### Believing Christ

In *Jesus on Trial*, New York Times bestselling author David Limbaugh applies his lifetime of legal experience to a unique new undertaking: making a case for the gospels as hard evidence of the life and work of Jesus Christ. Limbaugh, a practicing attorney and former professor of law, approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew, Mark, Luke, and John. His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian. Ultimately, Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive enquiry—including his examination of historical and religious evidence beyond the gospels—and thereby affirms Christian faith, spirituality, and tradition.

### Know why You Believe

This thoroughly revised and updated edition of Bruce Milne's excellent handbook expounds the great themes of God's Word and how they fit together. Each chapter deals with one aspect of biblical truth, and the main sections conclude with practical reflection.

### The Great Gatsby

A medical expert - the Chief of the Division of Infectious Diseases at Children's Hospital in Philadelphia - offers a scathing expose of the alternative medicine industry, revealing how its popular therapies are ineffective, expensive and even deadly. A half a century ago, acupuncture, homeopathy, naturopathy, Chinese herbs, Christian exorcisms, dietary supplements, chiropractic manipulations and traditional Indian remedies were once considered on the fringe of medicine. Now, these practices-known as alternative, complementary, holistic, and integrative medicine-have become mainstream, used by those seeking to burn fat, detoxify livers, shrink prostates, alleviate colds, stimulate brains, boost energy, reduce stress, enhance immunity, eliminate pain, prevent cancer, and enliven sex. But as Paul Offit reveals, alternative medicine - an unregulated industry under no legal obligation to prove its claims or admit its risks - can actually be harmful to our health.

### Don't Believe a Word: The Surprising Truth About Language

Americans—especially young people—are more un-churched and less affiliated with organized religion than at any other time in our history. *I Don't Know What to Believe* addresses that decline and presents an insightful examination of authentic spirituality for those who desire answers, guidance, and perspective regarding an important aspect of their lives: their beliefs, and relationship to, a higher power. Rabbi Ben Kamin addresses questions he has received from real people over the thirty years of his ministry, such as: Why does my parents' religion have to define me? Am I God's child even if I don't go to religious services? Does scripture include me in its ideology regardless of how much scripture I know? How do I follow my own spirituality while still respecting my parents' traditions? Ben Kamin is the award-winning author of ten books and is a scholar on the life and work of Dr. Martin Luther King, Jr. He has led congregations in Toronto, New York, Cleveland, and San Diego since his ordination in 1978.

### **Think, Act, Be Like Jesus**

In writings lovingly collected and edited by his wife Marie after his death, Paul E. Little explores the central question of Christianity: can we know God? By looking at the identity of Jesus Christ, his claims regarding his identity and his promises to his followers and inquirers, we arrive at the wonderful conclusion of the Christian faith: through Jesus Christ we may know God personally.

### **Don't Check Your Brains at the Door**

"What does everyone in the modern world need to know? [The author's] answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. [The author discusses] discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life"--

### **Know why You Believe**

Draws on real-life stories and figures, including Martin Luther King, Jr. and Steve Jobs, to examine the qualities a good leader requires in order to inspire and motivate people.

### **American Gods**

From the author of the bestselling novel *The Shack* and the New York Times bestsellers *Cross Roads* and *Eve* comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the eternal, all-encompassing nature of God's love. Now, in Wm. Paul Young's first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we've presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the "Papa" portrayed in *The Shack*—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God's deep and abiding love.

## Grounded in the Faith

The Thin Book of® Trust is a small book about a very important subject. A lot has been written about trust: about what it is and what it can do for people, families, companies, communities and countries. Often, good work is being sabotaged by interpersonal conflict, political infighting, paralysis, stagnation, apathy, or cynicism. Almost always, one can trace these problems to a breakdown in trust. It not only kills good work, it also inevitably creates some degree of misery, annoyance, fear, anger, frustration, resentment, and resignation. By contrast, in successful companies where people are innovative, engage in productive conflict and debate about ideas, and have fun working together, one can find strong trusting relationships. Having the trust of those you work with is too important not to be intentional about building and maintaining it. The goal of The Thin Book of® Trust is to give you enough clear and concrete language to understand and address issues of trust at work and includes some sample scripts. You will learn how to build and maintain strong trusting relationships with others, and repair trust when it is broken, by being intentional and consistent in your language and actions. Understanding and consistently demonstrating trustworthy language and behavior will help you earn and keep the trust of the people you work with. The author, Charles Feltman, is a coach with many years of experience working with all kinds of people and organizations. For this reason, he's able to define trust in a way that I hope you will find eminently useful. First he defines trust as choosing to risk making something you value vulnerable to another person's actions. He then breaks the concept of trust down into 4 assessments. That means that instead of labeling someone as untrustworthy, you can dig deeper and define which of the 4 assessments you are struggling with. The 4 assessments are: SincerityReliabilityCompetenceCareThis book includes a pull-out card with the 4 distinctions of Trust. You'll find it very useful in stimulating a conversation about Trust. If your training budget doesn't allow for a purchase of the Trust book for everyone, give everyone this card instead

## How to Give Away Your Faith

Do science and Scripture conflict? Are miracles possible? Is Christian experience real? Why does God allow suffering and evil? In this classic answerbook on Christian faith, Paul E. Little responds to the twelve most common intellectual challenges posed to Christians.

## Certainty

A linguist's entertaining and highly informed guide to what languages are and how they function. Think you know language? Think again. There are languages that change when your mother-in-law is present. The language you speak could make you more prone to accidents. Swear words are produced in a special part of your brain. Over the past few decades, we have reached new frontiers of linguistic knowledge. Linguists can now explain how and why language changes, describe its structures, and map its activity in the brain. But despite these advances, much of what people believe about language is based on folklore, instinct, or hearsay. We imagine a word's origin is its "true" meaning, that foreign languages are full of "untranslatable" words, or that grammatical mistakes undermine English. In Don't Believe A Word, linguist David Shariatmadari takes us on a mind-boggling journey through the science of language, urging us to abandon our prejudices in a bid to uncover the (far more interesting) truth about what we do with words. Exploding nine widely held myths about language while introducing us to some of the fundamental insights of modern linguistics, Shariatmadari is an energetic guide to the beauty and quirkiness of humanity's greatest achievement.

## **Start with why**

Why do you believe what you believe about the Holy Spirit? Are your beliefs based on current trends of thought in the church or the world around you, or do they fit in with what the Bible and Christian tradition teaches? Does it matter? What are the consequences of your beliefs? In this thought-provoking survey, Graham McFarlane draws on the insight of ancient and modern thinkers to work out the implications of the biblical witness to the Spirit for the individual believer, and for the church as a reconciling community. Combining clear teaching with practical applications, this book encourages readers to think through their faith.

## **Know What You Believe**

The greatest challenge for the twenty-first-century church is the lack of catechesis--training in biblical and doctrinal knowledge. As J. I. Packer states, "where wise catechesis has flourished the church has flourished, and where it has been neglected the church has floundered." It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it. *Grounded in the Faith* takes up that challenge with twenty-four low-prep, in-depth sessions that will ground believers in the basics of their faith. This new innovative guide is a transformational disciple-making tool that leaders can immediately use to activate discipleship in the church. It presents individuals, small groups, and Sunday school classes with a cohesive understanding of historic, sound, biblical theology that serves as a catalyst for deeper intimacy with Christ. It is a user-friendly guide to growth in the Christian faith that covers important topics such as justification, overcoming temptation, sanctification, evidence for the inspiration of the Bible, the value of prayer, the guidance of God, the Trinity, the uniqueness of Christ, and the attributes of God.

## **Through Eyes of Color (Participant's Guide)**

Written to ground people in the doctrines of the Bible, this book can be used for personal study by both new and mature believers. It can also be used by pastors and church leaders as an effective teaching aid. God's truths are expressed in a clear and concise manner with many of the relevant verses included in the text for the reader's convenience. The following areas of doctrine are covered: God (Theology) Jesus Christ (Christology) The Holy Spirit (Pneumatology) Human Beings (Anthropology) Salvation (Soteriology) Grace vs Law The Church (Ecclesiology) The Baptism in the Holy Spirit Healing Angels and Heavenly Beings (Angelology) The Enemy (Demonology) Prayer Worship Death (Thanatology) The Second Coming of Jesus Christ (Eschatology) Dr. Stuart Pattico is the Senior Pastor of Joy Community Church and the author of several Christian books. ## **Mindwise**

*Change Your Beliefs, Change Your Life* We all have times in our lives when the results of our behavior don't seem to be meeting our needs. In this new book, Hyrum Smith does two things that are invaluable to people who wish to make their lives less painful. First, he reveals, through a clear and simple model, how we get to the point where our behaviors cause these kinds of problems. Then, with a simplicity that is impressive in itself, he describes the steps we must take to identify and rectify the beliefs leading to our painful behavior. The result is a powerful process for transforming your habits and relationships and achieving lasting personal

and career success.

## **You Are What You Believe**

Six studies drawn from Paul Little's bestselling *Know Why You Believe* lead you into Scripture to find reasonable responses to the many tough questions you and others may have about Jesus and Christianity.

## **Firm Foundations**

"So you want to witness! I did too, but I didn't have a clue about how to do it without stubbing my toe in the process." So begins the book that has helped more than a million people give their faith to others. Paul Little's humor and down-to-earth approach help show how friendly and natural evangelism can really be. "Impossible!" you may say. "I just don't know what I'd tell people. What if I can't answer their questions? What if they think I'm just strange?" Paul Little has faced these same fears and found effective and biblical ways to overcome them. Thoroughly revised by Marie Little and featuring a study guide for individuals or groups, *How to Give Away Your Faith* is as current as it is classic. Now more than ever, here is the book to excite you about giving away your faith.

## **Why Leaders Lie**

A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press Malcolm Gladwell, host of the podcast *Revisionist History* and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers -- and why they often go wrong. How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to each other that isn't true? While tackling these questions, Malcolm Gladwell was not solely writing a book for the page. He was also producing for the ear. In the audiobook version of *Talking to Strangers*, you'll hear the voices of people he interviewed--scientists, criminologists, military psychologists. Court transcripts are brought to life with re-enactments. You actually hear the contentious arrest of Sandra Bland by the side of the road in Texas. As Gladwell revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, and the suicide of Sylvia Plath, you hear directly from many of the players in these real-life tragedies. There's even a theme song - Janelle Monae's "Hell You Talmbout." Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world.

## **Know What You Believe**

What does Christianity have to do with anything? What does the Christian faith teach about God, Jesus and the Holy Spirit? What do I need to know about angels, Satan and demons? What place should the Bible or a church have in my life? By exploring these and other core questions, bestselling author Paul E. Little leads you into a greater appreciation of a God who has done great things to bring you into a relationship with him through Jesus Christ. He presents ten bottom-line, non-negotiable truths of Christianity using humorous, anecdotal illustrations gathered from years of experience helping believers share their faith with not-yet

Christians. Expanded and updated throughout by Paul's wife Marie, this contemporary edition is packed with illuminating answers to questions and misconceptions about the Christian faith, with study questions for each chapter.

## **Why Do You Believe What You Believe About the Holy Spirit?**

Paul Little tackles the difficult questions that confront Christian belief. This third edition, updated and expanded by Marie Little, includes a study guide for individuals or groups.

## **The Alternative: Most of What You Believe About Poverty Is Wrong**

In *How to Believe in God*, Clark Strand, an accomplished master of both Eastern and Western mystical practices, takes on the most troublesome and provocative passages from Judeo-Christian scripture, transforming the Bible into a manual of spiritual liberation for the twenty-first-century seeker. Offering a revolutionary new model of approaching the Bible, he frees those sacred scriptures from superstition, dogma, and tribalism, and in the process recovers their universal teaching on salvation and belief. Drawing on his personal experiences, including his Bible Belt upbringing, his years as a Buddhist monk, and his life as a father and husband in a small rural community, Strand makes even the most subtle spiritual teaching heartfelt and accessible. *How to Believe in God* illuminates a clear path to reclaiming a God that leaves nothing out and leaves no one behind. His open, gentle, pioneering approach to faith allows everyone—from churchgoing Christians to those with no religious affiliation at all—to experience the Bible in new and exciting ways.

## **Jesusology**

Presents an analysis of the lying behavior of political leaders, discussing the reasons why it occurs, the different types of lies, and the costs and benefits to the public and other countries that result from it, with examples from the recent past.

## **Know Who You Believe**

"This majestic, moving novel is an instant classic, a book that will be read, discussed and taught beyond the rest of our lives."—Chicago Tribune Winner of the National Book Critics Circle Award, *A Lesson Before Dying* is a deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. From the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.

## **I Don't Know What to Believe**

From the bestselling author of *Eat That Frog!*, a motivational guide to using the Psychology of Achievement to banish negative thoughts and behaviors and unlock your full potential for success. Letting go of negative thoughts is one of the most important steps to living a successful, fulfilling life, but also often the most difficult. In this practical, research-based guide, bestselling authors Brian Tracy and psychotherapist Christina Stein present their "Psychology of Achievement" program to help you identify and overcome detrimental patterns and ideas preventing you from achieving your goals or feeling happy and satisfied in your life. Whether this negativity stems from a past relationship that ended badly, a childhood trauma, a business

or career failure, or general insecurity, Tracy and Stein help you recognize how conscious--and more oftentimes unconscious--negativity affects your personality, your outlook and your decisions. Along the way, they show you how to regain control of your thoughts, feelings, and actions, turn negatives into positives, and learn to accept unexpected life changes without falling back into old negative patterns. Essential reading for anyone feeling stuck, BELIEVE IT TO ACHIEVE IT offers an important roadmap to conquer negativity and embrace the power of positive thinking to live a happy, successful life.

## **What I Know For Sure**

From the author of the acclaimed *Simply Christian* and *Surprised by Hope* comes a book that addresses the question that has plagued humans for centuries—what is our purpose? As Christians, what are we to do with that ambiguous time between baptism and the funeral? It's easy to become preoccupied with who gets into heaven; the real challenge is how we are going to live in the here and now. Wright dispels the common misconception that Christian living is nothing more than a checklist of dos and don'ts. Nor is it a prescription to "follow your heart" wherever it may lead. Instead, *After You Believe* reveals the Bible's call for a revolution—a transformation of character that takes us beyond our earthly pursuit of money, sex, and power into a virtuous state of living that allows us to reflect God and live more worshipful, fulfilling lives. We are all spiritual seekers, intuitively knowing there is more to life than we suspect. This is a book for anyone who is hoping there is something more while we're here on Earth. There is. We are being called to join the revolution, and Wright insightfully encourages readers to find new purpose and clarity by taking us on an eye-opening journey through key biblical passages that promise to radically alter the work of the church and the direction of our lives.

## **Killing Us Softly**

"The finest work of fiction by any American writer No American novel comes closer than *Gatsby* to surpassing literary artistry, and none tells us more about ourselves" THE WASHINGTON POST "A curious book, a mystical, glamorous story that's both boisterous and tragic" THE NEW YORK TIMES "Fantastic proof that chivalry, of a sort, is not dead" LIFE MAGAZINE It's the Roaring Twenties, and New York City is the place to be. Everything can be purchased, everyone can be bought. But, can you make money erase your past? It's the Roaring Twenties, and it is the time of over-indulgence. As far as the eyes can see and the mind can perceive, there are ostentatious displays of wealth and even more lavish displays of decadency. Unapologetic decadency. But, does it ever stop? It's the Roaring Twenties, and the great American Dream has been perverted. It no longer stands for anything profound that resonates with people. But, does the Idealism even attempt to stop the Materialism? As more and more people lose themselves to the lure of money, ironically the only person who remains unaffected is Jay Gatsby, the enigmatic host of the most extravagant parties... In this definitive tale on American culture, Fitzgerald pits a chaste dream against the corrupting influences of wealth and comes up with an epic story that can only be defined as 'A Great American novel'.

## **A Lesson Before Dying**

## **How to Believe in God**

An exploration of the human mind's capacity for instinctive understanding about the feelings and desires of others explains how the ability or inability to understand the minds of those around us leads to connection or conflict.

## **Do You Believe in Magic?**

### **Talking to Strangers**

The Christian life depends upon faith, but there are good reasons for that faith. In *Know Why You Believe* professor and author K. Scott Oliphint answers the "why" questions both Christians and non-Christians often ask, laying out a simple and convincing case for the core teachings of Christianity. As part of the KNOW series, *Know Why You Believe* is designed for personal study or classroom use, but also for small groups and Sunday schools wanting to better understand the traditional defenses of Christian belief. Each chapter covers a foundational teaching and includes a rationale for that teaching, responses to common objections, reflection questions to prompt further consideration, and suggested readings for readers wanting to dig deeper.

### **The Thin Book of Trust**

The Bible teaches that the goal of the Christian life is to become like Jesus—for our own personal growth and for the sake of others. Every believer needs to ask three big questions: What do I believe? What should I do? And who am I becoming? In *Think, Act, Be Like Jesus*, bestselling author and pastor Randy Frazee helps readers grasp the vision of the Christian life and get started on the journey of discipleship. After unfolding the revolutionary dream of Jesus and showing how our lives fit into the big picture of what God is doing in the world, Frazee walks readers through thirty short chapters exploring the ten core beliefs, ten core practices, and ten core virtues that help disciples to think, act, and be more like Jesus Christ. This compelling new book can be used in conjunction with the 30-week all-church Believe campaign or read separately as an individual study. Either way, readers will deepen their understanding of what it means to not just know the Story of God, but to live it.

### **After You Believe**

Offers teens a fuller understanding of Jesus and God made flesh, His crucifixion, resurrection and role as intercessor for us.

### **Know Why You Believe**

In *Do You Believe in Magic?*, medical expert Paul A. Offit, M.D., offers a scathing exposé of the alternative medicine industry, revealing how even though some popular therapies are remarkably helpful due to the placebo response, many of them are ineffective, expensive, and even deadly. Dr. Offit reveals how alternative medicine—an unregulated industry under no legal obligation to prove its claims or admit its risks—can actually be harmful to our health. Using dramatic real-life stories, Offit separates the sense from the nonsense, showing why any therapy—alternative or traditional—should be scrutinized. He also shows how some nontraditional methods can do a great deal of good, in some cases exceeding therapies offered by conventional practitioners. An outspoken advocate for science-based health

advocacy who is not afraid to take on media celebrities who promote alternative practices, Dr. Offit advises, "There's no such thing as alternative medicine. There's only medicine that works and medicine that doesn't."

### **12 Rules for Life**

The Classic Bestseller, Revised for a New Generation Know Why You Believe is a thinking person's book designed to help you carefully examine the claims of the Christian Faith. It provides answers to such tough questions as: bull; bull;How do I know there's a God? bull;Did Jesus Really rise from the dead? bull;Is Christian experience real? bull;Why is there pain and evil in the world? bull;Are miracles possible? bull;Do science and the Bible conflict?

### **Know What You Believe**

Through Eyes of Color is a contextualized guide to help you know what you believe and why. It was curated from the Jude 3 Project podcast to give you a guide to answer the apologetic questions that are common in the black community. This six-week journey can be done with a group or alone.

### **Believe It to Achieve It**

As a creative force, student of the human heart and soul, and champion of living the life you want, Oprah Winfrey stands alone. Over the years, she has made history with a legendary talk show - the highest-rated program of its kind, launched her own television network, become the nation's only African-American billionaire, and been awarded both an honorary degree by Harvard University and the Presidential Medal of Freedom. From all her experiences, she has gleaned life lessons—which, for fourteen years, she's shared in O, The Oprah Magazine's widely popular "What I Know For Sure" column, a monthly source of inspiration and revelation. Now, for the first time, these thoughtful gems have been revised, updated, and collected in What I Know For Sure, a beautiful cloth bound book with a ribbon marker, packed with insight and revelation from Oprah Winfrey. Organized by theme—joy, resilience, connection, gratitude, possibility, awe, clarity, and power—these essays offer a rare, powerful and intimate glimpse into the heart and mind of one of the world's most extraordinary women—while providing readers a guide to becoming their best selves. Candid, moving, exhilarating, uplifting, and frequently humorous, the words Oprah shares in What I Know For Sure shimmer with the sort of truth that readers will turn to again and again.

### **Know the Truth**

Clara Miller, President of the F. B. Heron Foundation: The Alternative, is not only important reading, it's imperative. Miller, a trained engineer, the one-time manager of a top social service organization and most importantly, the son of a remarkable single mother, has both lived and observed the failings embodied in our attitudes toward the poor and, as a result, the flaws in our systems meant to help people in poverty. He merges heart and soul with system thinking to yield a prescription featuring the real math, trust relationships and courage that can change the "us and them," to "upward together" and put American families in the driver's seat to build their futures.

### **Lies We Believe About God**

Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same

### **Know Why You Believe**
