On Silver Wings

The Ghost Towns of Wyoming

Finding Her Way Home Cozy Lake Endwell, Michigan, seems the perfect place for Jade Emerson's new T-shirt shop--and perhaps a fresh start. After a lifetime of letdowns, she is finally ready to face the future on her own. So when local wilderness guide Bryan Sheffield offers to help Jade overcome a past trauma, she warns him they will remain strictly business. But soon, with the help of Bryan's big, complicated family and a boisterous St. Bernard named Teeny, Jade's frozen heart begins to thaw. Now Jade wonders if she can return the favor, bringing a little happiness to a man who has long kept his own sorrow under wraps

Hers for the Summer

Sanctuary in Wyoming? To escape a dreaded arranged marriage, Penny Castlerock will face anything--even life on her grandfather's farm. But it isn't the rustic lifestyle that's got the Philadelphia socialite tied in knots. It's the handsome homesteader and his eight adopted children next door. With seven boys and a girl to raise, transplanted farmer Jonas White could sure use some help. He just didn't expect it to come from the high-spirited, copper-haired beauty he's always admired from afar. But surely working the land is no life for a woman like Penny. Yet a threat to Jonas's farm just might show him how perfect Penny is for him after all.

The Pioneer Women of Wyoming

These essays explore the challenges Jeffe Kennedy has faced as a woman, a Westerner, a father-less daughter, a stepmother, a biologist, and a girl with hair of no specific color. From

the book's opening in a cornfield, where Kennedy is searching for the twenty-five-year-old site of the plane crash that killed her father, she seems to be in constant motion. She is the feminist adolescent, ashamed to win a prize in home economics who learns to take joy in her pastry skills. She is the scientist struggling with mortality, the liberal learning to shoot a gun. "With cheeky wisdom, Jeffe Kennedy explores the extraordinary moments that transform ordinary lives. No revelation--from the meaning of the death of a parent to being a blonde--is too big or small for this Colorado-born biologist to dissect. Her insights tell us a lot about the way lives enhanced by real convictions are formed."--Vicki Lindner, author of *Outlaw Games* "[Kennedy] writes vividly and with great clarity. Her sensitivity and empathy for other people enhances an unusually authentic ability to establish three-dimensional characterization."--Lee Gutkind, editor, *Creative Nonfiction*

Wicked Wyoming Nights

What a cowboy wants The Cowboy's Second Chance by USA TODAY Bestselling Author Christyne Butler Landon Cartwright was a hero in Maggie Stevens's eyes. The roving cowboy showed up just in time to rescue the Crescent Moon owner from the men trying to steal her land. But the longer the sexy-as-sin loner stayed—working her ranch and bonding with her

daughter—the more Maggie knew she was setting herself up for heartbreak. Because Landon wasn't a stick-around kind of guy. The Cowboy and the CEO by Christine Wenger Workaholic Susan Collins wasn't the Gold Buckle Ranch's typical visitor—or camp counselor. The high-powered CEO was more likely to write a check to help children with disabilities than to teach them arts and crafts. For Susan, it was all business, never personal. So the last thing she expected was to fall for sexy rodeo cowboy Clint Scully. But there's a reason they say opposites attract— Previously published as The Cowboy's Second Chance and The Cowboy and the CEO
