When a murder at the prison threatens to incarcerate them all for life, one man decides to sacrifice himself to free the others. All he asks in return is for his family to be taken care of. Luther Khadafi Fuller is the leader of the recently freed trio. He takes his two friends Boo and Umar on a ride they will never forget through the streets of DC. Take a ride with these three men as they make love and money, while trying not to forget the man they left behind. When one wrong move causes things to spiral out of control, can their bond survive the viciousness of the streets? Will their lives be spared? Or will their promises to each other be forgotten? The Ultimate Sacrifice is a story of love, life, money, sex, betrayal and murder. This is a page turner that you won't be able to put down. Jada left home at the age of sixteen, running from her own demons and the horrors of physical abuse inflicted by her mother's boyfriend. She partied hard, and life seemed good when she was with Born, the neighborhood kingpin whose name was synonymous with money, power, and respect. But all his love couldn't save her from a crack addiction. Jada goes from crack addict and prostitute to survivor and back again before she finds the strength to live for herself and come out on top. And her stormy romance with one of the fiercest hustlers on the streets makes White Lines one of the most unforgettable urban loves stories of the year.

But as Juicy's sexual cravings grow stronger, one thing becomes frighteningly clear: She's a virtual prisoner in G's dangerous world. As G begins to suspect her of playin' him, he pulls the reins he keeps on her even tighter. If she's ever to escape and get a life of her own she must find a way to start stashing away some of G's cash. But doing that under G's watchful eye is a challenge she might not live up to—especially when her appetite tempts her with the deadliest desire of all: G's very own son. . . .

Discover the original international diet sensation—used by Adele, heavyweight champion David Haye, and Pippa Middleton—that will help you lose seven pounds in seven days while experiencing lasting energy and eating all the foods you love. Over the past few years, fasting has become a popular diet option. Studies show that fasting—whether through moderate calorie restriction every day or the more severe but less frequent intermittent fasting—can help people lose about thirteen to fourteen pounds in six months and reduce their risk of developing disease. When we fast, our body's energy stores activate what is known as sirtuins, or the "skinny gene," and many positive changes ensue. Fat storage is switched off, and our body stops its normal growth processes and goes into "survival" mode. Fat burning is stimulated and the genes involved in the repair and rejuvenation of our cells are turned on—which all results to weight loss and improved resistance to disease. But if not done correctly, fasting can lead to hunger, irritability, fatigue, and loss of muscle. Enter Sirtfoods: a newly discovered group of foods that is revolutionizing healthy eating. Ranging from chocolate and red wine to garlic and walnuts, sirtfoods are particularly rich in special nutrients that help us activate the same skinny genes in our bodies that fasting triggers. Nutritionists Aidan Goggins and Glen Matten have created The Sirtfood Diet to help you effectively lose weight and improve your resistance to disease, while still giving you incredible energy and glowing health.

Life has never been fairytales, tender kisses or roses for cousins Yanni and Shontaea Brown. Growing up in the gutters-dirt-filled streets that many call the "hood", they both learned at an early age that survival was the goal, family was nothing more than a word, and the only sure thing they had was each other. That was until fate thrust them in the paths of two of their city's finest, two dope boys that go by the name of Quan and Jon. In an instance Yanni and Shontaea are swept off their feet, consumed by visions of love, promises of forever and dreams of happily ever after. The memories of their tainted past are washed away by the hopes of their promising futures. Each of them thinks they've found the key to "forever", however "forever" never lasts. Yanni is loyal, faithful to, and ready to die for Quan. There is nothing she wouldn't do for her street-King but once she learns that the words flowing from his lips, don't match his actions, she begins to question their relationship and the love that Quan has for her. Will she continue to stand by his side despite the evidence? Or will she show him, the power of a woman scorned? Shontaea has never been happier and she credits her happiness to Jon. She believes she has found the man of dreams and she's certain that she'll spend the rest of her life with the man who made her dreams come true. However, street dreams turn to faded pictures and broken promises when she finds out that Jon has been less than truthful and has more than a few dirty-secrets. When the untold truth comes to light, will Shontaea be able to move on and rebuild with Jon? Or will she use the lies to fuel her calculated-revenge? Join Yanni and Shontaea as their perfect loves unravel before their eyes and their worlds come crashing down at the hands of the men who swore to protect them. Bonds will be tested, Loyalties will be questioned, as two women who have survived the gutters of life, attempt to survive the "Killer" some call Love. *A Endless Hood Love* is a hot African American urban fiction novel written by Shanice B.
