Summer nights and star-crossed lovers! From USA Today bestselling author Sarina Bowen. Once upon a time, he gave me a summer of friendship, followed by one perfect night. We shared a lot during our short time together. But he skipped a few crucial details. I didn't know he was a rock star. I didn't know his real name. Neither of us knew I'd get pregnant. And I sure never expected to see him again. Five years later, his tour bus pulls up in Nest Lake, Maine. My little world is about to be shattered by loud music and the pounding of my own foolish

heart. ***** Perfect for fans of: Helena Hunting, Elle Kennedy, Catherine Gayle, Avon Gale, Toni Aleo, Kristen Callihan, LJ Shen, Mona Kasten, Corinne Michaels, Jana Aston, Karina Halle, Meghan March, Jay Crownover, Anna Todd, Geneva Lee, Audrey Carlan, Jill Shalvis, Suzanne Brockmann, Helen Hoang, Christina Lauren, Kristan Higgins, Sally Thorne, Penelope Sky, Vi Keeland, Penelope Ward, Debbie Macomber, Nora Roberts, Maisey Yates, Sarah Mayberry, Elle Kennedy, Lauren Blakely, Susan Mallery, Penny Reid, Julia Kent, Kelly Jamieson, Melanie Harlow, Carrie Ann Ryan, Kendall Ryan, Kennedy Ryan, Helen Hardt, Meghan March, Julia Kent, Meli Raine, Sylvia Day, Chelle Bliss, Brenda Rothert, Natasha Madison, Kylie Scott, Helena Hunting, Sloane Kennedy, Penelope Sky, Elle Kennedy, K.A. Enjoy a FREE taste of the Ivy Years Series! A blind date. A nervous sorority girl. A mean-spirited fraternity prank. What could go wrong? As a sorority pledge, there are commandments that Katie Vickery must live by. One: thou shalt not

show up for the party without a date. Two: the guy shall be an athlete, preferably an upperclassman. Unfortunately, Katie just broke up with her jerkface football player boyfriend. Even worse, her last encounter with him resulted in utter humiliation. She'd rather hide under the bed than attend a party where he'll be. Yet staying home would mean letting him win. Enjoying herself tonight was out of the question. She could only hope to get through the evening without her blind date noticing that he was spending the evening with a crazy person. Andrew Baschnagel is living proof that nice guys don't finish first. He's had his eye on Katie since the moment her long legs waltzed into his art history class. So when her roommate sets Andy up to be Katie's date, he'd be crazy to say no. Unfortunately, he doesn't have a lot of practice with either girls or parties. Yet. Can you fall for someone you've never met? Hailey Taylor Emery has a hunch that her favorite client at Fetch--an anonymous virtual assistant service--is actually hockey star Matt Eriksson. Although it's against the rules for her to check his file, she's 95% sure she spends at least part of each day texting with her lifelong crush and catering to his every need. Still nursing a wounded heart thanks to her recent breakup, Hailey is perfectly content with some harmless online flirting...until she has to meet her client. Face to face. Cue: utter panic.

Matt Eriksson is no stranger to heartbreak. He's still not over the destruction of his marriage, and it sucks to be the only guy on the team who knows the truth--that hockey and long-term relationships are a toxic mix. He barely sees his kids, and dealing with his ex makes him feel insane. The only person in his life who seems to understand is someone who won't show her pretty face. But it's nothing that a pair of fourth row hockey seats can't fix. Hailey can't resist the offer. Matt can't resist Hailey. Good thing he doesn't have to. Fire up the kiss cam! Warning: Contains rabid hockey fans, misunderstood dick pics, hockey players at the opera and exploding ovaries. The first novel in a sexy series featuring the hockey players of the Brooklyn Bruisers and the women who win their hearts—from the USA Today bestselling author of the Ivy Years series. In high school they were the perfect couple—until

the day Georgia left Leo in the cold... Hockey player Leo Trevi has spent the last six years trying to do two things: get over the girl who broke his heart, and succeed in the NHL. But on the first day he's called up to the newly franchised Brooklyn Bruisers, Leo gets checked on both sides, first by the team's coach—who has a long simmering grudge, and then by the Bruisers' sexy, icy publicist—his former girlfriend Georgia Worthington. Saying goodbye to Leo was one of the hardest things Georgia ever had to do—and saying hello again isn't much easier. Georgia is determined to keep their relationship strictly professional, but when a press conference microphone catches Leo declaring his feelings for her, things get really personal, really fast....

Discover the New York Times bestseller that SLJ called “A fantastic plot that makes readers think about the blurred lines between right and wrong.” After a brutal nuclear war, the United States was left decimated. A small group of survivors eventually banded together, but only after more conflict over which family would govern the new nation. The Westfalls lost. Fifty years later, peace and control are maintained by marrying the daughters of the losing side to the sons of the winning group in a yearly ritual. This year, it is my turn. My name is Ivy Westfall, and my mission is simple: to kill the president's son—my soon-to-be husband—and return the Westfall family to power. But Bishop Lattimer is either a

very skilled actor or he's not the cruel, heartless boy my family warned me to expect. He might even be the one person in this world who truly understands me. But there is no escape from my fate. I am the only one who can restore the Westfall legacy. Because Bishop must die. And I must be the one to kill him...

Sometimes your life is split by a single decision. I've spent every day of the last seven years regretting mine: he left, and I didn't follow. A thousand letters went unanswered, my words like petals in the wind, spinning away into nothing, taking me with them. But now he's back. I barely recognize the man he's become, but I can still see a glimmer of the boy who asked me to be his forever, the boy I walked away from when I was young and afraid. Maybe if he'd come home under better circumstances, he could speak to me without anger in his voice. Maybe if I'd said yes all those years ago, he'd look at me without the weight of rejection in his eyes. Maybe if things were different, we would have had a chance. One regretted decision sent him away. One painful journey brought him back to me. I only wish I could keep him. *A contemporary romance inspired by Jane Austen's Persuasion*

Comic book geek Wesley Hudson excels at two things: slacking off at his job and pining after his best friend, Nico. Advice from his friends, '90s alt-rock songs, and online dating articles aren't helping much with his secret crush. And his dream job at Once Upon a

Page, the local used bookstore, is threatened when a coffeeshop franchise wants to buy the property. To top it off, his annoying brother needs wedding planning advice. Confronted with reality, can Wes balance saving the bookstore and his strained sibling relationship? Can he win the heart of his crush, too?

"Absorbing, delightful, hilarious, breathtaking and the best and most relevant novel I've read in what feels like forever." —Taffy Brodesser-Akner, *The New York Times Book Review* Corbin College, not quite upstate New York, winter 1959–1960: Ruben Blum, a Jewish historian—but not an historian of the Jews—is co-opted onto a hiring committee to review the application of an exiled Israeli scholar specializing in the Spanish Inquisition. When Benzion Netanyahu shows up for an interview, family unexpectedly in tow, Blum plays the reluctant host to guests who proceed to lay waste to his American complacencies. Mixing fiction with nonfiction, the campus novel with the lecture, *The Netanyahus* is a wildly inventive, genre-bending comedy of blending, identity, and politics that finds Joshua Cohen at the height of his powers.

"From *New York Times* and *USA Today* bestselling author Shanora Williams, a riveting novel of domestic suspense about the close relationship between two women: a severely troubled twenty-something and the mega-successful, billionaire CEO she's determined to destroy."--

Everyone's got secrets. Some are just harder to hide. With his father's ponzi scheme assets frozen, Tom Worthington believes finishing college is impossible unless he can pay his own way. After months sleeping in his car and driving a pirate taxi for cash, he's ready to do just that. But his new, older-student housing comes with an unapologetically gay roommate. Tom doesn't ask why Reese Anders has been separated from the rest of the student population. He's just happy to be sleeping in a bed. Reese isn't about to share his brutal story with his gruff new roommate. You've seen one homophobic jock, you've seen 'em all. He plans to drag every twink on campus into his bed until Tom moves out. But soon it becomes clear Tom isn't budging. Tom isn't going to let some late-night sex noise scare him off, especially when it's turning him on. But he doesn't want any drama either. He'll keep his hands, if not his eyes, to himself. Boundaries have a way of blurring when you start sharing truths, though. And if Tom and

Reese cross too many lines, they may need to find out just how far they can bend...before they break. Warning: This book contains cranky roommates who vacillate between lashing out and licking, some male/male voyeurism, emotional baggage that neither guy wants to unpack, and the definitive proof that sound carries in college housing. p.p1 {margin: 0.0px 0.0px 23.9px 0.0px; line-height: 18.0px; font: 16.0px 'Helvetica Neue'; color: #444444; -webkit-text-stroke: #444444} span.s1 {font-kerning: none} THIS EDITION IS A RE-RELEASE OF A PREVIOUSLY PUBLISHED VERSION. What happened in high school stayed in high school. Until now. Five years ago, Michael Graham betrayed the only person who ever really knew him. Since then, he's made an art of hiding his sexual preference from everyone. Including himself. So it's a shock when his past strolls right into the Harkness College locker room, sporting a bag of hockey gear and the same slow smile that had always rendered Graham defenseless. For Graham, there is only one possible reaction: total, debilitating panic. With one loose word, the team's new left wing could destroy Graham's life as he knows it. John Rikker is stuck being the new guy. Again. And it's worse than usual, because the media has latched onto the story of the only "out" player in Division One hockey. As the satellite trucks line the sidewalk outside the rink, his new teammates are not amused. And one

player in particular looks sick every time he enters the room. Rikker didn't exactly expect a warm welcome from Graham. But the guy won't even meet his eyes. From the looks of it, his former... best friend / boyfriend / whatever isn't doing so well. He drinks too much and can't focus during practice. Either the two loneliest guys on the team will self destruct from all the new pressures in their lives, or they can navigate the pain to find a way back to one another. To say that it won't be easy is the Understatement of the Year. Warning: unlike the other books in this series, this heartbreaking love story is about two guys. Contains sexual situations, dance music, snarky t-shirts and a poker-playing grandmother. Will a virgin captive surrender to this pirate's sinful touch? Nathaniel Bainbridge is used to hiding, whether it's concealing his struggles with reading or his forbidden desire for men. Under the thumb of his controlling father, the governor of Primrose Isle, he's sailing to the fledging colony, where he'll surrender to a respectable marriage for his family's financial gain. Then pirates strike and he's kidnapped for ransom by the Sea Hawk, a legendary villain of the New World. Bitter and jaded, Hawk harbors futile dreams of leaving the sea for a quiet life, but men like him don't deserve peace. He has a score to settle with Nathaniel's father—the very man whose treachery forced him into piracy—and he's sure Nathaniel is just as contemptible. Yet as days pass in close quarters, Nathaniel's

feisty spirit and alluring innocence beguile and bewitch. Although Hawk knows he must keep his distance, the desire to teach Nathaniel the pleasure men can share grows uncontrollable. It's not as though Hawk would ever feel anything for him besides lust... Nathaniel realizes the fearsome Sea Hawk's reputation is largely invented, and he sees the lonely man beneath the myth, willingly surrendering to his captor body and soul. As a pirate's prisoner, he is finally free to be his true self. The crew has been promised the ransom Nathaniel will bring, yet as danger mounts and the time nears to give him up, Hawk's biggest battle could be with his own heart. This May-December gay romance from Keira Andrews features classic tropes including: a tough alpha pirate too afraid to love, a plucky virgin captive half his age, enemies to lovers, first-time sexual discovery, and of course a happy ending.

Soon to be a major Amazon film directed by George Clooney and starring Ben Affleck, Tye Sheridan, Lily Rabe, and Christopher Lloyd, a raucous, poignant, luminously written memoir about a boy striving to become a man, and his romance with a bar, in the tradition of *This Boy's Life* and *The Liar's Club*. J.R. Moehringer grew up captivated by a voice. It was the voice of his father, a New York City disc jockey who vanished before J.R. spoke his first word. Sitting on the stoop, pressing an ear to the radio, J.R. would strain to hear in that plummy

baritone the secrets of masculinity and identity. Though J.R.'s mother was his world, his rock, he craved something more, something faintly and hauntingly audible only in The Voice. At eight years old, suddenly unable to find The Voice on the radio, J.R. turned in desperation to the bar on the corner, where he found a rousing chorus of new voices. The alphas along the bar—including J.R.'s Uncle Charlie, a Humphrey Bogart look-alike; Colt, a Yogi Bear sound-alike; and Joey D, a softhearted brawler—took J.R. to the beach, to ballgames, and ultimately into their circle. They taught J.R., tended him, and provided a kind of fathering-by-committee. Torn between the stirring example of his mother and the lurid romance of the bar, J.R. tried to forge a self somewhere in the center. But when it was time for J.R. to leave home, the bar became an increasingly seductive sanctuary, a place to return and regroup during his picaresque journeys. Time and again the bar offered shelter from failure, rejection, heartbreak—and eventually from reality. In the grand tradition of landmark memoirs, *The Tender Bar* is suspenseful, wrenching, and achingly funny. A classic American story of self-invention and escape, of the fierce love between a single mother and an only son, it's also a moving portrait of one boy's struggle to become a man, and an unforgettable depiction of how men remain, at heart, lost boys. Named a best book of the year by *The New York Times*, *Esquire*, *The Los Angeles Times Book*

By the early twentieth century, Chinese residents of the northern treaty-port city of Tianjin were dwelling in the world. Divided by nine foreign concessions, Tianjin was one of the world's most colonized and cosmopolitan cities. Residents could circle the globe in an afternoon, strolling from a Chinese courtyard house through a Japanese garden past a French Beaux-Arts bank to dine at a German café and fall asleep in a British garden city-style semi-attached brick house. Dwelling in the World considers family, house, and home in Tianjin to explore how tempos and structures of everyday life changed with the fall of the Qing Empire and the rise of a colonized city. Elizabeth LaCouture argues that the intimate ideas and practices of the modern home were more important in shaping the gender and status identities of Tianjin's urban elites than the new public ideology of the nation. Placing the Chinese home in a global context, she challenges Euro-American historical notions that the private sphere emerged from industrialization. She argues that concepts of individual property rights that emerged during the Republican era became foundational to state-society relations in early Communist housing reforms and in today's middle-class real estate boom. Drawing on diverse sources from municipal archives, women's

magazines, and architectural field work to social surveys and colonial records, *Dwelling in the World* recasts Chinese social and cultural history, offering new perspectives on gender and class, colonialism and empire, visual and material culture, and technology and everyday life.

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA’S FAVORITE BOOKS OF THE YEAR • BILL GATES’S HOLIDAY READING LIST • FINALIST: National Book Critics Circle’s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara’s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life.

Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . "When Vicky Cruz wakes up in the Lakeview Hospital Mental Disorders ward, she knows one thing: After her suicide attempt, she shouldn't be alive. But then she meets Mona, the live wire; Gabriel, the saint; E.M., always angry; and Dr. Desai, a quiet force. With stories and honesty, kindness and hard work, they push her to reconsider her life before Lakeview, and offer her an acceptance she's never had. But Vicky's newfound peace is as fragile as the roses that grow around the hospital. And when a crisis forces the group to split up, sending Vicky back to the life that drove her to suicide, she must try to find her own courage and strength. She may not have them. She doesn't know. Inspired in part by the author's own experience with depression, *The Memory of Light* is the rare young adult novel that focuses not on the events leading up to a suicide attempt, but the recovery from one -- about living when life doesn't seem worth it, and how we go on anyway."

She's never lived a normal life. She hasn't been to school since kindergarten. And getting close to anyone is just too risky -- the last boy she kissed sold the story to a British tabloid. But she can't resist trying to get close to Daniel "DJ" Trevi, the hot, broody guy who spins tunes for hockey games in the arena. Something's haunting his dark eyes, and she needs to know more. DJ's genius is for expressing the mood of the crowd with a ten second song snippet. With just a click and a fade, he can spread hope, pathos or elation among six thousand screaming fans. language. She's used to being fluent where others stutter, and the things people say behind her back don't (often) bother her. So she can't understand why her smoking hot downstairs neighbor has so much trouble staying friends after their spontaneous night together. She knows better than to worry about it, but there's something in those espresso eyes that makes her second guess herself. Rafe is appalled with himself for losing his virginity in a drunken hookup. His strict Catholic upbringing always emphasized loving thy neighbor—but not with a bottle of wine and a box of condoms. The result is an Ivy League bout of awkwardness. But when Bella is leveled by a little bad luck and a downright sinister fraternity stunt, it's Rafe who is there to pick up the pieces. Bella doesn't want Rafe's help, and she's through with men. Too bad the undeniable spark that crackles between the two of them just can't be extinguished. “The Shameless hour is a gift to any girl or woman who's ever been slut-shamed. The sport she loves is out of reach. The boy she loves wants someone else. What now? She expected to start Harkness College as a varsity ice hockey player. But a serious accident means that Corey Callahan will start school in a wheelchair instead. Across the hall, in the other handicapped-accessible dorm room, lives the too-delicious-to-be real Adam Hartley, another would-be hockey star with his leg broken in two places. He's way out of Corey's league. Also, he's taken. Nevertheless, an unlikely alliance blooms between Corey and Hartley in the "gimp ghetto" of McHerrin Hall. Over tequila, perilously balanced dining hall trays, and video games, the two cope with disappointments that nobody else understands. They're just friends, of course, until one night when things fall apart. Or fall together. All Corey knows is that she's falling. Hard. But will Hartley set aside his trophy girl to love someone as broken as Corey? If he won't, she will need to find the courage to make a life for herself at Harkness — one which does not revolve around the sport she can no longer play, or the brown-eyed boy who's afraid to love her back. .
