtons, Symons tells the history of Australia gastronomically. He challenges myths such as that Australia is 'too young' for a national cuisine, and that immigration caused

the restaurant boom. Symons shows us that Australia is unique because its citizens have not developed a true contact with the land, have not had a peasant society. Australians have enjoyed plenty to eat, but food had to be portable: witness the weekly rations of mutton, flour, tea and sugar that made early settlers a mobile army clearing a whole continent; and the tins of jam, condensed milk, camp pie and bottles of tomato sauce and beer that turned its citizens into early suburbanites. By the time of screw-top riesling, takeaway chicken and frozen puff pastry, Australians were hypnotised consumers, on one continuous picnic. But good food has never come from factory farms, process lines, supermarkets and fast-food chains. Only when we enjoy a diet of fresh, local produce treated with proper respect, when we learn from peasants, might we at last have found a national cuisine and cultivated a continent.

A Penguin Classic When Dr. Stockmann discovers that the water in the small Norwegian town in which he is the resident physician has been contaminated, he does what any responsible citizen would do: reports it to the authorities. But Stockmann's good deed has the potential to ruin the town's reputation as a popular spa destination, and instead of being hailed as a hero, Stockmann is labeled an enemy of the people. Arthur Miller's adaptation of Henrik Ibsen's classic drama is a classic in itself, a penetrating exploration of what happens when the truth comes up against the will of the majority. Up To The Present, And Indicates How Strong The Bookie Cricketer Ties May Be Even Today. A master dramatist's humorous retelling of the biblical creation story as a parable for our time Breathing new life into timeless biblical tales, Arthur Miller charmingly reimagines the Book of Genesis from the temptation of Adam and Eve to the fraternal tragedy of Cain and Abel. In the beginning, God, generally satisfied with his creation, is nonetheless perplexed by Adam and Eve—why won't they multiply? It takes wily Lucifer to interest them in anything more than playing handball in the Garden of Eden, but their new knowledge comes at a price. The first family is exiled from paradise—just as Lucifer is banned from heaven—and a fallen, morally ambiguous state becomes the destiny of humankind. Though *The Creation of the World and Other Business* was Arthur Miller's first Broadway comedy, it is full of the searching insight and sparkling dialogue that distinguish his best dramas.

Quentin is a successful lawyer in New York, but inside his head he is struggling with his own sense of guilt and the shadows of his past relationships. One of these an ill-fated marriage to the charming and beautiful Maggie, who went from operating a switchboard to become a self-destructive star - a singer everyone wanted a piece of. After the Fall is often seen as the most explicitly autobiographical of Arthur Miller's plays, and Maggie as an unflinching portrait of Miller's ex-wife Marilyn Monroe, only two years after her suicide. But in its psychological acuity and depth, and its brilliant, dreamlike structure, it is a literary, and not just biographical, masterpiece.

A novel of man's inhumanity to man and a brilliant study of everyday anti-semitism at work in society, *FOCUS* is set in Brooklyn in the last years of World War 2. bigotry of the neighbours he'd been friendly with before; and in due course he finds support and understanding with one of the very Jewish immigrants he had previously so despised. This highly allegorical novel, possibly the first in American literature to deal directly with anti-semitism, is narrated with Miller's customary eloquence, and incorporates a cleverly-fashioned subplot concerning Newman's marriage to a woman whom he once refused to employ. This edition includes a preface entitled 'The Face in the Mirror: Anti-Semitism Then and Now', in which Miller writes: 'Focus is much involved with impersonations. Its central image is the turning lens of the mind of an anti-Semitic man forced by his circumstances to see anew his own relationships to the Jew.' This novel explores the consequences which unravel once L With no family and little support from his only ally, Miss Radinski, Ben knows that he will have to venture onto the dangerous streets alone to face the wolfs that no one believes exist. The definitive memoir of Arthur Miller—the famous playwright of *The Crucible*, *All My Sons*, *Death of a Salesman*, *A View from the Bridge*, and other plays—*Timebends* reveals Miller's incredible trajectory as a man and a writer. Born in 1915, Miller grew up in Harlem in the 1920s and 1930s, developed leftist political convictions during the Great Depression, achieved moral victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers' freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for *Death of a Salesman* and the New York Drama Critics Circle Award in 1947 for *All My Sons*. Miller also wrote the screenplay for *The Misfits*, Marilyn Monroe's final film. This memoir also reveals the incredible host of notables that populated his life, including Marilyn Monroe, Elia
