When a mysterious painting offers her a trip to the past, will Isla find new hope for her future? On the brink of aging out the foster system, the last thing Isla Laird wants is to spend Christmas in an old-fashioned plantation. What's the point of bonding with her foster mom when it's too late to ever be adopted? But when a mysterious painting suddenly thrusts her into the nineteenth century, Isla is forced to face hurts and memories she's long tried to bury. With time running out and her heart in tatters, can God use an impossible miracle to bring Isla hope for a new future?

of The Third Hotel The mesmerizing story of a Latin American science fiction writer and the lives her lost manuscript unites decades later in post-Katrina New Orleans In 1929 in New Orleans, a Dominican immigrant named Adana Moreau writes a science fiction novel. The novel earns rave reviews, and Adana begins a sequel. Then she falls gravely ill. Just before she dies, she destroys the only copy of the manuscript. Decades later in Chicago, Saul Drower is cleaning out his dead grandfather's home when he discovers a mysterious manuscript written by none other than Adana Moreau. With the help of his friend Javier, Saul tracks down an address for Adana's son in New Orleans, but as Hurricane Katrina strikes they must head to the storm-ravaged city for answers. What results is a brilliantly layered masterpiece—an ode to home, storytelling and the possibility of parallel worlds.

determined she'll make her missing father proud by taking up his cause and aiding Confederate soldiers--even if she has to outmaneuver the Yankees guarding her home to do it. Samuel Flynn's life is consumed with two priorities: learning to become a proper guardian for the young orphans he's adopted and obtaining his physicians license. When his final testing sends him to a Federal Army field hospital, the last thing he expects is to be entranced by a mysterious woman. But when Evelyn's misguided exploits put her life in danger, will he risk everything he's worked for to save a woman he thinks is his enemy? Based on first-hand accounts from the Civil War and with a strong romantic thread, this is a tale of faith, espionage, hope, and courage historical fiction fans won't want to miss. The Lost Book of Adana Moreau

A brilliant, unforgettable novel from bestselling author Ruth Ozeki—shortlisted for the Booker Prize and the National Book Critics Circle Award “A time being is someone who lives in time, and that means you, and me, and every one of us who is, or was, or ever will be.” In Tokyo, sixteen-year-old Nao has decided there's only one escape from her aching loneliness and her classmates' bullying. But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who's lived more than a century. A diary is Nao's only

solace—and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox—possibly debris from the devastating 2011 tsunami. As the mystery of its contents unfolds, Ruth is pulled into the past, into Nao's drama and her unknown fate, and forward into her own future. Full of Ozeki's signature humor and deeply engaged with the relationship between writer and reader, past and present, fact and fiction, quantum physics, history, and myth, *A Tale for the Time Being* is a brilliantly inventive, beguiling story of our shared humanity and the search for home.

Tale of Eternity

The *Flame of Eternity* provides a reexamination and new interpretation of Nietzsche's philosophy and the central role that the concepts of eternity and time, as he understood them, played in it. According to Krzysztof Michalski, Nietzsche's reflections on human life are inextricably linked to time, which in turn cannot be conceived of without eternity. Eternity is a measure of time, but also, Michalski argues, something Nietzsche viewed first and foremost as a physiological concept having to do with the body. The body ages and decays, involving us in a confrontation with our eventual death. It is in relation to this brute fact that we come to understand eternity and the finitude of time. Nietzsche argues that humanity has long regarded the impermanence of our life as an illness in need of curing. It is this "pathology" that Nietzsche called nihilism. Arguing that this insight lies at the core of Nietzsche's philosophy as a whole, Michalski seeks to explain and reinterpret Nietzsche's thought in light of it. Michalski maintains

that many of Nietzsche's main ideas--including his views on love, morality (beyond good and evil), the will to power, overcoming, the suprahuman (or the overman, as it is infamously referred to), the Death of God, and the myth of the eternal return--take on new meaning and significance when viewed through the prism of eternity.

Yours for Eternity

5,000 years in the future, humankind has spread across thousands of worlds, and more than a dozen different governments exist in an uneasy truce. But human beings have found no signs of other life anywhere approaching human intelligence. This changes when scientists discover a sunless planet they name Danann, travelling the void just beyond the edge of the Galaxy at such a high speed that it cannot be natural. Its continents and oceans have been sculpted and shaped, with but a single megaplex upon it--close to perfectly preserved--with tens of thousands of near-identical metallic-silver-blue towers set along curved canals. Yet Danann

has been abandoned for so long that even the atmosphere has frozen solid. Within a few years Danann will approach an area of singularities that will make exploration and investigation impossible. Orbital shuttle pilot Jiendra Chang, artist Chendor Barna, and history professor Liam Fitzhugh are recruited by the Comity government and its Deep Space Service, along with scores of other experts as part of an unprecedented and unique expedition to unravel Danann's secrets. And there are forces that will stop at nothing to prevent them, even if it means interstellar war. Other Series by L.E. Ziva discovers that destiny includes powers that she doesn't understand and can barely control. Her magic attracts vicious, otherworldly monsters, and eventually compatriots to help her fight them. Sayer and Nasira know the secrets Ziva doesn't; that Ziva is descended from Egyptian royalty and in possession of ancient magic passed down from the time of the gods. They promise to teach Ziva to control her magic and to give her the family she's always yearned for. But trouble is brewing in the world around them; darkness is descending on Hitler's Germany, threatening World War II. As the last heir of a revered Egyptian queen, Ziva is the only one with the power to prevent another costly global conflict. As Ziva navigates her newfound abilities and makes a connection with Anubis and other Egyptian gods, the Nazis are hunting for the ultimate weapon, and Ziva has caught their interest. *Wardens of Eternity* is written by Courtney Moulton, author of the acclaimed *Angelfire* series. It is an action-packed page-turner that blends history, mythology, and magic. It is a clean teen historical fantasy; perfect for fans of Rick Riordan and Kiersten White.

But she isn't prepared for a startling world that won't accept her color or her gender, and her ambitions soon land her in grave danger. The privileged daughter of a plantation owner and an aspiring suffragette, Faith Harper is determined not to marry. Especially not her father's opportunistic new business partner. She doesn't want any man telling her what to do, least of all the annoyingly chivalrous Nolan Watson. But when Mercy goes missing, Faith will do anything to find her best friend, even if it means trusting a man she doesn't understand. In a time where prejudices try to define them, Mercy and Faith must push the boundaries of their beliefs and trust in the God who holds the keys to freedom. *Includes discussion questions Don't miss these other titles from Bestselling Christian Historical author Stephenia H. passionate conclusion. In *Fall of Giants* and *Winter of the World*, Ken Follett followed the fortunes of five international families--American, German, Russian, English, and Welsh--as they made their way through the twentieth century. Now they come to one of the most tumultuous eras of all: the 1960s through the 1980s, from civil rights, assassinations, mass political movements, and Vietnam to the Berlin Wall, the Cuban Missile Crisis, presidential impeachment, revolution--and rock and roll. East German teacher Rebecca Hoffmann discovers she's been spied on by the Stasi for years and commits an impulsive act that will affect her family for the rest of their lives. . . . George Jakes, the child of a mixed-race couple, bypasses a corporate law career to join Robert F. Kennedy's Justice Department and finds himself in the middle of not only the seminal events of the civil rights battle but a much more personal battle of his own. . . . Cameron Dewar, the grandson of a senator, jumps at the chance to do some official and unofficial espionage for a cause he believes in, only to discover that the world is a much more dangerous place than he'd imagined. . . . Dimka Dvorkin, a young aide to Nikita Khrushchev, becomes an agent both for good and for ill as the United States and the Soviet Union race to the brink of nuclear war, while his twin sister, Tanya, carves out a role that will take her from Moscow to Cuba to Prague to Warsaw--and into history. Look out for Ken's newest book, *A Column of Fire*, available now.

Hunted to Death, or life in Two Hemispheres: a tale of love and adventure

The ancient rhythm of night becoming day becoming night again has always set the tempo of our everyday lives. The daily spin and tilt of the Earth rules our clocks and calendars as well as our human bodies. Yet our minutes and hours and days all too often slip away completely unnoticed. For generations and cultures around the globe and across the ages, though, the moments surrounding sunrise and sunset have been noticeable exceptions: believers and seekers have long gathered in the gloaming to pause and reflect on the notion that the sacred unfolds, if it unfolds anywhere, in ordinary time. In *Time, Twilight, and Eternity*, Thom Rock explores the rich tradition of that unfolding, not only through the physics and optics of any twilight hour or rising or setting sun, but also through the whispered prayers of so many faith traditions. An unforgettable journey through the mysteries and wonders of dusk and dawn--as well as the extraordinary gifts of common prayer, ordinary time, and everyday grace--this poetic and evocative work is ultimately about our own rising and setting . . . and rising again; the daily practice of resurrection and fully inhabiting our lives here and now.

The Hope of Christmas Past

From one of the greatest legal injustices of our time sprang one of the most unlikely—and unforgettable—love stories. Damien Echols was just eighteen years old when he was condemned to death for a crime he didn't commit. His case—that of the infamous “West Memphis Three”—gained notoriety after a documentary, *Paradise Lost*, exposed the biased nature of the trial and Echols as the precocious, charming—and tragic—figure at its center. Lorri Davis was a landscape architect living in New York City when she surreptitiously wandered into a showing of the film, and she left forever changed. She, too, was from the South, accustomed to being the outsider in a small town. She saw much of herself in Echols, understood how he could easily have been swept up in a witch hunt, and she couldn't get him out of her head. So she wrote him a letter—and when it arrived in Echols's penitentiary cell in April 1996, hers were some of the first kind words of support he heard. Over the course of a remarkable sixteen-year correspondence, Echols and Davis grew to know each other, fall in love, and marry—all without ever being able to touch each other freely or be alone together. In *Yours for Eternity*, their extraordinary letters provide a singular portrait of their marriage, from the first, heady days of discovery to the final, painful months before Echols's release. Through postscripts and footnotes, Echols and Davis describe how they overcame the enormous challenges and heartbreaks throughout the years—personal setbacks, legal complications, and much more. *Yours for Eternity* reveals a relationship unfolding in the most exceptional of circumstances. Powerful and incredibly intimate, it is a modern-day love story for the ages.

This pioneering study describes the quest of Baptists in the different colonies (later states) to develop their identity as Australians and Baptists. The first comprehensive history of Baptists in Australia with a national focus, the Baptist story is traced from their beginnings in 1831 with the first baptisms in Woolloomooloo Bay (Sydney) in 1832 down to modern times. Changes and continuities, achievements and failures are carefully analyzed and related to the wider social, political and cultural context. The first volume covers the period from 1831 until the outbreak of the First World War in 1914 and shows how a strong sense of becoming an Australian Church shaped much of their development from the various types of British Baptists who began the movement in the new nation. What it meant to be an Australian Baptist is described using denominational newspapers, church records and personal memoirs.

The year is 1884 and the Paris Opera House is at last ready to re-open its doors. Answering an advertisement for the position of costume designer and seamstress, Genevieve Devereaux wants only a simple existence and a means to support herself after escaping a troubled and violent marriage. Once a member of the glittering Parisian nobility, Genevieve abandons her old identity and finds in the theater the ideal environment to live in peace and do work she enjoys. A year has passed since the infamous disaster that almost left the Opera in ruins, but beneath the stage in the catacombs below, the supposed madman rumored to be the Opera Ghost still lives. With his life in tatters and his heart mad with grief, Erik finds in Genevieve a woman with her own secrets and everything to lose. Breaking his year-long silence, the Phantom of the Opera takes up his game to resurrect his reign of terror and secure the object of his desperate obsession, the now married Christine de Chagny, using Genevieve as his unwilling pawn. But with each confrontation, a heated tension begins to grow between them, binding them more irrevocably together. As the shadow of Genevieve's violent past closes in, will finding someone just as broken as he is convince Erik to step off the path that will inevitably lead to his own self-destruction? Inspired by the original novel by Gaston Leroux.
