"Includes the rediscovered part four"--Cover.

Missy's Murder

A NEW YORK TIMES BESTSELLER For Sarah Hepola, alcohol was "the gasoline of all adventure." She spent her evenings at cocktail parties and dark bars where she proudly stayed till last call. Drinking felt like freedom, part of her birthright as a strong, enlightened twenty-first-century woman. But there was a price. She often blacked out, waking up with a blank space where four hours should be. Mornings became detective work on her own life. What did I say last night? How did I meet that guy? She apologized for things she couldn't remember doing, as though she were cleaning up after an evil twin. Publicly, she covered her shame with self-deprecating jokes, and her career flourished, but as the blackouts accumulated, she could no longer avoid a sinking truth. The fuel she thought she needed was draining her spirit instead. A memoir of unblinking honesty and poignant, laugh-out-loud humor, **BLACKOUT** is the story of a woman stumbling into a new kind of adventure--the sober life she never wanted. Shining a light into her blackouts, she discovers the person she buried, as well as the confidence, intimacy, and creativity she once believed came only from a bottle. Her tale will resonate with anyone who has been forced to reinvent or struggled in the face of necessary change. It's about giving up the thing you cherish most--but getting yourself back in return. ***Includes Reading Group Guide***

The Boy who Came Back from Heaven

The true story of an ordinary boy's most extraordinary journey following a car accident that left him paralyzed offers new insights on miracles, life beyond this world and the power of a father's love.

Take Four

A wall went up around Alex Brady ' s heart when his father, a New York firefighter, died in the Twin Towers. Turning his back on the only woman he ever loved, Alex shut out all the people who cared about him to concentrate on fighting crime. He and his trusty K9 partner, Bo, are determined to eliminate evil in the world and prevent tragedies like 9-11. Then the worst fire season in California ' s history erupts, and Alex faces the ultimate challenge to protect the community he serves. An environmental terrorist group is targeting the plush Oak Canyon Estates. At the risk of losing his job, and his soul, Alex is determined to infiltrate the group and put an end to their corruption. Only the friendship of Clay and Jamie Michaels—and the love of a dedicated young woman—can help Alex drop the walls around his heart and move forward into the future God has for him.

The Very Hungry Caterpillar

A special 20th anniversary edition of the beloved international bestseller that changed millions of lives Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He reconnected with Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class:" lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

How the Grinch Stole Christmas! Read & Listen Edition

Between Sundays

Aaron Hill has it all—athletic good looks and the many privileges of a star quarterback. His Sundays are spent playing NFL football in front of a televised audience of millions. But Aaron ' s about to receive an unexpected handoff, one that will give him

a whole new view of his self-centered life. Derrick Anderson is a family man who volunteers his time with foster kids while sustaining a long career as a pro football player. But now he 's looking for a miracle. He must act as team mentor while still striving for the one thing that matters most this season—keeping a promise he made years ago. Megan Gunn works two jobs and spends her spare time helping at the youth center. Much of what she does, she does for the one boy for whom she is everything—a foster child whose dying mother left him in Megan 's care. Now she wants to adopt him, but one obstacle stands in the way. Her foster son, Cory, is convinced that 49ers quarterback Aaron Hill is his father. Two men and the game they love. A woman with a heart for the lonely and lost, and a boy who believes the impossible. Thrown together in a season of self-discovery, they 're about to learn lessons in character and grace, love and sacrifice. Because in the end life isn 't defined by what takes place on the first day of the week, but how we live it between Sundays.

Such a Fun Age

Bruce Lee 's daughter illuminates her father 's most powerful life philosophies—demonstrating how martial arts are a perfect metaphor for personal growth, and how we can practice those teachings every day. "Empty your mind; be formless, shapeless like water." Bruce Lee is a cultural icon, renowned the world over for his martial arts and film legacy. But Lee was also a deeply philosophical thinker, learning at an early age that martial arts are more than just an exercise in physical discipline—they are an apt metaphor for living a fully realized life. Now, in *Be Water, My Friend*, Lee 's daughter Shannon shares the concepts at the core of his philosophies, showing how they can serve as tools of personal growth and self-actualization. Each chapter brings a lesson from Bruce Lee 's teachings, expanding on the foundation of his iconic "be water" philosophy. Over the course of the book, we discover how being like water allows us to embody fluidity and naturalness in life, bringing us closer to our essential flowing nature and our ability to be powerful, self-expressed, and free. Through previously untold stories from her father 's life and from her own journey in embodying these lessons, Shannon presents these philosophies in tangible, accessible ways. With Bruce Lee 's words as a guide, she encourages readers to pursue their essential selves and apply these ideas and practices to their everyday lives—whether in learning new things, overcoming obstacles, or ultimately finding their true path. *Be Water, My Friend* is an inspirational invitation to us all, a gentle call to action to consider our lives with new eyes. It is also a testament to how one man's exploration and determination transcended time and place to ignite our imaginations—and to inspire many around the world to transform their lives.

The City of Ember

" Every Who down in Who-ville liked Christmas a lot . . . but the Grinch, who lived just north of Who-ville, did NOT! " Not since " 'Twas the night before Christmas " has the beginning of a Christmas tale been so instantly recognizable. No holiday season is complete without the Grinch, Max, Cindy-Lou, and all the residents of Who-ville, in this heartwarming story about the effects of

the Christmas spirit on even the smallest and coldest of hearts. Like mistletoe, candy canes, and caroling, the Grinch is a mainstay of the holidays, and his story is the perfect gift for young and old. This Read & Listen edition contains audio narration.

Sway

When sixteen-year-old Rashad is mistakenly accused of stealing, classmate Quinn witnesses his brutal beating at the hands of a police officer who happens to be the older brother of his best friend. Told through Rashad and Quinn's alternating viewpoints.

Still Standing

A wall went up around Alex Brady ' s heart when his father, a New York firefighter, died in the Twin Towers. Turning his back on the only woman he ever loved, Alex shut out all the people who cared about him to concentrate on fighting crime. He and his trusty K9 partner, Bo, are determined to eliminate evil in the world and prevent tragedies like 9-11. Then the worst fire season in California ' s history erupts, and Alex faces the ultimate challenge to protect the community he serves. An environmental terrorist group is targeting the plush Oak Canyon Estates. At the risk of losing his job, and his soul, Alex is determined to infiltrate the group and put an end to their corruption. Only the friendship of Clay and Jamie Michaels—and the love of a dedicated young woman—can help Alex drop the walls around his heart and move forward into the future God has for him.

The Day of the Triffids

“ I was only nine years old, but I knew what death was. It was the end. When it came to my dad though, no amount of rational thought could outweigh my feelings. I watched the footage over and over again, trying to validate my hopes and dreams, believing there was a minute possibility he made it out of the building alive.” After his father died on 9/11 in the World Trade Center, nine-year-old Matthew John Bocchi began an obsessive quest to find out exactly how he died. He researched video tapes, pictures, blogs, anything that could potentially answer the question looming in his mind: was his father one of the jumpers? In the first memoir told by a child of 9/11, Matt intimately delves into the psychological and emotional torment that ensued after his father ' s death. With heartbreaking vulnerability, he details how his incessant quest resulted in a devastating act of violence that stripped his innocence as a young man. As Matt spirals down a bottomless pit of drug abuse, he willfully risks his life in search of the next high—all in an attempt to forget his past. Now at twenty-eight years old and sober, he recounts his unique story—one full of heartbreak and despair, grief and uncertainty, but most importantly, happiness and hope. The lesson he teaches us is clear but intricate: No matter how far you fall, you can always rise again. No matter how far you stray, you can always find your way home. And no matter how wide you sway, you can always pick up the pieces and stand

tall.

Beyond Tuesday Morning

One Tuesday Morning I ' m a firefighter, God, so I know I ' ve been in some tough places before. But this . . . this not knowing the people I love . . . this is the hardest thing I can imagine. Beyond Tuesday Morning It will take the persistence of a tenacious man, the questions from her curious young daughter, and the words from her dead husband ' s journal to move Jamie beyond one Tuesday morning. Remember Tuesday Morning A wall went up around Alex Brady ' s heart when his father, a New York firefighter, died in the Twin Towers. Turning his back on the only woman he ever loved, Alex shut out all the people who cared about him to concentrate on fighting crime. Remember Tuesday Morning A wall went up around Alex Brady ' s heart when his father, a New York firefighter, died in the Twin Towers. Turning his back on the only woman he ever loved, Alex shut out all the people who cared about him to concentrate on fighting crime.

Paper Towns

Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

Tuesday

Raised in a political family, 15-year-old Hannah Roberts lives a lonely life with her wealthy, unaffectionate grandmother while her parents work abroad. As Christmas nears, Hannah learns a shocking truth: the man she believed was her father is not her parent after all. In an effort to find answers, she begins a desperate search for her real father, Air Force pilot Mike Conner, who she discovers to be the man of her distant childhood memories. Local politicians and the city's newspaper catch wind of her quest, and the entire state joins in Hannah's hope that she'll find her father before Christmas.

Remember Tuesday Morning

I ' m a firefighter, God, so I know I ' ve been in some tough places before. But this . . . this not knowing the people I love . . . this is the hardest thing I can imagine. The last thing Jake Bryan knew was the roar of the World Trade Center collapsing on top of him and his fellow firefighters. The man in the hospital bed remembers nothing. Not rushing with his teammates up the stairway of the south tower to help trapped victims. Not being blasted from the building. And not the woman sitting by his bedside who says she is his wife. Jamie Bryan will do anything to help her beloved husband regain his memory, and with it their storybook family life with their small daughter, Sierra. But that means helping Jake rediscover the one thing Jamie has never shared with him: his deep faith in God. Jake ' s fondest prayer for his wife is about to have an impact beyond anything he could possibly have conceived. One Tuesday Morning is a love story like none you have ever read: tender, poignant, commemorating the tragedy and heroism of September 11 and portraying the far-reaching power of God ' s faithfulness and a good man ' s love.

Tuesday Morning Love

In the unusual world of Green Town, Illinois, a twelve-year-old discovers the wonders of reality and the power of imagination during the summer of 1928

The Saturday Review of Politics, Literature, Science and Art

Sometimes hope for the future is found in the ashes of yesterday. **EVEN NOW** A young woman seeking answers to her heart ' s deepest questions. A man and woman driven apart by lies and years of separation...who have never forgotten each other. With hallmark tenderness and power, Karen Kingsbury weaves a tapestry of lives, losses, love, and faith—and the miracle of resurrection. **EVER AFTER 2007** Christian Book of the Year Two couples torn apart – one by war between countries, and one by a war within. In this moving sequel to *Even Now*, Emily Anderson, now twenty, meets the man who changes everything for her: Army reservist Justin Baker. Their tender relationship, founded on a mutual faith in God and nurtured by their trust and love for each other, proves to be a shining inspiration to everyone they know, especially Emily ' s reunited birth parents. But Lauren and Shane still struggle to move past their opposing beliefs about war, politics, and faith. When tragedy strikes, can they set aside their opposing views so that love—God ' s love—might win, no matter how great the odds?

Jonathan Livingston Seagull

The hope-filled sequel to the bestselling *One Tuesday Morning*. In this new novel by Karen Kingsbury, three years have passed since the terrorist attacks on New York City. Jamie Bryan, widow of a firefighter who lost his life on that terrible day, has found meaning in her season of loss by volunteering at St. Paul ' s, the memorial chapel across the street from where the

Twin Towers once stood. Here she meets a daily stream of people touched by the tragedy, including two men with whom she feels a connection. One is a firefighter also changed by the attacks, the other a police officer from Los Angeles. But as Jamie gets to know the police officer, she is stunned to find out that he is the brother of Eric Michaels, the man with the uncanny resemblance to Jamie ' s husband, the man who lived with her for three months after September 11. Eric is the man she has vowed never to see again. Certain she could not share even a friendship with his brother, Jamie shuts out the police officer and delves deeper into her work at St. Paul ' s. Now it will take the persistence of a tenacious man, the questions from her curious young daughter, and the words from her dead husband ' s journal to move Jamie beyond one Tuesday morning. " Jamie Bryan took her position at the far end of the Staten Island Ferry, pressed her body against the railing, eyes on the place where the Twin Towers once stood. She could face it now, every day if she had to. The terrorist attacks had happened, the World Trade Center had collapsed, and the only man she ' d ever loved had gone down with them. Late fall was warmer than usual, and the breeze across the water washed over Jamie ' s face. If she could do this, if she could make this journey three times a week while Sierra was in school, then she could convince herself to get through another long, dark night. She could face the empty place in the bed beside her, face the longing for the man who had been her best friend, the one she ' d fallen for when she was only a girl. "

The Tuesday Morning Collection

It is 1943 and for 10 year old Annemarie life is still fun. But there are worries too - the Nazis have occupied Copenhagen and there are food shortages, curfews and the threat of being stopped by soldiers and Annemarie's best friend is a Jew.

Number the Stars

Twenty-year-old Emily meets Justin, a young Army reservist, and their deep love built on the foundation of faith blossoms into plans for marriage, while Emily's parents must learn to set aside their opposing views on the war in Iraq.

The Lost Love Collection

"Alix Chamberlain is a woman who gets what she wants and has made a living, with her confidence-driven brand, showing other women how to do the same. So she is shocked when her babysitter, Emira Tucker, is confronted while watching the Chamberlains' toddler one night, walking the aisles of their local high-end supermarket. The store's security guard, seeing a young black woman out late with a white child, accuses Emira of kidnapping two-year-old Briar. A small crowd gathers, a bystander films everything, and Emira is furious and humiliated. Alix resolves to make things right. But Emira herself is aimless, broke, and wary of Alix's desire to help. At twenty-five, she is about to lose her health insurance and has no idea what

to do with her life. When the video of Emira unearths someone from Alix's past, both women find themselves on a crash course that will upend everything they think they know about themselves, and each other"--

The Healing Book

An interactive book to help children and families express their feelings, ask questions, and explore their memories about a loved one who has passed away.

Remember

Alex Brady shuts out all relationships when he loses his beloved father in the Twin Towers. Will he have the courage to open his heart to love again?

One Tuesday Morning

The classic postapocalyptic thriller with “ all the reality of a vividly realized nightmare ” (The Times, London). Triffids are odd, interesting little plants that grow in everyone ’ s garden. Triffids are no more than mere curiosities—until an event occurs that alters human life forever. What seems to be a spectacular meteor shower turns into a bizarre, green inferno that blinds everyone and renders humankind helpless. What follows is even stranger: spores from the inferno cause the triffids to suddenly take on a life of their own. They become large, crawling vegetation, with the ability to uproot and roam about the country, attacking humans and inflicting pain and agony. William Masen somehow managed to escape being blinded in the inferno, and now after leaving the hospital, he is one of the few survivors who can see. And he may be the only one who can save his species from chaos and eventual extinction . . . With more than a million copies sold, *The Day of the Triffids* is a landmark of speculative fiction, and “ an outstanding and entertaining novel ” (Library Journal). “ A thoroughly English apocalypse, it rivals H. G. Wells in conveying how the everyday invaded by the alien would feel. No wonder Stephen King admires Wyndham so much. ” —Ramsey Campbell “ One of my all-time favorite novels. It ’ s absolutely convincing, full of little telling details, and that sweet, warm sensation of horror and mystery. ” —Joe R. Lansdale

All American Boys

A modern-day classic. This highly acclaimed adventure series about two friends desperate to save their doomed city has captivated kids and teachers alike for almost fifteen years and has sold over 3.5 MILLION copies! Dandelion Wine

Tuesday Morning Love is a compelling book of memoirs that impact - and transform - the seat of the soul. In this book, Rochelle Soetan, creative publisher of the popular inspirational blog 'Tuesday Morning Love' explores the questions and answers of personal growth that emerge from the challenges of everyday life. From matters of health to humanity and audacity to inspiration, Rochelle expresses through her writings that awareness is the bridge to facilitate the shift from obliviousness to mindfulness. Using chronicles from her own life experiences, as well as exclusive narratives shared by some of the courageous people she's met over the years, Rochelle Soetan offers inspirations and affirmations as road maps to help us navigate through the journey of life. The 52 commentaries in Tuesday Morning Love transport the reader from page to page, with love and light, and each represent a quality of usefulness that can provide thought-provoking space for deliberation, gratefulness, and renewal. Whether the experience is loss, forgiveness, transformation, or finding inner peace - Tuesday Morning Love provides reinforcement on how to honor one's self and withstand the storms of life in order to embrace the rainbows that are sure to follow. Written in the same engaging style and personal approach as the blog, Tuesday Morning Love is a book that deliberately speaks to the soul, and compels the reader to reach deep within for reflection, restoration, and radical reform.

Bronco and Friends: A Party to Remember

From a New York Times –bestselling author and former Los Angeles Times reporter, two teens kill their friend, then befriend the girl ' s family to avoid suspicion. On a beautiful October day in the San Fernando Valley, teenager Missy Avila was lured into the woods, beaten, tortured, and drowned. Missy ' s best friend, Karen Severson, publicly vowed to find the killer and even moved in with Missy ' s family to help. Three years later, a surprise witness exposed the murderers as Missy ' s two best friends—one of whom was Karen. New York Times –bestselling author Karen Kingsbury delivers a story full of twists, turns, betrayals, and confessions. Missy ' s Murder is a shocking tale of one of the most notorious murder trials of the eighties, and a startling debut novel from Kingsbury, who now has over twenty-five million books in print.

Be Water, My Friend

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex

was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

American Dirt

Filmmakers Keith and Dayne finally ink a deal with a top young actor, but when the actor takes a public fall that threatens his reputation, the producers must act as missionaries to save the film, their families, and the young star.

Tuesdays with Morrie

Ashley Baxter keeps her family and God at a distance trying to prove she can survive on her own, until the tragedy of September 11 changes her life forever.

The Glass Castle

A "chilling" and "expertly" written history of the 1939 September Campaign and the onset of World War II (Times of London). For Americans, World War II began in December of 1941, with the bombing of Pearl Harbor; but for Poland, the war began on September 1, 1939, when Hitler's soldiers invaded, followed later that month by Stalin's Red Army. The conflict that followed saw the debut of many of the features that would come to define the later war-blitzkrieg, the targeting of civilians, ethnic cleansing, and indiscriminate aerial bombing-yet it is routinely overlooked by historians. In Poland 1939, Roger Moorhouse reexamines the least understood campaign of World War II, using original archival sources to provide a harrowing and very human account of the events that set the bloody tone for the conflict to come.

Every Now and Then

Still Standing reveals how an unlikely governor is sparking a whole new kind of politics—and introduces the exciting possibilities that lie ahead. As the rookie Republican governor of deep-blue Maryland, Larry Hogan had already beaten some daunting odds. A common-sense businessman with a down-to-earth style, he had won a long-shot election the Washington Post called “ a stunning upset. ” He ’ d worked with cops and neighborhood leaders to quell Baltimore ’ s worst rioting in 47 years. He ’ d stared down entrenched political bosses to save his state from fiscal catastrophe, winning praise from Democrats, Republicans and independents. But none of that prepared him for the life-threatening challenge he would have to face next: a highly aggressive form of late-stage cancer. Could America ’ s most popular governor beat the odds again? The people of Maryland, with their “ Hogan Strong ” wristbands, were certainly pulling for him, sending him back to the governor ’ s office in a landslide. As

Governor Hogan began his second term cancer-free, his next challenge went far beyond Maryland: bringing our divided country together for a better future. And in 2020, as the COVID-19 pandemic changed that future forever, Hogan was once again called to rely upon his bold, open-minded approach to problem-solving to lead and serve in a time of unprecedented turmoil. In his own words and unique, plain-spoken style, Larry Hogan tells the feel-good story of a fresh American leader being touted as the “ anti-Trump Republican. ” A lifelong uniter at a time of sharp divisions. A politician with practical solutions that take the best from all sides. An open-hearted man who has learned important lessons from his own struggles in life. As we face a future full of questions, Hogan offers some surprising answers. Still Standing is a timely reminder that perseverance in the face of unexpected obstacles is at the heart of the American spirit.

Remember Tuesday Morning

On a day when everything goes wrong for him, Alexander is consoled by the thought that other people have bad days too.

Hannah's Hope

NEW YORK TIMES BESTSELLER • Heisman Trophy winner, multi-sport athlete, special needs advocate, and positive role model Tim Tebow encourages children to embrace their unique qualities in his first book for children, a winning tale based on his sweet pup, Bronco. Bronco received an invitation to a party, but he can ’ t find the puzzle piece everyone is supposed to bring. During his search, he encounters a variety of friends with their own set of worries: a flightless bird, an allergic goat, and a clumsy bunny. The animals team up to find both Bronco's puzzle piece and the party, arriving to discover that the party is in their honor! This sweet story of animals with different challenges and abilities is core to Tim Tebow ’ s message to fans and friends of any age who have special needs. Getting invited to the party is exciting—but bringing your own particular gifts makes it more fun for everyone. Tim Tebow wants everyone to know that's how God sees them: special, unique, and essential to the party.

The Blue Book of Grammar and Punctuation

Sanchez, this gorgeously written and deeply moving own voices novel is the YA debut from the award-winning author of Inside Out & Back Again. 4 starred reviews! In the final days of the Việt Nam War, H ãng takes her little brother, Linh, to the airport, determined to find a way to safety in America. In a split second, Linh is ripped from her arms—and H ãng is left behind in the war-torn country. Six years later, H ãng has made the brutal journey from Việt Nam and is now in Texas as a refugee. She doesn ’ t know how she will find the little brother who was taken from her until she meets LeeRoy, a city boy with big rodeo

dreams, who decides to help her. Hing is overjoyed when she reunites with Linh. But when she realizes he doesn't remember her, their family, or Vi t Nam, her heart is crushed. Though the distance between them feels greater than ever, Hing has come so far that she will do anything to bridge the gap.
