### The Dakota Winters

“ A deeply spiritual, deeply moving book ” about life on the Great Plains, by the New York Times – bestselling author of *The Cloister Walk* (The New York Times Book Review). “ With humor and lyrical grace, ” Kathleen Norris meditates on a place in the American landscape that is at once desolate and sublime, harsh and forgiving, steeped in history and myth (San Francisco Chronicle). A combination of reporting and reflection, *Dakota* reminds us that wherever we go, we chart our own spiritual geography.

### The Accidental Werewolf

While visiting her Midwestern hometown after many years, workaholic Karen Grace risks a few extra days away from the office, to get reacquainted with her extended family and childhood friends. She visits the crumbling homesteads of her prairie ancestors, and rediscovers their immigrant dreams and sacrifices. When her tyrannical boss fires her, she's fifteen hundred miles from home, just one more middle-aged worker out of a job in a tough economy. To make matters worse, her husband has just left her for his pregnant girlfriend. At a crossroads, Karen must find the courage to change. Needing time to think, she agrees to take an elderly neighbor on one last road trip, but on a deserted highway in Wyoming, Karen is forced to make a lethal and life-changing decision.

### Buffalo Gal

He finally escaped his past... Then she appeared on his doorstep. Sheriff Jamison Wyatt has spent his life helping his loved ones elude his father's ruthless gang of thugs, the Sons of the Badlands. But he's never forgotten Liza Dean, the one who got away. Now Liza's sister, a child, is caught in the gang's most horrifying crime yet—and only Jamison can help her retrieve the little girl from her captors. With only each other in the isolation of the unforgiving South Dakota landscape, can they infiltrate the crime syndicate before it's too late?

### Dakota Born

The lives of immigrant women intertwine in the early 1900s in the immigrant town of Soldahl, North Dakota. Here, pioneers of all ages are seeking love, adventure and new purpose in their lives. In *Dakota Stories I* and the companion *Dakota Stories II*, bestselling author Lauraine Snelling reveals the universal need to know where God is leading us. In *Dakota Stories I*, the promise of a Dakota Dawn brings spunky Nora Johanson a long way from her home in Norway to join her true love, Hans. When her dreams take an uncertain turn, she must open her heart yet again to discover the answer to her prayers. Nora's sister, Clara Johanson, also ventures out to find her Dakota Dream. Her patience is put to the test as she realizes that this dream may just be Dag Weinlander, Soldahl's rugged but gentle blacksmith.

### Dakota Dream

Hired by the Secret Service to test their shield around the new vice president of the United States, ex-military cop Jack Reacher discovers that a team of assassins is already planning a hit on the vice president.

### The Big Rock Candy Mountain

A vampire puts the bite on a dental assistant. It's a lousy first day on the job for Nina Blackman when a patient, loopy from the anesthesia, bites her. At least he was cute. But for real drama she can't beat the next evening. Nina wakes up with a set of razor-sharp fangs, bionic vision, supersonic hearing, and a taste for blood. But there's a good explanation: It's her patient, Long Island vampire Greg Statleon. Actually they're perfect for each other?if Nina's willing to commit to one man for eternity.

### Dakota Dreamin'

Lauraine Snelling's novel, Ruby, delighted readers with its spunky main character who inherits a little Missouri saloon called the Dove House and turns it into a hotel. Now you'll love meeting Pearl, a young woman who follows her heart to the Western frontier. Pearl was once the apple of her father's eye. Then an accident left Pearl's neck scarred and her heart desperate for her father's love. When her father decides she should marry a widower with five children, Pearl escapes by accepting a teaching position in the Dakotah territory. At Dove House, Pearl falls in love with Carl, who is also looking for a fresh start in this rugged, new land. When Ruby also finds a surprising new love, it's added proof that God works in mysterious ways. When the future of Dove House is threatened, what will become of these jewels of the prairie?

### An Untamed Land (Red River of the North Book #1)

A powerful dungeon. A sheep-herder turned Noble. Their path to ascendance through cultivation. Conquering dungeons and using them to grow has long been the most efficient way to become a powerful adventurer. The only thing keeping the process from being easy is the Beasts that inhabit these places. Questions plague those entering this particular place of power: Where do the 'rewards' of weapons, armor, and heavy gold coins come from? Why is a fluffy bunny charging at me? For abyss-sake, why are there so many monsters? Cal has all of the answers to these age-old questions for a very simple reason. He is a Dungeon Core, a soul forced against his will into a magical stone. With the help of an energetic friend, Cal grows a dungeon around himself to bring in new sources of power. When a threat he doesn't fully comprehend bares its many teeth, Cal is determined to survive the attempt on his life. Unfortunately for adventurers, the only way for him to achieve his goal is to eat anyone that enters his depths.

### Death of a Dream

Will Buffy and Wyatt ever see eye-to-eye? Buffy Lange has spent her life learning about and caring for buffalo. She's landed the job of her dreams, managing a huge buffalo ranch in South Dakota. With stars in her eyes, she imagines all of the Midwest given over to free-ranging buffalo. To her, buffalo embody beauty, majesty, and strength. To Wyatt Shaw, however, the buffalo are a constant threat— wild, untamable, and dangerous. Wyatt's ranch adjoins the Buffalo Commons and he watches in trepidation as its owner expands and rides roughshod over the local ranchers. When disaster strikes, Wyatt's worst fears are realized and Buffy can do nothing but clean up the mess. With one determined to rid the area of buffalo and the other determined to see them flourish, the dust seldom settles around these two. Will they ever be able to find a common ground?

### Dakota Storm

A child of a typical 1950s suburb unearths her mother's hidden heritage, launching a rich and magical exploration of her own identity and her family's powerful Native American past.

### Home Is Where the Heart Is

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. From the Trade Paperback edition.

### Beloved Child

Bo Mason, his wife, Elsa, and their two boys live a transient life of poverty and despair. Drifting from town to town and from state to state, the violent, ruthless Bo seeks out his fortune - in the hotel business, in new farmland and eventually, in illegal rum-running through the treacherous back roads of the American Northwest. In this affecting narrative, Wallace Stegner portrays more than thirty years in the life of the Mason family as they struggle to survive during the lean years of the early twentieth century. Wallace Stegner was the author of, among other works of fiction, *Remembering Laughter* (1973); *Joe Hill* (1950); *All the Little Live Things* (1967, Commonwealth Club Gold Medal); *A Shooting Star* (1961); *Angle of Repose* (1971, Pulitzer Prize); *The Spectator Bird* (1976, National Book Award); *Recapitulation* (1979); *Crossing to Safety* (1987); and *Collected Stories* (1990). His nonfiction includes *Beyond the Hundredth Meridian* (1954); *Wolf Willow* (1963); *The Sound of Mountain Water* (essays, 1969); *The Uneasy Chair: A Biography of Bernard deVoto* (1964); *American Places* (with Page Stegner, 1981); and *Where the Bluebird Sings to the Lemonade Springs: Living and Writing in the West* (1992). Three short stories have won O. Henry prizes, and in 1980 he received the Robert Kirsch Award from the Los Angeles Times for his lifetime literary achievements.

Dreams can inspire, crush—and even kill. For Sheriff Karen Mehaffey, going for the stars—the sheriff's stars—wasn't turning out to be a dream come true. Flood waters are rising along with the thermometer, and

the last thing she needs is a homicide. Detective Marek Okerlund, on the other hand, welcomes any distraction from the anniversary of his wife's death and from his mother-in-law's unannounced visit. When Karen calls back her old classmate Adam Van Eck to look after his ailing mother, he reluctantly returns from pounding the boards on Broadway—and is found days later, shotgun in hand, with his mother planted dead in her garden. Who other than Adam could possibly want the retired schoolteacher dead? The only link to her life outside her garden is the Dream Team, a group of high school students dreaming up ways to revitalize the dying county of Eda, South Dakota. With the detritus of dead dreams all around, Karen and Marek must flush out a killer. Before the levee breaks. Neither cozy nor hardboiled, DEAD DREAMS is a character-driven police procedural of a rural bent. Second in series. Word Count: 91,000. Occasional profanity. Minimal gore.

### Digital Fortress

Proud of Their Heritage and Sustained by Their Faith, They Came to Tame a New Land She had promised herself that once they left the fjords of Norway, she would not look back. After three long years of scrimping and saving to buy tickets for their passage to America, Roald and Ingeborg Bjorklund, along with their son, Thorliff, finally arrive at the docks of New York City. It was the promise of free land that fed their dream and lured them from their beloved home high above the fjords of Norway in 1880. Together with Roald's brother Carl and his family, they will build a good life in a new land that promises untold wealth and vast farmsteads for their children. As they join the throngs of countless immigrants passing through Castle Garden, they soon discover that nothing is as they had envisioned it. Appalled by the horrid stories of fellow immigrants bilked of all their money and forced to live in squalid living conditions, the Bjorklunds continue their long journey by train as far as Grand Forks. From there a covered wagon takes them into Dakota Territory, where they settle on the banks of the Red River. But there was no way for them to foresee the price they will have to pay to wrest a living from the indomitable land. The virgin prairie refuses to yield its treasure without a struggle. Will they be strong enough to overcome the hardships of that first winter?

### Spirit Car

### Simon Says

"I came to American expecting to be married." Clara Johanson has a ticket to America and a photograph of a blond, curly-haired, blue-eyed man to prove her point. But when she arrives in Soldahl, North Dakota, the man who meets her at the train station, Dag Weinlander, is definitely not blond and, to make matters worse, he obviously hasn't bathed in days. At least she knows she will see joy in her sister's face when she surprises her by arriving at her Soldahl home. As Clara begins her unexpected life as a single, Norwegian immigrant, she experiences the truth of God's Word that "weeping may endure for a night, but joy cometh in the morning." Along the way she helps others, even Dag Weinlander, experience that truth too, as she steps into a new Dakota Dream far different than the one that brought her all the way from Bergen, Norway. Dakota Dream is the second book of the Dakota Series that features the intertwining lives of five inspiring women who live in the early 1900s in the farming community of Soldahl, North Dakota.

### Dakota Stories II

Before the multi-million, runaway bestseller *The Da Vinci Code*, Dan Brown set his razor-sharp research and storytelling skills on the most powerful intelligence organization on earth--the National Security Agency (NSA)--in this thrilling novel, *Digital Fortress*. ## The Master Butchers Singing Club

An evocative and wildly absorbing novel about the Winters, a family living in New York City ' s famed Dakota apartment building in the year leading up to John Lennon ' s assassination It ' s the fall of 1979 in New York City when twenty-three-year-old Anton Winter, back from the Peace Corps and on the mend from a nasty bout of malaria, returns to his childhood home in the Dakota. Anton ' s father, the famous late-night host Buddy Winter, is there to greet him, himself recovering from a breakdown. Before long, Anton is swept up in an effort to reignite Buddy ' s stalled career, a mission that takes him from the gritty streets of New York, to the slopes of the Lake Placid Olympics, to the Hollywood Hills, to the blue waters of the Bermuda Triangle, and brings him into close quarters with the likes of Johnny Carson, Ted and Joan Kennedy, and a seagoing John Lennon. But the more Anton finds himself enmeshed in his father ' s professional and spiritual reinvention, the more he questions his own path, and fissures in the Winter family begin to threaten their close bond. By turns hilarious and poignant, *The Dakota Winters* is a family saga, a page-turning social novel, and a tale of a critical moment in the history of New York City and the country at large.

## Mni Sota Makoce

## Accidentally Dead

What if the one that got away came back?Once burned, twice hell naw. It had taken Misty Evans four long years to get her life back on track, so there was no way in hell she was going to hook back up with the boy who'd derailed it. She'd just graduated college, nailed down her dream job, and was set to head out of Garner, the small town that held too many memories she wanted to forget. David was nothing but a roadblock, and she wouldn't hesitate to blow past him going ninety, a one-finger salute her only goodbye. Whoever said you couldn't go home again had never lived in Garner, South Dakota. David Buchanan allowed guilt, family trouble, and fear chase him out of his hometown four years ago, but now that he'd pulled a stint in the Marine Corps, he was built to adapt and overcome. Unfortunately, the Marine Corps had never prepared him for the wall that Misty had built. Those bricks were damn near impenetrable. But one thing he'd learned from his past mistakes--you never give up on those you love. A Dakota storm changes everything. As Misty struggles with memories and desires she hasn't felt in years, a tornado slams through Garner, obliterating everything it touches--including the wall she'd erected between herself and David. Though common sense tells her to reconstruct it and keep a safe distance from the boy who'd broken her heart, the real reason David left Garner surfaces, and she's suddenly faced with a future that she'd once thought was dead and buried.

### Thunderbird

This is a story of sacrifice and tragedy fueled by the long-held immigrant's dream for a new beginning in a new land. In 1861, a large extended family of Swedes settles on the far northwest edge of the new state of Minnesota. One year later, as the late-summer harvest is in, a group of Dakota warriors declares war on all the settlers. In a surprise attack, 13 members of this family are killed. Left behind are eight others who flee for refuge, joining hundreds of other terrified residents of the state. This is the story of my family--my great, great grandparents, their children, their cousins and their children. I write it to honor my ancestors and help my extended family know and understand it. I think others will appreciate this story as well, as it reveals the courage and persistence evoked in the face of a great tragedy in which at least 650 civilians were killed. The Dakota people also suffered deeply, but theirs is not my story to tell. I write in the hope that descendants of the Dakota and descendants of the White settlers will one day be able to share our stories with one another.

### Dakota Father

The Nebula Award – winning author of the Alex Benedict novels and the Priscilla Hutchins novels returns to the world of Ancient Shores in a startling and majestic epic. A working stargate dating back more than ten thousand years has been discovered in North Dakota, on a Sioux reservation near Devils Lake. Travel through the gate currently leads to three equally mysterious destinations: (1) an apparently empty garden world, quickly dubbed Eden; (2) a strange maze of underground passageways; or (3) a space station with a view of a galaxy that appears to be the Milky Way. The race to explore and claim the stargate quickly escalates, and those involved divide into opposing camps who view the teleportation technology either as an unprecedented opportunity for scientific research or a disastrous threat to national—if not planetary—security. In the middle of the maelstrom stands Sioux chairman James Walker. One thing is for certain: Questions about what the stargate means for humanity 's role in the galaxy cannot be ignored. Especially since travel through the stargate isn 't necessarily only one way

### Dakota Stories I

The lives and schemes of frontier politicians, Northern Pacific Railroad executives, bonanza farmers, and homesteaders converge in the story of Frances Houghton Bingham, who marries the son of a Red River Valley bonanza farmer in order to remain near her new husband's sister. Emotionally complex, willful and resourceful, Frances is seduced by the myths of opportunity driving the settlement of Dakota Territory, and dares to dream of a new world in which to realize her unconventional desires. Providing a counterpoint to the dramatic risks taken by Frances is the generous voice of Kirsten Knudson, the daughter of Norwegian homesteaders. As Kirsten grows from a voluble girl to a formidable woman, her observations (equal parts absurdity and insight) reveal the heart of the novel.

### Master Humphrey's Clock

Hannah, feisty and independent as ever, has put everything into building up her family 's homestead in North Dakota. Despite tragedy and almost unimaginable hardship due to the Great Depression, unpredictable weather, and unforgiving landscape, she and her new husband Jerry are leading their Amish friends and family in their homesteading venture. When the winter storms and the untimely death of a child become too much for the rest of the community to bear, they move back east. But Hannah and Jerry stay on, doggedly pursuing Hannah 's dreams of a successful ranch. But even Jerry 's spirits begin to fail and when a flag of grasshoppers destroys every last morsel of vegetation after yet another drought, Hannah finally relents and they too return to the fertile soil of Pennsylvania, where life will be safe and predictable. Or so they think, but when tragedy strikes again, Hannah is suddenly a widow, in a place that no longer feels like home

and with family who cannot grasp the depth of the losses she has experienced. Hannah grapples with her faith, struggling to understand who she is and where she belongs. Always before, a flash of anger or defiance had fueled her strong will in the face of adversity and allowed her to push on toward her goals. But what did she have left to fight for now? Slowly, painfully, her heart begins to change. As she begins to reclaim her faith and her strong sense of self, she also starts to notice a handsome, burly man who is unlike anyone she's known before. Is it possible she could find love again in Lancaster? What will it take for her to feel like she's home, like she finally belongs somewhere?

### Dakota

After promising to marry a neighbor once she takes her best friend's daughter Maggie to an uncle in Dakota Territory, Jenny finds herself in a predicament when she falls in love with the girl, the area, and Maggie's new guardian Burke.

### The Dakota Hunter

A tale of a lifelong passion for a WWII aircraft that changed the author's life: "It is almost like an adventure novel except it is true" (Air Classics). This book tells the story of a Dutch boy who grew up during the 1950s in postwar Borneo, where he had frequent encounters with an airplane, the Douglas DC-3, a.k.a. the C-47 Skytrain or Dakota, of World War II fame. For a young boy living in a remote jungle community, the aircraft reached the proportions of a romantic icon as the essential lifeline to a bigger world for him, the beginning of a special bond. In 1957, his family left the island and all its residual wreckage of World War II, and he attended college in The Hague. After graduation, he started a career as a corporate executive—and met the aircraft again during business trips to the Americas. His childhood passion for the Dakota flared up anew, and the fascination pulled like a magnet. As if predestined, or maybe just looking for an excuse to come closer, he began a business to salvage and convert Dakota parts, which meant first of all finding them. As the demand for these war relic parts and cockpits soared, he began to travel the world to track down surplus, crashed, or derelict Dakotas. He ventured deeper and deeper into remote mountains, jungles, savannas, and the seas where the planes are found, usually as ghostly wrecks but sometimes still in full commercial operation. In hunting the mythical Dakota, he often encountered intimidating or dicey situations in countries plagued by wars or revolts, others by arms and narcotics trafficking, warlords, and conmen. The stories of these expeditions take the reader to some of the remotest spots in the world, but once there, one is often greeted by the comfort of what was once the West's apex in transportation—however now haunted by the courageous airmen of the past.

### Pearl

Trapped in a North Dakota blizzard, single mother Vivian Halliday's prayer for herself and her child is answered. Rescue comes in the seemingly terrifying form of Billy Black, the hulk of a man feared by all the townsfolk. Yet in the home he shares with his ailing mother, the handsome, gentle giant warms her baby's bottles and sings sweet lullabies that lull even Vivian to peaceful sleep. When the storm abates and it is safe to leave, will she seek the life that led her back to the village... or stay where she's found an unexpected family for herself and her Dakota child?

### Into the Wild

From National Book Award-winning, New York Times-bestselling author Louise Erdrich, a profound and enchanting new novel: a richly imagined world "where butchers sing like angels." Having survived World War I, Fidelis Waldvogel returns to his quiet German village and marries the pregnant widow of his best

friend, killed in action. With a suitcase full of sausages and a master butcher's precious knife set, Fidelis sets out for America. In Argus, North Dakota, he builds a business, a home for his family—which includes Eva and four sons—and a singing club consisting of the best voices in town. When the Old World meets the New—in the person of Delphine Watzka—the great adventure of Fidelis's life begins. Delphine meets Eva and is enchanted. She meets Fidelis, and the ground trembles. These momentous encounters will determine the course of Delphine's life, and the trajectory of this brilliant novel.

### Dakota

I never thought I ' d have a bounty on my head the size of the Milky Way. Of course, I never thought I ' d be able to bend time, either. But hey, life is full of surprises. Don ' t get me wrong, feeling like a goddess has its perks, but those perks come with a hefty price. My brain is tapioca. I ' m stranded in the middle of dead space. Ratters are using me for target practice, and a giant, cybernetic monster named Oscar is trying to make me his chew toy. All this because I played superhero (or thief, according to some) and snatched a doomsday device from an intergalactic mobster. So if I don ' t make it out of here alive, remember this: Above all else, I want a Viking funeral. If you love Firefly, can't get enough of Doctor Who, or think the idea of a female Indiana Jones scouring the galaxy for precious artifacts with a gigantic tiger at her side sounds like it could be a lot of fun, then this is the book for you.
