

Usborne Big Book Of Big Trains Big Books

A number book like no other, introducing children to the significance of different numbers and the things they are associated with. Did you know that an octopus has 3 hearts, every snowflake has 6 points, giraffes have 7 bone in their necks, cloud cover is measure in 'oktas' from 0 to 8, and that 9 is lucky in China (but unlucky in Japan)? An unusual approach to a numbers book and a gorgeous and slightly eccentric illustration style will make this title stand out in a crowded retail environment. By the team who worked together on the acclaimed My First 100 Words Book, Count to 100 and the award-winning Big Book of Colours (winner of the School Library Association's Under 7 Children's Choice Award 2016). An effortless and enjoyable way for children to learn about topics as diverse as fractions, counting, shapes, measuring, music, dates, animals, space, sports, geography and mythology through the magic of numbers.

From the first locomotive built in 1804 to the high-speed bullet train, The Big Book of Trains is the perfect ebook for kids who love trains. Includes amazing facts and photographs of trains around the world, The Big Book of Trains covers the history of trains and train travel. Different types of trains are featured on their own spreads, and each page features multiple images to give a close-up view as well as informative text about each train. See the differences among monorails, passenger trains, and TGVs. Learn about pistons, fireboxes, boilers, and coupling rods, and find out exactly what they do to help the train travel down on the tracks. See key features of each train model and discover the difference between steam trains and diesels. Find out how trains are designed for certain jobs and tasks, including mountain trains, snow trains, and freight trains. Look at the biggest and fastest trains in the world. With incredible pictures and informative text, The Big Book of Trains is the essential ebook for young readers who want to know everything about trains.

Sophia Touliatou's lively illustrations and some quirky touches combine to bring 20 well-loved nursery rhymes to life. This gorgeous book includes favourites such as Jack and Jill, Humpty Dumpty, Little Bo-Beep, Baa Baa Black Sheep and Little Miss Muffet. With an introduction by the editor about the benefits of sharing rhymes with little children. A fresh approach to a nursery rhymes book and a characterful illustration style will make this title stand out in a crowded retail environment. A QR code on the back of the book links to audio for all the rhymes, making this a great way to learn pronunciation and build vocabulary for children who are learning to talk or learning to speak English. By the illustrator and author who worked together on the acclaimed. Big Book of abc, My First 100 Words, Big Book of Numbers, Count to 100 and the award-winning Big Book of Colours.
